This set includes *The 5 Love Languages*, *The 5 Love Languages for Men*, *The 5 Love Languages of Teenagers*, and *The 5 Love Languages of Children*. In *The 5 Love Languages*, #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. In *The 5 Love Languages for Men*, Dr. Chapman guides husbands in identifying, understanding, and speaking their wife's love language. Husbands are commanded to love their wives, but do you know what really makes your wife feel loved? Are you tired of missed cues and confusing signals? Everyone has a primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. Each chapter concludes with ten simple and practical ideas for expressing that love language to your wife. You'll both enjoy taking the new love languages assessment and building a

lasting, loving marriage. Includes a promotional code to gain exclusive online access to the new comprehensive love languages assessment. In *The 5 Love Languages of Children*, the author examines the different languages your children speak. Sometimes they waver for your attention, and other times they ignore you completely. Sometimes they are filled with gratitude and affection, and other times they seem totally indifferent. Attitude. Behavior. Development. Everything depends on the love relationship between you and your child. When children feel loved, they do their best. But how can you make sure your child feels loved? Since 1992, Dr. Gary Chapman's best-selling book *The Five Love Languages* has helped more than 300,000 couples develop stronger, more fulfilling relationships by teaching them to speak each others love language. Each child, too, expresses and receives love through one of five different communication styles. And your love language may be totally different from that of your child. While you are doing all you can to show your child love, he may be hearing it as something completely opposite. Discover your child's primary language and learn what you can do to effectively convey unconditional feelings of respect, affection, and commitment that will resonate in your child's emotions and behavior. In *The 5 Love Languages of Teenagers*, Dr. Gary Chapman explores the world in which teenagers live; explains the developmental changes;

Do you remember how well you felt on the last trip? For sure you remember The Newlywed Game, that television show where couples attempted to answer questions about their spouses for cash prizes... Do you recall smirking at people who couldn't recall if their husband liked skiing or surfing, and wives who weren't sure about the color of their husband's eyes? Have you considered how many things you don't know about the people you care about? Have you wondered why your partner doesn't ask you questions anymore? Do you ever wonder about your lover's first kiss or their relationship with their mother? Do you wish your partner would inquire about your past? Indeed, questions are waiting inside of

you. Now it's time to ask. Unfortunately, too often, these forums don't take place in the most critical arenas-between friends, lovers, partners, and people who play critical roles in each other's lives. The problem is: THE QUESTIONS JUST AREN'T ASKED! When was the last time you shared a dream, a memory, or a feeling with your partner? If it has been a while, it's time to get started. Put merely, 365 Connecting questions for couples will allow you to get closer to your partner. Find some quiet time and comfortable space and sit with this book. Flip through and find a question that you've never asked before. This book will be yours in a way that no one else can ever be... But it is only for people that: Want to rediscover why they fell in love with each other. Are tired of running all day long and need to get really together in the evening. Want to relive the past atmosphere and the same emotions after years. Don't give up and know that a relationship must be nurtured and supported with love. Look inside themselves to find themselves. Want to leave their children a testimony of what they have been. In our busy world, emotional connections are buried under the pressures of daily life, closing lines of communication within families. THIS BOOK is made for couples, married and not, but it is truly excellent for anyone who wants to embark on a journey of self-discovery, indeed the large space to write on makes it a nice personal diary too. compelling, implying a healthy balance of the many aspects of your life. It carries with it an underlying tone of longevity or foreverness, a journey on a never-ending continuum to a healthy lifestyle. Think of it as a journey on a road, where the road has no specific destination, but it does have a direction. The road may present roadblocks, potholes and detours. It may have turns and hills and even rest stops. But, as long as you stay on the road, you're making progress on your journey. Lifestyle wellness is like that road. This book is intended to be a journey over the course of approximately twelve weeks. Within each chapter are three separate sections focusing on and providing physical, nutritional, and emotional support - the three major components of successful weight loss, a healthy body, and lifestyle change.
