Runa (14) vertrekt vanuit Italië met vijftig wolven op zoek naar een veilige plek voor de bedreigde dieren. Een van hen is Rocco, die van mens in een wolf is veranderd. Het wordt een gevaarlijke tocht, waarbij wolvenhater Giacomo maar ook journalisten en de kinderbescherming haar proberen te dwarsbomen. Vanaf ca. 12 jaar.

Livable Streets 2.0 offers a thorough examination of the struggle between automobiles, residents, pedestrians and other users of streets, along with evidence-based, practical strategies for redesigning city street networks that support urban livability. In 1981, when Donald Appleyard's Livable Streets was published, it was globally recognized as a groundbreaking work, one of the most influential urban design books of its time. Unfortunately, he was killed a year later by a speeding drunk driver. This latest update, Livable Streets 2.0, revisited by his son Bruce, updates on the topic with the latest research, new case studies and best practices for creating more livable streets. It is essential reading for those who influence future directions in city and transportation planning. Incorporates the most current empirical research on urban transportation and land use practices that support the need for more livable communities Includes recent case studies from around the world on successful projects, campaigns, programs, and other efforts Contains new coverage of vulnerable populations
