This Fourth of July, while friends and families picnic in Sinnissippi Park and fireworks explode in celebration of freedom and independence, the fate of Humanity itself will be decided . . . Praise for Terry Brooks: 'A master of the craft . . . required reading' Brent Weeks 'I can't even begin to count how many of Terry Brooks's books I've read (and re-read) over the years' Patrick Rothfuss, author of *The Name of the Wind* 'I would not be writing epic fantasy today if not for Shannara' Peter V. As Brona's army crushes the forces of the Elves and descends upon the city of Tyrsis, the Durid Allanon sends Menion, the Prince of Leah, to help Tyrsis and search for Shea Ohmsford, the half-elf who has the only weapon capable of destroying Brona.

**BONUS:** This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*. Terry Brooks won instant

acclaim with his phenomenal New York Times bestseller *The Sword of Shannara*. Its sequels earned Brooks legendary status. Then his darkly enthralling *The Word and the Void* trilogy revealed new depths and vistas to his mastery of epic fantasy. *Armageddon's Children* and *The Elves of Cintra* took Brooks's remarkable mythos to a breathtaking new level by delving deep into the history of Shannara. And now, *The Gypsy Morph* rounds out—with an adventure of unforgettably imaginative scope—the first phase of a new chapter in this classic series. Eighty years into the future, the United States is a no-man's-land: its landscape blighted by chemical warfare, pollution, and plague; its government collapsed; its citizens adrift, desperate, fighting to stay alive. In fortified compounds, survivors hold the line against wandering predators, rogue militias, and hideous mutations spawned from the toxic environment, while against them all stands an enemy neither mortal nor merciful: demons and their minions bent on slaughtering and subjugating the last of humankind. But from around the country, allies of good unite to challenge the rampaging evil. Logan Tom, wielding the magic staff of a Knight of the Word, has a promise to keep—protecting the world's only hope of salvation—and a score to settle with the demon that massacred his family. Angel Perez, Logan's fellow Knight, has risked her life to aid the elvish race, whose peaceful, hidden realm is marked for extermination by the forces of the Void. Kirisin Belloruus, a young elf entrusted with an ancient magic, must deliver his entire civilization from a monstrous army. And Hawk, the rootless boy who is nothing less than destiny's instrument, must lead the last of humanity to a latter-day promised land before the final darkness falls. *The Gypsy Morph* is an epic saga of a world in flux as the mortal realm yields to a magical one; as the champions of the Word and the Void clash for the last time to decide what will be and what must cease; and as, from the remnants of a doomed age, something altogether extraordinary rises.

John Ross, a modern-day Knight of the Word, becomes disillusioned with his quest and turns his back on magic to build a new life with the beautiful Stefanie Winslow, but he does not realize that a fallen Knight makes an irresistible target for the Void, and soon Ross and those he loves are being stalked by evil.

The second book in the *Forging of a Knight* series! Qualtan has become a knight at last. With Glaive, the half-orcne thief by his side, he will join a host of new friends: Jesepha, the strong-willed female knight; her mentor, the elder knight Bartholomew, who carries a strange secret; the young and hot-headed knight Euric; the glum and impatient knight Richard; and the dashing merchant lord Visandus. A seemingly routine mission will unravel into one of greater horror, involving inter-dimensional creatures, rival sea-faring pirate nations, and a face-to-face confrontation between Qualtan and Darksiege, one of *Those That Stand in Shadow*, at last! Should they somehow prevail, it will just be a precursor to an even GREATER threat!

The sequel to "Running with the Demon." John Ross inherited the daunting legacy of the first Knight of the Word eight

centuries ago: to combat the demonic evil of the Void. His faith shattered by unspeakable violence, Ross tries to build a normal life. When the demons of the Void trail him to Seattle, his only hope is a college student who wields an extraordinary magic all her own.
