The Primary Source Edition of Civilization Past and Present weaves the diverse trends of world history into a clear and accessible analysis and includes 2 to 3 primary sources with critical thinking questions per chapter. Civilization Past and Present, well known in the marketplace as a highly readable survey of world history, delivers a strong narrative of world history and a level of detail that is manageable for readers. The book examines all aspects of world history--social, political, economic, religious, cultural, and geographic. With 52 primary source documents, the Primary Source Edition has everything students need to succeed in the course--a highly readable survey text that examines all aspects of world history plus a wealth of original documents that help make the material come alive. Document Analysis questions encourage students to delve deeper into the documents and to explore how they relate to the events of the time. KEY TOPICS: Overview of world history, from beginnings to the present day. Readers interested in an overview of world history.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Student Study Guide is an important and unique component that is available for each of the eight books in The World in Ancient Times series. Each of the Student Study Guides is designed to be used with the student book at school or sent home for homework assignments. The activities in the Student Study Guide will help students get the most out of their history books. Each Student Study Guide includes chapter-by-chapter two-page lessons that use a variety of interesting activities to help a student master history and develop important reading and study skills.

This popular text advocates an inquiry and activity-based view of social studies teaching that respects the points of view of students and teachers. Based in practice and experience, it offers systematic support and open, honest advice for new teachers, is conversational not pedantic, and provides lots of examples. While the structure and most of the topics remain largely the same as before, this Third Edition presents new lesson ideas in every chapter especially designed to help new teachers to address learning standards, to work in inclusive settings, and to promote literacy and the use of technology in social studies classrooms puts a heavier focus on what is important to know and why includes new essays on the politics of social studies education responds to opponents of project- or activity-based social studies instruction and multicultural education with a sharpened defense of both of these approaches throughout the book Intended as a text for undergraduate and graduate pre-service social studies methods courses, this text is also useful for in-service training programs, as a reference for new social studies teachers, and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice.
