From Lifeguard to Sun King is a compelling account of the life of Robert Bell; the founder of the Banana Boat sun care brand and one of America's most innovative entrepreneurs. Bell and his co-author Joe Carlen recount how and why his unique approach to product development, distribution, and marketing led him from the lifeguard chair to the throne of the "Sun King": The man who created the Sun Care industry and built a consumer products empire. However, with all its shocking and frequently humorous anecdotes, this business autobiography is about much more than dollars and cents. It is the story of a man who overcame all obstacles to reach "impossible" dreams while having plenty of laughs along the way!

The World Health Organization's recently published Global Report on Drowning found that drowning is the third leading cause of unintentional injury death worldwide—making the information presented in this new book an important part of the global effort to reduce this health risk. Written by leading researchers and academics from around the world, *The Science of Beach Lifeguarding* focuses on the scientific evidence that underpins what is taught to and practised by beach lifeguards. It is the first book to pull together all the different areas involved in beach lifeguarding and evaluate their evidence base. An accessible and informative reference underpinned by the best current research, the book's key themes cover the context of beach lifeguarding, the physical environment in which lifeguards work, medical aspects, practical lifeguarding techniques, physiological standards for lifeguards, safety education, and future developments in beach lifeguarding. The book presents groundbreaking work quantifying the
