Legends say that long ago a mystical order of men and women walked the earth. They were known as the Seers. Stories claim that they saw the invisible, knew the unknowable, and performed impossible feats of power. They wandered the earth as champions for the oppressed and heralds of days to come. Seers were cloaked in mystery and suspicion, but when they spoke, the wise listened. Elijah is a Seer, widely considered to be the greatest of their order. He is called to confront the powerful King Ahab with five simple words, "There will be no rain." The Seer narrates the dangerous, exciting and God-given journey of the prophet Elijah in an entertaining and engaging way. This young adult adventure brings the ancient story to life and shows that when gods battle for the future of mankind, one person can change everything.
