The two-time bestselling author, wrestler and metal rocker returns with another insightful and hilarious memoir of his latest wild adventures in the absurd worlds of pro-wrestling and showbiz. Picking up where his previous bestseller UNDISPUTED left off, Chris Jericho treats his fans to an all-new, completely uncensored chronicle of his life within the ring and onstage. Written with his trademark self-effacing humour, this memoir is laced with Jericho's engaging storytelling, detailing the preposterous situations he's all too prone to get himself involved in, including his dealings with WWE head honcho Vince McMahon; world tours with his band, Fozzy; and encounters with pop culture icons such as Ozzy Osbourne, Mike Tyson, Mickey Rourke and Metallica's James Hetfield. He also tells the inside stories about some of the most memorable angles in wrestling history: his feuds with Rey Mysterio and CM Punk, as well as his classic battle with Shawn Michaels. These behind-the-scenes reports, along with the stories of how he ended up in an unsecured war zone in Iraq, and was thrown out of Brazil for kicking a flag, make this his most entertaining book yet. Brash and compulsively readable, THE BEST IN THE WORLD is as bracing as a body slam.

"Throughout his illustrious 30-year career, Chris Jericho has documented EVERY ONE of his 2,722 matches from around the world in a handwritten journal. That artifact provides the backbone of this unique book, which also includes dozens of never-before-seen photos from Chris's personal collection, infographics, and a collection of top-ten lists compiled by some of the biggest names in pro wrestling history AND Le Champion himself! Want to discover his best and worst matches (there were plenty), his favorite tag partners, or his favorite ring music?"--Inside front flap of dust jacket.

Sequel to the worldwide hit A LION'S TALE. A LION'S TALE documented Chris Jericho's journey from small-time dreamer to big-time superstar, from Winnipeg, Canada, to undisputed WWE heavyweight champion of the world. But UNDISPUTED kicks off just as the fantasy begins to unravel. Faced with endless internal politics on his rise to the top of the WWE company ladder, Jericho has to draw on the super-human resources that got him there in the first place. There are bruising encounters aplenty both inside and outside the ring. He reveals why he temporarily left WWE, includes the inside story of his time in Hollywood, and opens the can of worms that is life on the road with the rock band Fozzy. He also revisits the premature birth of his twins and the pain of his mother's death, as well as the shock of Eddy Guerrero's and the Benoit family deaths. As upfront and outspoken as A LION'S TALE, this sequel is as direct as the man himself. The two-time bestselling author, wrestler and metal rocker returns with another insightful and hilarious memoir. Inspired by Anton Chigurh, Javier Bardem's character in No Country for Old Men, Chris Jericho decided to put down his guitar, ease off on the red-carpet appearances in Hollywood and return to ring. What followed were the best three years of his wrestling career. A trilogy that began with A LION'S TALE and was followed by the bestselling UNDISPUTED now concludes with a behind-the-scenes account of Jericho becoming WON WRESTLER OF THE YEAR for two consecutive years in 2008 and 2009. The book also features the final word on Jericho's feuds with Shawn Michaels and Rey Mysterio, his run-in with Mickey Rourke, life hanging out with the likes of Ozzy Osbourne, Mike Tyson and Lars Ulrich, and the resurrection of his band Fozzy, which saw them play to huge audiences in the UK and Europe and support Metallica.

From legendary wrestling announcer Jim Ross, this candid, colorful memoir about the inner workings of the WWE and the personal crises he weathered at the height of his career is "a must-read for wrestling fans" (Charleston Post Courier). If you've caught a televised wrestling match anytime in the past thirty years, you've probably heard Jim Ross's throaty Oklahoma twang. The beloved longtime announcer of the WWE "has been a driving force behind a generation of wrestling fans" (Mark Cuban), and he's not slowing down, having signed on as the announcer of the starry new wrestling venture All Elite Wrestling. In this follow-up to his bestselling memoir Slobberknocker, he dishes out about not only his long career, which includes nurturing global stars like Stone Cold Steve Austin, The Rock, and John Cena, but also about his challenges of aging and disability, his split from collaborator Vince McMahon, and the sudden death of his beloved wife, Jan. The result is a gruff, endearing, and remarkably human-scale portrait, set against the larger than life backdrop of professional wrestling. Ross's ascent in WWE mirrors the rise of professional wrestling itself from a DIY sideshow to a billion-dollar business. Under the Black Hat traces all the highs and lows of that wild ride, in which Jim served not only as on-air commentator, but talent manager, payroll master, and even occasional in-

ring foil to threats like Paul "Triple H" Levesque and Undertaker. While his role brought him riches and exposure he had never dreamed of, he chafed against the strictures of a fickle corporate culture and what he saw as a narrow vision of what makes great wrestlers—and great story lines. When suddenly stricken with Bell's palsy, a form of facial paralysis that makes it impossible to smile, he started down his greatest fear—being cast out of the announcing booth for good. Picking up where Slobberknocker left off and ending on the cusp of a new career in a reimagined industry, *Under the Black Hat* is the triumphant tale of a country boy who made it to the top, took a few knocks, and stuck around—just where his fans like him. Not only being one of the greatest wrestlers of the WWE, Ross is also "a master storyteller, and this book is the perfect forum for his forty years' worth of tales" (Chris Jericho, former WWE champion).

Adam Copeland on Edge is more than an autobiography. It's what the author himself describes as "a mental picture" that he has long wanted to paint for the reader. It's also a dream—"one of many"—that he decided to realize while at home convalescing from potential career-ending neck surgery. And it's a journey that explores not only his life but also his innermost thoughts. Despite growing up with "a lot less materially than other people" in the small town of Orangeville, Ontario, Copeland recalls his formative years fondly. He remembers a loving mother who, while working multiple jobs just to pay the rent, nurtured her son's passion for Spider-Man comics and KISS albums. He also recalls the family tragedy that created a void in his life at nine years of age, and how that void was soon filled by the yellow-and-red-clad form of wrestling legend Hulk Hogan, whose intensity and personality "made me feel like I could accomplish anything." With vivid detail and sincerity, Copeland offers his thoughts about not only fulfilling his goals but also building upon them. While revisiting his greatest matches, he shares his actual surprise over winning the Intercontinental title for the first time; the anxiety he felt while splitting up with Christian and establishing a solo career; his eventual determination "to grab the damn ball out of someone's hands and take off" on SmackDown!; the distress of almost losing his long blond hair to Kurt Angle; his wonder over enjoying a brief Tag Team title reign with the icon who first inspired him; the simultaneous pain of a broken marriage and two ruptured discs in his neck; and the nervous energy of returning to Raw in March 2004 and setting his sights on the WWE World Heavyweight Championship.

From the top 10 Champions to the most popular matches ever, *WWE: Book of Top 10s* ranks everything in the world of WWE in fun and bite-sized lists. *WWE: Book of Top 10s* includes all information and trivia and will provide hours of ammunition and controversy as fans debate the lists, arguing positioning, surprise inclusions, and snubs from 100 lists spanning five decades of sports entertainment history. A rare glimpse not only into the life of a professional wrestler, but the life of a gay man in a straight world, this tragic memoir is told in Chris Kanyon's own words, with the help of journalist Ryan Clark. One of the most popular wrestlers of the late 1990s, Kanyon kept his personal life private from his fans until finally revealing his biggest secret in 2004: he was gay. Going through the various roles that Kanyon played, both in the ring and out of it, as well as his battle with manic depression, this book explores the factors that led to his suicide in 2010. In his voice and the way he wanted it told, these are Kanyon's last words about his experience rising through the ranks to the top of the professional wrestling world while keeping his sexuality hidden.

There is a common misconception about KISS, one of the greatest hard-rock/heavy metal-bands of all-time: that their 'non-makeup' era of 1983-1996 is not as enduring as the period when they stalked stages as the Starchild, the Demon, the Spaceman, and the Cat. This is untrue. In fact, this period helped resuscitate KISS's career, as they reestablished themselves in arenas, on the charts, and via MTV, and yielded some of their most popular songs – including Lick It Up, Heaven's On Fire, Tears Are Falling, Crazy Crazy Nights, Hide Your Heart, Forever, Unholy, and more – many of which consistently found their way into the band's set lists. While the majority of KISS books are focused on the glitz and glamour of the iconic makeup era, the non-makeup years are ripe to be explored in book form, and Take It Off does just that, zeroing in on the eleven albums KISS issued during this period – including such gold- and platinum-certified hits as Lick It Up, Animalize, Revenge, and Alive III – as well the resulting tours, videos, and other escapades. Take It Off draws on all-new interviews with KISS experts and associates, including the band's lead guitarist throughout most of this period, Bruce Kulick, plus Crazy Nights producer Ron Nevison and video director Paul Rachman (Unholy/I Just Wanna/Domino). Among the other contributors are Charlie Benante (Anthrax), K.K. Downing (ex-Judas Priest), Derek Sherinan (ex-Dream Theater), and rock music experts Eddie Trunk, Katherine Turman, and Lonn Friend. The book also includes a foreword by Fozzy frontman Chris Jericho and an afterword by acclaimed producer Andreas Carlsson, as well as rare photographs and memorabilia from the period. With KISS currently in the midst of their last ever tour, now is the time to get Truly Unmasked.

The controversial story of Chris Jericho, the former undisputed Heavyweight Champion of WWE. From the age of eight, Chris dreamed of becoming a wrestler. But it wasn't until he was 25 that he hit the big time. Nicknamed 'Lion Heart', Chris eventually attained his ultimate goal - joining the WWF (now WWE). He became one of their biggest stars, even defeating wrestling powerhouses The Rock and 'Stone Cold' Steve Austin in the same night to be crowned the undisputed Heavyweight Champion. Now Chris dishes the dirt on his rivalries with other wrestling legends. Whether ripped-off by promoters, robbed at gunpoint or nearly paralysed after landing on his head during a match, Chris maintained his courage, determination and sense of humour about this dangerous and enthralling sport.

Bestselling author and six-time WWE champion Chris Jericho shares twenty of his most valuable lessons for achieving your goals and living the life you want, jam-packed with fantastic stories and the classic off-the-wall, laugh-out-loud Jericho references he's famous for. The result is a fun, entertaining, practical and inspiring book from the man with many scarves but only one drive: to be the best. After reading No Is a Four-Letter Word, you'll discover that you might have what it takes to succeed as well ... you just need to get out there and do it. That's what Jericho would do.

Chris Jericho is a six-time pro-wrestling champion, international touring musician, three-time bestselling author, award-winning actor and popular podcaster. How did he make it to the top of so many fields? He explains the secrets of his success in this humorous and inspirational book. NO IS A FOUR LETTER WORD displays Chris's trademark writing style, jam-packed with ridiculous stories and hilarious pop culture references. He shows how a small-town Canadian kid followed his seemingly impossible dreams and against all odds made them all come true. The book is organised around 22 principles on what it takes to make it to the top of your field and the legends that influenced each principle. Whether it's learning how to make any situation work (like when he bargained with his boss Vince McMahon for the chance to meet Keith Richards), spending money to make money (when he doled out tens of thousands of dollars on his trademark light-up jackets because that's what KISS would do), learning from his NHL legend father Ted to always sell himself, or learning how to let go of the crushing loss of the possible gig of a lifetime, Jericho takes you with him on his journey up success's ladder one step at a time! And shows readers how they can apply these principles to their own lives.

Professional wrestling is the greatest thing in the entire world.' - Jim Smallman, 2016 Comedian and PROGRESS Wrestling founder Jim Smallman takes us on a wild ride through the history of pro-wrestling, from its beginnings at the turn of the twentieth century to the pop-culture, pay-per-view juggernaut that it is today. Join Jim as he looks at the most defining and iconic moments in wrestling's history and attempts to nail down just why this ludicrous, over the top, compelling quasi-sport means so much to so many people.

Excerpt: Christopher Keith Irvine (born November 9, 1970), known professionally as Chris Jericho, is an American-born Canadian professional wrestler, musician, media personality, actor, author and businessman. He is a former World Wrestling Federation/World Wrestling Entertainment/WWE superstar, and is also well known for his time in World Championship Wrestling (WCW) and Extreme Championship Wrestling (ECW), and internationally in Canadian, Mexican and Japanese promotions. Jericho has won 30 championships between WWF/E, WCW, and ECW - the three most prominent American promotions in the 1990s and early 2000s. He is credited as being the first Undisputed WWF Champion, having unified the WWF Championship and the World Championship (formerly the WCW Championship). In WWE, Jericho is a six-time world champion, having won the WWF Championship once, the WCW/World Championship twice and the World Heavyweight Championship three times. He is also a record nine-time Intercontinental Champion, and the fourth WWE Grand Slam Champion. Outside of wrestling, Jericho formed the band Fozzy, in 1999, as their lead vocalist. Their eponymous debut album (2000) and Happenstance (2002) consist of cover songs and original music; All That Remains (2005), Chasing the Grail...

Picking up right where his New York Times bestseller *A Lion's Tale* left off, with his legendary 1999 entrance into the WWE, Jericho takes us from Chicago to Tokyo, New Delhi to Kuala Lumpur, Winnipeg to Madison Square Garden, as he details his classic rivalries with the Rock, Steve Austin, HHH, Shawn Michaels, and John Cena, along with all the politics and backstage machinations he faced outside the ring. He also describes his unique relationship with Vince McMahon and the long road they travelled to find respect for each other. But it was only after Jericho became the first Undisputed World Champion in the history of the wrestling business that he became disenchanted with the WWE and decided to walk away, turning his back on fifteen years in the ring to further his other lifelong dream: that of being a rock star. His band, Fozzy, proceeded to tour the world playing everywhere from the smallest sports bars in Pennsylvania to Monsters of Rock at Castle Donnington festival in England, all the while experiencing the same kinds of glorifying highs and embarrassing lows he faced while building his wrestling career. As if that weren't enough, Chris recounts his hilarious escapades of breaking in with the Hollywood elite via doomed auditions, short-lived reality shows, made-for-television movies, and red-carpet interviewing fiascos. Along the way he was forced to deal with the heart-wrenching deaths of his mother and his long-time confidant Eddy Guerrero, as well as the horrific murder/suicide of his best friend Chris Benoit and his family. Jam packed with Chris Jericho's trademark self-effacing humor, one-of-a-kind writing style, and ridiculous random encounters with everyone from Arnold Schwarzenegger, Axl Rose, and Paul McCartney, **UNDISPUTED** is one of the most highly anticipated follow-ups of its kind and one of a rare breed - a sequel that might be better than the original. The eagerly awaited follow-up to the New York Times bestselling *A Lion's Tale* documents Chris Jericho's meteoric rise to wrestling glory in the WWE. *A Lion's Tale* gave readers a portrait of Jericho as a young man. Fighting his way through Mexico, rinky-dink leagues and a battery of thieving, sleazy promoters/managers, the book ended with the author's WWE (World Wrestling Entertainment) debut. Never one to leave his fans hanging, as demonstrated by his recent return to wrestling glory, Jericho now tells the story of life in the big leagues. But "making it" in the premier wrestling league in the world comes with its own set of obstacles and hard lessons. Jericho, in his witty, hilarious, and surprisingly endearing manner, lays it all out: the good, the bad, and the spandex.

Wanneer Jeroen van Bergeijk in Burkina Faso in een Mercedes-taxi stapt en een vergeelde sticker van voetbalclub PSV op het dashboardkastje ziet, begint zijn fantasie te leven. Niets aan de auto herinnert nog aan zijn land van herkomst: springveren steken door de stoelen en de motorkap zit vol roestplekken. Hoe is die auto daar terecht gekomen? Een jaar later reist Van Bergeijk in een oude Mercedes Diesel van Amsterdam naar West-Afrika. Hij doorkruist Marokko, de woestijn van Mauretanië, de binnenlanden van Mali en Ghana, en belandt via Togo en Benin in Ouagadougou. Hij krijgt pech met zijn Mercedes en maakt een staatsgreep mee in Togo. Onderweg gaat hij op zoek naar de handelaren en avonturiers die in oude autos door de woestijn crossen om ze in Afrika met winst te verkopen. Mijn Mercedes is niet te koop is ook de geschiedenis van een auto: een Mercedes 190 D, bouwjaar 1988, 220.000 kilometer op de teller. Van Bergeijk koopt hem van een politieagent die hem tijdens zijn stationering in Kosovo van een guerrillastrijder kocht. Even nieuwsgierig naar wie de volgende zal zijn, is Van Bergeijk naar de vorige eigenaren, naar het verhaal achter die 220.000 kilometers. '
