Child Safety Guidelines for Local Churches deals with the sensitive subject of child sexual abuse and what churches can do to protect children under their care while at the same time minimizing their own liability. Prevention and training are critical elements in developing a structure that ensures the safety of children while they are in God's house. Sadly, many churches are unprepared to combat the possibility of the unthinkable happening to one of their precious little ones. By not taking reasonable precautions, they not only endanger the welfare of their youngsters, but are subject to charges of gross negligence and significant financial judgments against their congregations. The author outlines numerous steps that any congregation can take to protect both the children and churches they serve. From the straight boulevards that smashed their way through rambling old Paris to create the city we know today to the televised implosion of Las Vegas casinos to make room for America's ever grander desert of dreams, demolition has long played an ambiguous role in our lives. In lively, colorful prose, Rubble rides the wrecking ball through key episodes in the world of demolition. Stretching over more than five hundred years of razing and toppling, this story looks back to London's Great Fire of 1666, where self-deputized wreckers artfully blew houses apart with barrels of gunpowder to halt the furious blaze, and spotlights the advent of dynamite—courtesy of demolition's patron saint, Alfred Nobel—that would later fuel epochal feats of unbuilding such as the implosion of the infamous Pruitt-Igoe housing complex in St. Louis. Rubble also delves beyond these bravura blasts to survey the world-jarring invention of the wrecking ball; the oddly stirring ruin of New York's old Pennsylvania Station, that potent symbol of the wrecker run amok; and the ever busy bulldozers in places as diverse as Detroit, Berlin, and the British countryside. Rich with stories of demolition's quirky impresarios—including Mark Loizeaux, the world-famous engineer of destruction

who brought Seattle's Kingdome to the ground in mere seconds—this account makes first-hand forays to implosion sites and digs extensively into wrecking's little-known historical record. Rubble is also an exploration of what happens when buildings fall, when monuments topple into memory, and when “destructive creativity” tears down to build again. It unearths the world of demolition for the first time and, along the way, throws a penetrating light on the role that destruction must play in our lives as a necessary prelude to renewal. Told with arresting detail and energy, this tale goes to the heart of the scientific, social, economic, and personal meaning of how we unbuild our world. Rubble is the first-ever biography of the wrecking trade, a riveting, character-filled narrative of how the black art of demolition grew to become a multibillion-dollar business, an extreme spectator sport, and a touchstone for what we value, what we disdain, who we were, and what we wish to become.

mind, having compassion one of another, love as bretheren, be pitiful, be courteous.” Whether doorkeeper, pastor, leader, or layperson in the church, this book will provide insight into the role of those who stand at the door of the house of the Lord.

Many have pontificated about church growth, telling church planters and pastors how to increase the number of attendees and members. Most have spoken authentically from inspiring experiences, and what they’ve recommended has worked . . . at least for some. But what about advice on how to reduce those numbers, how to empty those pews? This “manual” provides just that, and its suggestions don’t emanate from an ivory tower; they, too, are based on real-life experiences. The insights and guidelines of *How to Empty a Church* may be expressed tongue-in-cheek, but they’re not fictional; they reflect the history of an actual congregation. Fasten your seatbelt; it’s going to be a bumpy—but worthwhile—ride!

From the perspective of a veteran pastor and communicator, Dr. Leslie Parrott describes the function of the usher and provides practical guidelines on how this vital role in the church may be carried out with grace and efficiency. Not only does he apply scriptural principles, but he relies completely upon Scripture in his development of the various qualifications and duties of the usher. In this practical, how-to-do-it book, Dr. Parrott explains: - The Ministry of Ushering: what makes a good usher; why ushers are important - The Function of an Usher - The Authority and Responsibility of an Usher - The Usher as a Greeter -- Every church can have an effective usher corps -- and this group will be even more effective if based on The Usher's Manual.

The author, head usher at the Tabernacle of Hope Seventh-day Adventist Church in Indianapolis, is actively involved with the training and development of the ushers and believes that the Holy Spirit inspired her to put into print these "guidelines" for church ushers everywhere.

As we enter our church, the first person we often see is the usher. While many may look at the position of usher as simply a social one, it can be so much more. In "Ushering with a Mission," author Victor L. Davis presents the first comprehensive guide specifically addressed to the needs of the usher. The traditional approach to ushering focused on the task of meeting, seating, and greeting worshippers. The typical training manual addressed techniques ushers should use in carrying out those duties. Davis's "Ushering with a Mission" goes a step further and emphasizes the importance of disciplining the individual usher. Ushering is viewed as a ministry rather than a committee or board activity. The ministry of ushering is approached from a Christ-centered, biblical perspective. Ushering is not something we simply do because, "It's our Sunday to usher." We do it because it is a lifestyle, resulting from the overflow of the Spirit-filled life. "Ushering with a Mission" stresses the importance of Bible study, prayer, and

personal evangelism with nonbelievers. Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior, Jesus Christ.

Momentary Ministers . . . Most people think it takes a long time--years, months or even days to accomplish something profound, something great for God. It is! Learn how to be an outstanding greeter in your local church and start doing something great for God today!

Ushering in the local church is much more than just shaking hands and passing offering plates. some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily distribution. Then the twelve summoned the multitude of the disciples and said, It is not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, Gods way is so simple, and our grandiose plans just waste time and get

nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them.

There is nothing worst in Church work than untrained, poor, ignorant church workers, because they will misrepresent what you stand for. As a pastor your success in ministry depends on your workers. The New York Public Library staff answers questions remarkable and preposterous, with illustrations by Barry Blitt. Have you've ever wondered if you can keep an octopus in a private home? Do you spend your time thinking about how much Napoleon's brain weighed? If so, Peculiar Questions and Practical Answers is the book for you. The New York Public Library has been fielding questions like these ever since it was founded in 1895. Of course, some of the questions have left the librarians scratching their heads... "In what occupations may one be barefooted?" "What time does a bluebird sing?" "What does it mean when you're being chased by an elephant?" "What kind of apple did Eve eat?" "How many neurotic people are there in the U.S.?" In Peculiar Questions and Practical Answers, the staff of the NYPL has dug through the archives to find thoughtful and often witty answers to over one hundred of the oddest, funniest, and most whimsical questions the library has received since it began record-keeping over seventy-five years ago. One of The New Yorker's best-known and beloved illustrators, Barry Blitt, has created watercolors that bring many of the questions hilariously to life in a book that answers, among others, the question

“Does anyone have a copyright on the Bible?”

I started writing this book in 1994. That was the year the LORD graciously commissioned me to raise for Him Quality leaders. I started with Ministers' and Pastors' workshop. Training for ushers was the second assignment I handled among the three fold mandates the LORD gave me in 1994. But, no book was written by me back then, neither did I come across any specialized book on Ushers, Greeters and Protocols in one volume, 20 years ago. I have been privileged to conduct Training courses across the length and breadth of Nigeria on Ushering ministry for 20 years. I have interacted with over 400 churches from over 280 denominations in conferences and seminars but I never wrote a book on this topic. Our outfit, Christian Leadership Skills, have been involved in mass training for ushers in churches that counted 120,000 on Sundays with Ushers' workforce of about 4,000. I have written 36 books todate, but none on Ushers, Protocol and Greeters until now. A particular mega church invited us to deliver training for ushers and crowd controllers twice within three months in their headquarters church. Their invitation came a bit late I could not be there physically. I didn't have a book on Ushers or crowd control. Only a manual. Churches get confused on the role of ushers as different from protocol officers. I have witnessed ushers and protocols fight for territories in churches. A particular

File Type PDF Church Usher Training Guide

church head usher insists that he must stay side by side with the protocol officer by the altar, very close to the anointed. There was no book to show where each belong. A particular ministry scrapped the word "Ushers" from the list of ministries. The General Overseer banned the entire ushers from officiating in the length and breadth of the church. His reason? Brethren have the Holy Spirit to direct them. No need for Ushers and the church went on "smoothly thereafter". I had no book to give to the man of God. No book I could give, until 20 years later! Who are Ushers? Who are Protocol officers? Who are Greeters? Who are Traffic Controllers? I didn't write any book to explain. I only explain during workshop session. Now the explanation has become handy.

In my youth I would watch the ushers at church and thought it would be neat to usher. It didn't look hard and I'd get to greet everyone. When I got old enough I volunteered and was hooked. After I was married and moved to the big city, the church I attend was very large, and like most churches they needed ushers. I was promoted very quickly and the responsibility didn't bother me. Then I was drawn to a new daughter church. This was a challenge, a brand new church. I offered what I could. When things got settled I was running one of the services. When the Head ushers spot came open I didn't think I was ready, so I prayed about it. A calmness came over me and I knew then it was what God wanted me
