

Dark Truth The Justice Series Vol 2

'The hugely talented Armstrong delves into a truly shadowy world where honor and morals are set to a different frequency. In Nadia Stafford, she's created an anti-heroine whose motivations are convoluted, yet utterly gripping. Take a walk on the dark side--where contract killers become both the bait and the hunter of a vicious serial killer.' - Romantic Times Book Reviews 'Original, dark, and gritty, with enough humanity to keep you caring about its anti-heroes and enough suspense to keep you turning the pages.' - Cody McFadyen, author of Shadow Man Ex-cop Nadia Stafford has a dark secret. After taking the law into her own hands she was kicked off the force... and entered the shadowy world of guns for hire. She has her own strict code - works only for one crime family, only kills the really bad guys. But when a hit goes tragically wrong, Nadia is devastated. Is it time to leave the business for good? Before she has time to decide, Nadia discovers that her own life is under threat. And worse - that terrifying events from her past may have triggered the attacks. With the help of Jack, her enigmatic mentor, Nadia is forced to upon a dark path - towards the truth and towards her final destiny. With the rush of calamitous events in recent years—the September 11 terror attacks, the Iraq imbroglio, and hurricanes Katrina and Rita—Americans feel themselves to be living in dark times. Trust in one another and in the government is at low ebb. People in public service face profound challenges to the meaning and efficacy of their work. Where can a public servant turn for a public philosophy to sustain practice? Inspired by Hannah Arendt and several other philosophers, *Governance in Dark Times* is the first book to explore the philosophical and value underpinnings needed to guide public servants in these times. Featuring down-to-earth discussions of such issues as terrorism, torture, and homeland security, it suggests ways for people in government to think more deeply, judge more wisely, and act more meaningfully. Camilla Stivers argues that the most urgent requirement in dark times is re-kindling what Arendt called "the light of the public," and offers practical steps for public servants to create spaces for citizen dialogue and engagement in public life. Ideas like "governance of the common ground" and "public service as social hope" will spark discussion and encourage renewed dedication to the work of governing. Grounded in the author's more than thirty years of teaching and administrative practice, *Governance in Dark Times* urges public servants in clear, jargon-free prose to reflect, to understand the world we live in, and to act responsibly, both individually and with fellow citizens.

Alek O'Connell ha promesso: lei pagherà per mano sua. Perché niente è sacro quanto la sua famiglia e lei ha fatto l'errore di tradirla. Ha sempre servito la legge con integrità, determinazione ed equilibrio, in nome del distintivo che porta. Ora, odio e vendetta gli anebbiano la mente. Vuole umiliarla, ferirla, distruggerla. Eppure più la detesta, più la desidera. Sheryl Foster sa di aver sbagliato, ma non aveva scelta. Sa che Alek non è più l'uomo di cui si è innamorata, sa che deve temerlo. Non può fidarsi di lui, ma il suo corpo continua a tradirla e il cuore a sperare ingenuamente. Ma lui non è il suo unico nemico. C'è un passato, celato nel buio, che come un segugio la fiuta, la bracca. Dalla sua parte c'è una verità che potrebbe riscattarla agli occhi dell'uomo che ama. La stessa verità che la incatena a quel passato che non si fermerà davanti a nulla pur di riaverla. La serie è composta da: - Dark Secrets (7 Aprile 2017) - Dark Truth (20 Febbraio 2018) - Dark Revenge (29 giugno 2018) Ogni volume verte su due personaggi principali differenti, ma tutti collegati tra loro. La storia d'amore dei due protagonisti è autoconclusiva, mentre la suspense attraverserà i tre romanzi, pertanto è strettamente consigliata la lettura nell'ordine indicato. * ATTENZIONE * Il romanzo contiene scene di sesso esplicite. Se ne consiglia la lettura a un pubblico adulto e consapevole. Altri romanzi pubblicati di Daria Torresan: *Dangerous Between* (prossimamente nuova versione)

An attempt on the life of the U.S. president during a visit to Manhattan is the first step in a plot involving the recruitment of a network of terrorists, and it is up to Blake Johnson and Sean Dillon to uncover the mastermind behind it all.

Great Caesars Ghost!! A team of Brainiacs! Superheroes and Philosophy is Kryptonite for those super villains who diss the heroes as lightweights! Riddle me this, Batman: How are Gotham City and Metropolis like ancient Athens and modern Paris? Read this sensational book and find out!

This omnibus contains Books 1-3 of the Corps Justice Series: "BACK TO WAR", "COUNCIL OF PATRIOTS", and "PRIME ASSET". Three action thriller books that are sure to keep you turning pages late into the night. Book 1: BACK TO WAR WAR MADE HIM... BUT IT'S THE FIGHT FOR HOME THAT WILL TRULY TEST HIM. The first heart-stopping novel in the USA Today & Amazon million plus copy bestselling Corps Justice thriller series. Navy Cross recipient Cal Stokes returns from war a humble hero, ready to live out his days in peace. If only it were that easy. Evil soon rears its ugly head and plunges the Marine into the fight for his life, casting him into the darkness. When he comes to, he must use his well-honed skills to take the battle to the enemy, to fight for what is right. He must seek his own brand of justice, laws be damned. Book 2: COUNCIL OF PATRIOTS Ex-presidents never retire. Once a patriot... A group of retired politicians join forces to protect America. The Council of Patriots is born. Former Marine Cal Stokes, and his team at SSI, head to Las Vegas, to uncover an invisible enemy that threatens to infiltrate the Democratic National Convention. What is their endgame, and more importantly: Who is the American politician pulling the strings? Book 3: PRIME ASSET What do you get when old enemies return? Nothing good. Nothing good at all... Cal Stokes's good friend, Neil Patel, has disappeared. Following the trail to Jackson Hole, Wyoming, Stokes and his men must find the culprit and rescue their colleague before it's too late. The only problem is that the enemy lies in wait, hoping for a final showdown. If you like Stephen Hunter's Bob Lee Swagger, WEB Griffin's Killer McCoy, Tom Clancy's Jack Ryan, Lee Child's Jack Reacher, Vince Flynn's Mitch Rapp, Ted Bell's Alex Hawke, and Robert Ludlum's Jason Bourne, you will love Cal Stokes. The Corps Justice series has over fifteen books in total and running, plus multiple spinoffs with its most popular characters. The series has earned thousands of five-star reviews and has been downloaded millions of times to Kindles all over the world. Readers are saying... "Cooper got me hooked in the first chapter." "I can't say that I have enjoyed any series as much as this one." "Boy is it hard to work when a book is this good. Hard to go to sleep in time." I asked Corps Justice readers what my books stand for and here's what they said: "Honor, integrity and family." - Adam E. "Truth, freedom and the American way." - Alvah D. "Doing what's right." - Ken S. "Service. Honesty. Dedication." - Vicki M. "Overcoming evil." - Ken J. "Truth and Justice." - Kevin H. "Justice. Teamwork. Love of country." - Sherry C. When asked what authors they read when they're not in C. G. Cooperland, they mentioned David Baldacci, Mike Ryan, Brad Taylor, Ted Bell, Jason Kasper, David Archer, Andrew Watts and Leo J. Maloney. It's great to be associated with such an amazing cast of writers. We're not just a list of books around here. We're a family of readers who come together to share a common bond. Why don't you join us? We'd love to have you. Semper Fidelis, C. G. Cooper

ROMANZO AUTOCONCLUSIVORicchi, potenti e di una bellezza quasi eterea, i fratelli Doko sono "I signori dell'est-Europa". Arroganti, pericolosi e disonesti fino al midollo, non provano pietà, non rispettano le regole e l'unica legge che conoscono è la loro. La sola parola che conta è la loro. Tutti li temono, tutti chinano il capo al loro cospetto. Tranne le sorelle Norik, discendenti dirette della donna più autorevole

e rispettata nell'Europa orientale, nonostante il passato per nulla glorioso. Il loro cognome è sinonimo di potere e protezione. Per loro la legge è al di sopra di tutto, non giocano sporco, non ne hanno bisogno. Ma il loro rispetto va guadagnato e i Doko l'hanno perduto da tempo. C'è un confine invalicabile tra le terre degli uni e delle altre. Due famiglie, due imperi in lotta da sempre per la supremazia. Ma la loro battaglia rischia di portare alla luce troppi segreti. Quanto a lungo possono i protagonisti di questa faida farsi carico dell'antico odio che li separa? Quanto, prima che gli istinti carnali sfocino in una passione travolgente? Perché davanti a un sentimento come l'amore, il cognome che porti non conta nulla. ALTRE OPERE DELLE AUTRICI The Justice series (Dark secrets, Dark truth, Dark revenge) Dangerous Broken

Attenzione: il romanzo contiene scene di sesso esplicite. Se ne consiglia la lettura a un pubblico adulto e consapevole. In our era of mass incarceration, gun violence, and Black Lives Matters, a handbook showing how racial justice and restorative justice can transform the African-American experience in America. This timely work will inform scholars and practitioners on the subjects of pervasive racial inequity and the healing offered by restorative justice practices. Addressing the intersectionality of race and the US criminal justice system, social activist Fania E. Davis explores how restorative justice has the capacity to disrupt patterns of mass incarceration through effective, equitable, and transformative approaches. Eager to break the still-pervasive, centuries-long cycles of racial prejudice and trauma in America, Davis unites the racial justice and restorative justice movements, aspiring to increase awareness of deep-seated problems as well as positive action toward change. Davis highlights real restorative justice initiatives that function from a racial justice perspective; these programs are utilized in schools, justice systems, and communities, intentionally seeking to ameliorate racial disparities and systemic inequities. Chapters include: Chapter 1: The Journey to Racial Justice and Restorative Justice Chapter 2: Ubuntu: The Indigenous Ethos of Restorative Justice Chapter 3: Integrating Racial Justice and Restorative Justice Chapter 4: Race, Restorative Justice, and Schools Chapter 5: Restorative Justice and Transforming Mass Incarceration Chapter 6: Toward a Racial Reckoning: Imagining a Truth Process for Police Violence Chapter 7: A Way Forward She looks at initiatives that strive to address the historical harms against African Americans throughout the nation. This newest addition the Justice and Peacebuilding series is a much needed and long overdue examination of the issue of race in America as well as a beacon of hope as we learn to work together to repair damage, change perspectives, and strive to do better.

In a provocative manner, Bishop Mallory crosses boundaries of orthodoxy and raises some issues not commonly discussed, such as a possible Christian approach to reincarnation, betrayal as a normal part of life, the common thread in all religions, praying for one's enemies by name, and not believing everything you think. In *Other Roads Less Traveled*, he presents a collection of sermons and meditations that ask and answer a wide range of questions: • Who is God to you? • What happens when we die? • What's the meaning of life? • What's the value of prayer? • What's the good of other world religions like Judaism, Islam, Hinduism, Taoism, and Buddhism? • How do we fight a war on terrorism? Practical and down-to-earth, *Other Roads Less Traveled* is a compilation of work derived from fifty years in the ministry. It reflects Dr. Mallory's experiences living and working in more than a dozen third-world countries, including eighteen years in Africa where he and his family lived under the apartheid regime of South Africa and the deadly reign of Idi Amin in Uganda. With the overarching theme of truth and justice, Mallory's messages gather together his many experiences of a worldwide ministry.

i refer to [jet] black: the prelude, volume 1, as a compilation of poetry as a poetic leave in conditioner, thoughtfully crafted to empower our hair damp hair with justice and dry hair with truth. each book in the series is compiled of ripened thoughts [poems] and urgent accords of pulsing appeals recorded to support [condition] and protect the [jet] black woman and her legacy. i recommend you massage the [jet] black conditioner onto damp or dry hair and do not rinse. music is instrumental in my poetry process as certain poems you will find make lovely lyrics and were written with an original melody manufactured from my mind. [book 3], "black diamonds" challenges you to live a life based on truth, never bias or false faith. while prayer can bring you closer to your truth, intermissions in your story, and periods of pauses or waiting can push you to trust your own truth. these poems will help you recognize resilient rocks of truth and your black diamond. diamonds are tough, and so are you. they don't break and neither does truth, so why would you? feel free to discuss these thoughts in solitude or with friends using the questions for discussions at the end of the book.

"Toni's books will make your heart pound and leave you breathless as she takes you on a roller coaster of thrills and danger along with the characters." Kaylea Cross - New York Times and USA Today bestselling author. A journalist searching for the truth about her best friend's death—and the FBI agent who needs her to stop. Disgraced investigative journalist Pip West is devastated when she discovers her best friend's body face-down in a tranquil lake. When cops and federal agents determine that her friend overdosed then drowned, Pip knows they're mistaken and intends to prove it. Special Agent Hunt Kincaid doesn't trust journalists and has no patience for Pip's delusions, especially since her meddling could reveal why the FBI is interested in her friend's last days. The dead scientist worked at the cutting edge of vaccine research and might have a connection to a new, weaponized, vaccine-resistant anthrax strain that just hit the black market. The more Pip digs, the closer she gets to both the sexy FBI agent, and to a bioweapons terrorist who's more than capable of cold-bloodedly sacrificing anyone who gets in his way. A finalist in the New England Readers' Choice Contest for Romantic Suspense! This edition features a brand-new cover. You'll love Toni Anderson's bestselling Romantic Thrillers. This carefully crafted ebook: "The Four Gospels: Fruitfulness + Labour + Truth - Justice (unfinished)" is formatted for your eReader with a functional and detailed table of contents. This volume includes three books intended to illustrate the cardinal principles of human life according to Emile Zola. Originally named "Les Quatre Évangiles" was supposed to consist of 4 novels, but the last novel "Justice" was never completed: Fécondité (1899) Travail (1901) Vérité (1903, published posthumously) Justice (unfinished) "Fruitfulness" is the first of a series of three works in which M. Zola proposes to embody what he considers to be the four cardinal principles of human life. These works spring from the previous series of The Three Cities: "Lourdes", "Rome", and "Paris", which dealt with the principles of Faith, Hope, and Charity. Émile Zola (1840 – 1902), French novelist, critic, and political activist who was the most prominent French novelist of the late 19th century. He was noted for his theories of naturalism, which underlie his monumental 20-novel series Les Rougon-Macquart, and for his intervention in the Dreyfus Affair through his famous open letter, "J'accuse."

Book six in the FBI/Romance Series Julian Littlemoon has finally found the one. Special Agent Tori Christensen completes his heart and soul like no other before her. Rescuing her from the VA, they retreat to his home to help her recover. As she grows stronger, he knows there's only one thing left to do. Marry the girl. Victoria Christensen can never repay him back for saving her heart and soul. Never will there be a man that can replace Julian in her life. He's her all. As the time comes to make her decision on returning to the FBI, the tension is building. Stay with her career? Or stick with a man that gave her a second chance? Before she can decide, a killer has returned to Red River. This time as a Native Skinwalker hell bent on justice his way. The rules are quickly changing, as everyone fights to figure out what's happening around them. When the skinless bodies begin turning up, Julian and Tori are lucky enough to have back up by their sides. In comes the FBI with Callen Whitefox and Elizabeth and Ethan Blackhawk leading the way. They made a promise to Tori once before, and they plan on keeping it. Friends always have your back. The killer has a few secrets of his own, as he gives Julian the surprise of his life. It's all going to come down to friends and family holding strong through the storm as the ugliness shines a light on the Darkness of Truth... WARNING! This series contains sex, violence and language. It isn't for individuals under 18. There are threesomes as sexual situations.

In Joseph de Maistre's Life, Thought, and Influence leading Maistre scholars offer interpretations of his thought and make available in English recent French scholarship on his life and work. They provide a portrait of Maistre as a significant thinker in numerous fields, upsetting the image of him as a backward-looking "reactionary," a reinterpretation furthered by contemporary interest in Counter-Enlightenment thought in general.

Investigating the trail of philosophical leads in HBO's chilling True Detective series, an elite team of philosophers examine far-reaching riddles including human pessimism, Rust's anti-natalism, the problem of evil, and the 'flat circle'. The first book dedicated to exploring the far-reaching philosophical questions behind the darkly complex and Emmy-nominated HBO True Detective series Explores in a fun but insightful way the rich philosophical and existential experiences that arise from this gripping show Gives new perspectives on the characters in the series, its storylines, and its themes by investigating core questions such as: Why Life Rather Than Death? Cosmic Horror and Hopeful Pessimism, the Illusion of Self, Noir, Tragedy, Philosopher-Detectives, and much, much more Draws together an elite team of philosophers to shine new light on why this genre-expanding show has inspired such a fervently questioning fan-base

Superman, Batman, Daredevil, and Wonder Woman are iconic cultural figures that embody values of order, fairness, justice, and retribution. Comic Book Crime digs deep into these and other celebrated characters, providing a comprehensive understanding of crime and justice in contemporary American comic books. This is a world where justice is delivered, where heroes save ordinary citizens from certain doom, where evil is easily identified and thwarted by powers far greater than mere mortals could possess. Nickie Phillips and Staci Strobl explore these representations and show that comic books, as a historically important American cultural medium, participate in both reflecting and shaping an American ideological identity that is often focused on ideas of the apocalypse, utopia, retribution, and nationalism. Through an analysis of approximately 200 comic books sold from 2002 to 2010, as well as several years of immersion in comic book fan culture, Phillips and Strobl reveal the kinds of themes and plots popular comics feature in a post-9/11 context. They discuss heroes' calculations of "deathworthiness," or who should be killed in meting out justice, and how these judgments have as much to do with the hero's character as they do with the actions of the villains. This fascinating volume also analyzes how class, race, ethnicity, gender, and sexual orientation are used to construct difference for both the heroes and the villains in ways that are both conservative and progressive. Engaging, sharp, and insightful, Comic Book Crime is a fresh take on the very meaning of truth, justice, and the American way.

This collection of eighteen chapters by talented philosophical minds probes some of the many lessons to be learned from Orange Is the New Black (mostly the addictive Netflix comedy-drama but with some attention to the best-selling real-life book by Piper Kerman). The show and the book that inspired it both dramatically highlight the troubling, stressful situation of millions of incarcerated Americans. How do the show's shower scenes shed light on the classical mind-body problem? How can we make our lives

meaningful when our options are curtailed by authority? What does it mean to manipulate someone, and why is it bad? What can we learn about the peculiarity of human beliefs from Pennsatucky's notion of the gay agenda? Is Litchfield Prison a preparation for life outside—or just a scale model of life outside? What could the governors of Litchfield learn from Jeremy Bentham and his panopticon? How is it that even in prison we find ourselves condemned to be free? Why is one of the worst things about prison being forced to see who and what we really are? It so happens that life in prison is absolutely full and overfull of philosophical implications. Orange Is the New Black and Philosophy stays close to the characters and scenes of the TV show, applying insights from ethics, existentialism, metaphysics, epistemology, and political philosophy. The book is aimed at thoughtful fans of this amazingly fine TV show, who want to learn more about its disturbing issues.

"A real-life political thriller about an American financier in the Wild East of Russia, the murder of his principled young tax attorney, and his dangerous mission to expose the Kremlin's corruption"--Amazon.com.

Thirty years after the civil rights movement there remains in the black community a destructive pall of anger and hatred fueled by lingering white guilt and exploited by opportunists in the black elite. The eighteen essays in the book take a hard look at a different color of racism, where history is rewritten to fit racial sensibilities and the term "racist" is used to bully people into silence.

After a black ops mission goes horribly wrong, Mack Bolan, forced to wage war on faceless enemies who hide behind the protection of the American flag, must go up against a rogue operative, assassins and a sanitizing force of Area 51 blacksuits, in order to save America from destruction. Original.

The all-star creative team of Peter J. Tomasi (BATMAN AND ROBIN) and Doug Mahnke (JUSTICE LEAGUE) continue the chronicles of the world's most powerful couple. Superman, deprived of most of his power and outed to the world as mild-mannered reporter Clark Kent, is in trouble. Someone is targeting his human friends and hometown. Lana Lang has disappeared. The Kent family home has vanished. And graves have been desecrated within Smallville. With Wonder Woman at his side, Superman flies home to investigate. Frustrated with Wonder Woman's growing vigilance over his weakened state, Superman leaves her behind in an effort to protect her when he realizes that whoever is targeting his friends and family might soon move on to her. But it is Wonder Woman who discovers the key to unlocking the mysteries plaguing Smallville: an imprisoned Lois Lane. Collects SUPERMAN/WONDERWOMAN #18-24.

The Black Church Studies Reader addresses the depth and breadth of Black theological studies, from Biblical studies and ethics to homiletics and pastoral care. The book examines salient themes of social and religious significance such as gender, sexuality, race, social class, health care, and public policy. While the volume centers around African American experiences and studies, it also attends to broader African continental and Diasporan religious contexts. The contributors reflect an interdisciplinary blend of Black Church Studies scholars and practitioners from across the country. The text seeks to address the following fundamental questions: What constitutes Black Church Studies as a discipline or field of study? What is the significance of Black Church Studies for theological education? What is the relationship between Black Church Studies and the broader academic study of Black religions? What is the relationship between Black Church Studies and local congregations (as well as other faith-based entities)? The book's search for the answers to these questions is compelling and illuminating.

i refer to [jet] black: the prelude, volume 1, as a compilation of poetry as a poetic leave in conditioner, thoughtfully crafted to empower our hair damp hair with justice and dry hair with truth. each book in the series is compiled of ripened thoughts [poems] and urgent accords of pulsing appeals [interludes], recorded to support [condition] and protect the [jet] black woman and her legacy. i recommend you massage the [jet] black conditioner onto damp or dry hair and do not rinse for on demand healing and inspiration. music is instrumental in my poetry process as certain poems you will find make lovely lyrics and were written with an original melody manufactured from my mind. For a brief time following the end of the U.S. Civil War, American political leaders had an opportunity—slim, to be sure, but not beyond the realm of possibility—to remake society so that black Americans and other persons of color could enjoy equal opportunity in civil and political life. It was not to be. With each passing year after the war—and especially after Reconstruction ended

during the 1870s—American society witnessed the evolution of a new white republic as national leaders abandoned the promise of Reconstruction and justified their racial biases based on political, economic, social, and religious values that supplanted the old North-South/slavery-abolitionist schism of the antebellum era. A Long Dark Night provides a sweeping history of this too often overlooked period of African American history that followed the collapse of Reconstruction—from the beginnings of legal segregation through the end of World War II. Michael J. Martinez argues that the 1880s ushered in the dark night of the American Negro—a night so dark and so long that the better part of a century would elapse before sunlight broke through. Combining both a “top down” perspective on crucial political issues and public policy decisions as well as a “bottom up” discussion of the lives of black and white Americans between the 1880s and the 1940s, A Long Dark Night will be of interest to all readers seeking to better understand this crucial era that continues to resonate throughout American life today.

"Superbly crafted stories like these are the reason romantic suspense is my go-to genre." -USA Today Enigmatic and aloof FBI profiler Lincoln Frazer falls for a woman hiding dark secrets... When old evidence turns up on a fresh corpse, ASAC Lincoln Frazer is determined it won't delay the execution of a convicted serial killer. But when more young women are brutally slain, it becomes clear—this new killer is intimately familiar with the old murders. After her mother's death, former Army Captain Dr. Isadora Campbell resigned her commission in order to return to the Outer Banks to raise her rebellious teenage sister. But Izzy hides a terrible secret, and it doesn't take long to realize someone knows exactly what she did, all those years ago. Thrust together during the investigation, Frazer and Izzy find themselves reluctantly attracted to one another. The truth about Izzy's past drives Frazer away as he struggles with her deception. The killer strikes again, and now the race is on to save Izzy from the same fate as all the other dead girls. USA Today Bestselling author, Lexy Timms, bring you sexy, sweet romance that'll have you day-dreaming about handsome cowboys all day... He has no shame. Dylan Hill is a born and bred country boy from Kansas. He's never had much use for big cities or fast living. He definitely feels like a fish out of water when he hits New York City, looking for his childhood sweetheart. But it seems Maisy Dee Fowler has made quite a few changes since she left home, starting with her name. Somehow this sweet country girl has become Morvared—model for the sexiest underwear line in the country. Forget college. She's on her way up and has no time to screw anyone who isn't going to further her career. The snow is driving down as Dylan leaves the apartment of his lady love, wanting to erase the images of his naked sweetheart in the arms of another man. He finds himself in Times Square. And it's just his luck his cheating girlfriend is on every billboard. In all her glory. Hard as nails agency executive Bailey O'Brien can't take her eyes off what has got to be the sweetest male perfection she's ever laid eyes on: Dylan, standing in the falling snow with his head tilted back, wearing a denim jacket and jeans, a cowboy hat clutched in one hand. Acting on impulse she slams out of her cab into the blizzard, snaps a picture, and tells him he should be a model. More specifically, HER male model. Dylan thinks the fiery redhead is crazy. But there's something appealing in what she's offering. What if there's a way to beat one spoiled little supermodel at her own game? Revenge is only a contract away—and how hard could it be to pose for a few pictures? Impulsively he signs, having no idea that he's just given himself, body, and soul, to a woman he barely knows. The Corps Justice series has over fourteen books in total and running, plus multiple spinoffs with its most popular characters. The series has earned thousands of five-star reviews and has been downloaded millions of times to Kindles across the globe. If you enjoy page-turning thrillers loaded with twists, brotherhood above all else, a staunch moral code and non-stop action, Cal Stokes and his Corps justice is for you! Readers are saying... "Cooper got me hooked in the first chapter." "One of the absolute best fiction books dealing with military fiction I have read in a very long time." "I can't say that I have enjoyed any series as much as this one." "Boy is it hard to work when a book is this good. Hard to go to sleep in time."

This book presents the first cross-regional analysis of post-transitional justice periods and the conditions that influence states' behaviors. Specifically, the book examines why states that adopt and ostensibly implement transitional justice norms as policies—criminal prosecutions, reparations policies, and truth commissions—fail to follow through with their recommendations. Applying these perspectives to a comparative study of states from Latin America and East Asia—namely, Peru, Uruguay, and South Korea—which accepted and implemented transitional justice norms but took different trajectories of behavior after the implementation of policies, this book contributes to understanding the relationship of norm influence on states and why states change in compliance after norm adoption. The book explores the conditions that contribute or limit the continued respect for transitional justice norms, emphasizing the political interests and transnational advocacy networks' roles in affecting states' policies of addressing past abuses.
