

Donald Trump And Robert Kiyosaki Midas Touch

The most unusual feature of Donald Trump's nationalist and populist campaign for the presidency of the USA was his obsessive use of Twitter. Like other social media, this form of communication has often been assumed to encourage the dissemination of liberal values and the circulation of facts. Trump's tweets, by contrast, formed a constant stream of provocations, insults, conspiracy theories, 'alternative facts' and outright lies. And they helped him win power. Peter Osborne, author of *The Rise of Political Lying and Not The Chilcot Report*, analyses Trump's incendiary mendacity in all its bewildering guises, and shows how this fusion of entertainment and cunningly crafted propaganda has destabilized the world's most powerful democracy.

Rich Dad Poor Dad for College Students customizes and "colleg-itizes" the core teaching and principles of Robert Kiyosaki's international bestseller Rich Dad Poor Dad. Bssed upon the belief that young people today can truly take control of their financial futures and create the lives they choose, Rich Dad Poor Dad for College Students embraces the power of eduction as a starting point in the process of building a life the will free them dependence upon a "job" for income and an understanding of how to make money work for them... as opposed to a life of working for money and living paycheck to paycheck. Robert shares the lessons he learned at a young age from his rich dad and how those lessons — in today's uncertain and volatile economic times — are more important than every before. And why today — in the Information Age, versus the Industrial Age — knowledge is the new money and financial education is the key that can unlock the door to the future of your dreams.

Now mind you, some people do not view it as such. They simply get up every day, go to work, come home, have dinner, maybe read the paper, maybe watch some t.v., maybe work on a hobby, and eventually go to bed only to do it all over again the next day. Then one day, they wake up 40 years later and all of a sudden they realize that they are 65 years old and the best years of their life are now behind them. Well guess what...NO THANK YOU. As for me, and now you, I have found a better way. A way that will not make me as rich as Bill Gates or Donald Trump or Robert Kiyosaki or fill in the blank, but it certainly will allow me to quit the rat race and live life on my own terms. You also can get to a state of financial freedom that will allow you to live life on your own terms as opposed to the terms dictated to you by your J.O.B. Now maybe freedom for you is simply time freedom where you can spend more of your time doing the things you want to do with your family. Well if you follow my teachings, you can reach the level of time freedom that you seek. In this book, I will show you how you can start your very own home based business in your spare time. Remember from above where I said...maybe read the paper, maybe watch t.v., maybe work on a hobby...that's the spare time that I am referring to. Forget all that other stuff and pay attention here. Before you know it, you will have built a nice business for yourself that you can even sell for a tidy sum as you shall see. Eventually, what will happen is that you will start to see a small (maybe even minuscule) amount of money flow into your bank account from your online business. Once this happens, fireworks will start to go off in your head. You will start to say things like "wow, this really works" and "wow, that book I bought by John C. Borg was the real deal" and "wow, who would have thought that you could really make money by working at home part time with an online venture" and "wow, if I work hard enough at this, I really will be able to quit the rat race".

This thrilling page-turner describes the lives of the most controversial men of our era and how they impacted each other. We now realize that the greatest threat to our country can come from within as well as those not in our own country. Can an administration ignore laws and attack democratic institutions without damaging democracy? These shocking revelations are not without some humor to brighten what are otherwise dark and scary truths.

Donald J. Trump is an icon: the very definition of the American success story. President-elect, reality-television star, and developer of some of the planet's most prestigious real estate, he's also become one of the world's wealthiest men. Trump is a living example of how thinking BIG and knowing when to back up your opinions aggressively—regardless of what your critics or opponents might say—can help you maximize your personal and professional achievements. In his first political campaign, Trump defeated his opponents by rallying voters nationwide to "Make America Great Again." For the first time ever, you too can learn Trump's secrets to thinking BIG and kicking ass! Learn: Momentum: the Big Mo. How to get it and how to get it back. Revenge: how and when to get it (and why it's so sweet). "I love you, now sign this!" Why contracts in business and personal life are so important. Real-life stories from people who've applied the think BIG formula in their own lives. These strategies are proven and attested to by those who've learned to think BIG from Donald Trump and found success in their own lives even when the world seems to be against them. Co-authored with Bill Zanker, an entrepreneur who learned these tactics firsthand from Trump, *Think BIG and Kick Ass* shows you how to bring a winning attitude to everything you do.

'Het boek is een must-read, goed geschreven, goed geïnformeerd, up to date - ik heb het één in ruk uitgelezen.' Harm Ede Botje, Vrij Nederland **** 'Overtuigend.' - de Volkskrant 'In zijn biografie belicht hij de schaduwkanten van Trumps carrière, de rechtszaken en controverses.' - Trouw 'Het boek tekent Trump als een rasoplichter met dictatoriale neigingen.' - NRC Handelsblad 'The Making of Donald Trump' van David Cay Johnston is een onthullende visie op Trumps leven en werk. Na de hectische Amerikaanse verkiezingen zit er vanaf 20 januari 2017 een nieuwe president in het Witte Huis: Donald Trump. 'The making of Donald Trump' is een toegankelijke biografie waarin Johnston het verhaal vertelt van een jongen uit Queens die uitgroeide tot een wereldwijde tv-beroemdheid. Trump is een meester in de omgang met de media en een onvermoeibare ondernemer. Maar zijn loopbaan is verre van smetteloos. Door de jaren heen zijn rechtszaken en controverses zijn deel. 'The Making of Donald Trump' biedt een volledig beeld van Trumps leven en werk: van de oorsprong van zijn familiefortuin tot de groei van zijn zakenimperium; van het begin van zijn carrière tot zijn verrassende presidentiële campagne. Puttend uit interviews, financiële gegevens, gerechtelijke documenten en publieke verklaringen uit een periode van tientallen jaren, biedt David Cay Johnston ons een diepgaande blik op de man die door velen onderschat werd en nu president van de Verenigde Staten is. David Cay Johnston is een veelvuldig onderscheiden onderzoeksjournalist, die Donald Trump al jarenlang intensief volgt. In 2001 won hij de prestigieuze Pulitzer Prize. Hij werkte onder andere voor The New York Times en is columnist voor The Daily Beast en USA Today. Voor deze geactualiseerde editie van *The Making of Donald Trump* herschreef hij het nawoord. 'Een treffend overzicht van de carrière van Trump. Johnston, die het vastgoedbedrijf bijna drie decennia heeft gevolgd, schreef een vernietigende aanklacht tegen het creatieve boekhouden van Trump en tegen zijn zakelijke praktijken.' - The New York Times 'Onderzoeksjournalistiek op zijn best.' - USA Today 'Een verwoestende aanval op de Republikeinse presidentskandidaat. Johnston ontwart de knoop van leugens waarop Trumps presidentiële campagne tot nu toe is gebaseerd.' - The Independent

Over the years, President Donald Trump has written many bestselling books, but he has also written shorter essays that

encompass his philosophy about how to live life to the fullest, both personally and professionally. In these pieces, which have been personally selected by Trump for this book, he gives his special perspective in what amounts to an "informal education" about success in business and in life. With a foreword by Rich Dad, Poor Dad, author Robert Kiyosaki, Trump's business acumen is on full display in such essays as: *Keep the Big Picture in Mind *Essays, Assets, and Stephen King *Imagination: A Key to Financial Savvy *Financial Literacy *Think Like a Genius *How to Get Rich Robert Kiyosaki's "Rich Dad Poor Dad" packs a lot of concepts into a short space; if it's been awhile since you read the book or if you just need a quick refresher, let us help. En Queremos que seas rico, dos exitosos empresarios, Donald Trump y Robert T. Kiyosaki, brindan consejos para todo aquel que acaba de comenzar su propia empresa y quiere triunfar. De Robert T. Kiyosaki, autor de los bestsellers: Padre Rico, Padre Pobre, el libro #1 de finanzas personales de The New York Times por más de seis años; Niño rico, niño listo, Segunda oportunidad, entre otros. Donald Trump y Robert T. Kiyosaki se unen para decirle a los emprendedores cómo ser exitosos. No es necesario tener dinero para resolver los problemas financieros, éstos sólo se solucionan con una educación financiera adecuada. Es imprescindible que las personas adquieran conciencia sobre su futuro económico y no esperen que dependa de sus gobiernos, sus empleadores o sus familias. En este libro, dos exitosos empresarios y educadores hacen mancuerna para abordar este desafío y ofrecer respuestas contundentes y claras a las preguntas que todo emprendedor se formula antes y después de iniciar una empresa: cómo volverse rico; cómo invertir para ganar; cuáles son las ventajas de los inversionistas que los ahorradores no poseen y cómo elegir el campo de inversión apropiado.

In The Business of the 21st Century, Robert Kiyosaki explains the revolutionary business of network marketing in the context of what makes any business a success in any economic situation. This book lends credibility to multilevel marketing business, and justifies why it is an ideal avenue through which to learn basic business and sales skills... and earn money.

een schokkende reconstructie van Trumps eerste termijn als president door twee topjournalisten met ongeëvenaarde toegang tot het Witte Huis In 2020 gaan de Amerikanen weer naar de stembus om een president te kiezen. Wat zou nog vier jaar Trump betekenen? Philip Rucker en Carol Leonnig nemen afstand van de dagelijkse waan van breaking news en Twitter voor een reconstructie van de eerste ambtstermijn. Op basis van meer dan 200 bronnen in en om het Witte Huis wordt een schokkend beeld geschetst van de dagelijkse gang van zaken in het Oval Office en van Trumps ontmoetingen met buitenlandse regeringsleiders. Terwijl het onderzoek van Robert Mueller over Russische inmenging en de impeachment van het Huis van Afgevaardigden boven Trumps hoofd hangen, proberen zijn ambtenaren voortdurend de veroorzaakte rommel op te ruimen. De auteurs geven een verhelderend beeld van de unieke invulling die Trump heeft gegeven aan het presidentschap. Volgens hen is het een vergissing om deze slechts als chaos te beschouwen. De pogingen van Donald Trump om de Amerikaanse instituties en internationale bondgenootschappen op de proef te stellen, zijn succesvoller dan verwacht. Philip Rucker is chef verslaggeving over het Witte Huis bij The Washington Post en versloeg eerder de verkiezingen van 2012 en 2016 en de regering-Obama. Carol Leonnig is onderzoeksjournalist bij The Washington Post, waar ze sinds 2000 werkt. In 2015 won ze de Pulitzerprijs voor haar artikel over wangedrag bij de Geheime Dienst en in 2017 (samen met Rucker) voor Ruslands inmenging tijdens de presidentsverkiezingen van 2016. Beiden zijn vaste gasten bij tv-zender MSNBC.

In How Come That Idiot's Rich and I'm Not? bestselling author Robert Shemin reveals for the first time the inner-circle secrets of the mega-wealthy. Have you ever wondered why some people attract wealth while others stay financially trapped and in debt? The key is wealth-friendly, upside-down thinking. Stick with all the old moneymaking rules and stay broke. Break them and get rich. This is the book that shows you how. We've all read about the college kid who made millions on a brainstorm, or the couple who made a fortune in real estate, or the guy in his thirties who waved good-bye to his boss and now lives on his investments. But until now, how they did it—the rules they followed or flouted, the tricks they stumbled on—have remained a mystery. That's about to change. Whether you've been trying to get rich but haven't quite made it yet, or just need the confidence to dream big, this is the book for you. As experienced as Shemin is at showing high-net-worth individuals how to get richer, his real love is helping self-described "financial disasters" earn millions. And he uses his own odds-defying story to illustrate the outside-the-box thinking that gets the job done. Here, you'll learn how to:

- set only one powerful success goal—and make it a big one
- play while your money goes to work
- stop building someone else's business and start building your own
- live and think like a millionaire while you're becoming one
- use the power and "smarts" of other Rich Idiots to help you join the Rich Idiot Club
- add OPI (other people's ideas), OPT (other people's time), and OPE (other people's experience) to do less and make more
- tap into timeless secrets that unlock the energy and spiritual power of money

Learn which three assets you must own to become a Rich Idiot and how to obtain them with little or no money of your own. Learn why Rich Idiots outearn almost all the so-called wealth experts and how you can, too. Above all, learn how doing just one thing a day will bring you to your big goal. In this book, the first to show you what it really takes to achieve financial abundance, Shemin illustrates in a fun, witty way how going against the grain is, in fact, the surest way to gain. Spend just a few pages with Robert and his Rich Idiot friends and you'll be convinced that "if they could do it, I can do it."

It can be hard for busy professionals to find the time to read the latest books. Stay up to date in a fraction of the time with

For the first time, two of the worlds most successful and influential entrepreneurs will share their own Midas Touch secrets. Secrets that will inspire you to find and fulfill your passion as well as provide you with the hands-on guidance you need to be successful.

Just a couple of years ago I didn't think that everybody can be rich, successful and loved, but you can. And from that wakeup call I wrote this book. The journey to become rich, successful and loved begins here. You will have a good understanding of the mindset of successful people, you will learn how to attract success and on the same time have a great private life. The stories in this book is based on interviews and meetings with people that I look up to and experience from my own life. - Hans Johansson

" The illiterate of the future are not those who can't read or write but those who cannot learn, unlearn, and relearn." - quote by Alvin Toffler What clearly he meant is that we need to learn and unlearn as we continue to stay updated with what that works and those that no longer works Much has changed since the baby boomers days ,including the path of staying ahead in today's digital age. To succeed from now , one must learn to accept the constant change to adaptation – continually unlearning old 'rules' and relearning new ones. That requires continually questioning assumptions about how things has changed , un-valid old paradigms, and 'relearning' what is now relevant to pursue in acquiring your wealth. This book is filled with excellent ideas and concepts of daily struggle to understand money science. There is a lot here in this book that can help an individual move toward financial freedom through understanding money and the mindset required to become wealthy, of which means you need to know what it is that separates the wealthy from the Not-so wealthy. What you need to know and identify with is what principles and what behavior the rich have , and that you need to relearn . Some of which , You have not taken action to Unlearn yet ,to stay Current and Get Ahead " Happiness that Money brings cannot last " , With Money ,People cannot necessarily materialize everything , However without money many things cannot be done Accumulation of wealth with the pleasure to have comfort , luxuries , reputable status , financial influence, freedom and popularity are what money usually can help to achieve , its provides a centralized role in our lives , at a general necessity stage level as it helps to clothe and feed us ,to put a nice accommodation for stay and pay the bills. Money may not be everything, they may not even guarantee a happy life, but they are a pretty good basis to learn how to build happiness on ... for now I highly recommend this book to anyone who'd like to ignore the fluff available on the Internet and take action now. Now that being said, this book assumes you know about the basics like Cash Flow, budgeting, etc. It doesn't talk about investment mediums like stock market, bond, etc. And the best part is that unlike many books, this book tells you not to lead a frugal life

In a world where too many financial advisors do not follow their own advice, here is a book written by experts who practice what they teach and who will teach you to thrive, not merely survive, during turbulent economic times. This is the real deal... The Real Book of Real Estate. The only thing better than one real estate expert teaching you how to invest and win is 20 real estate experts with that same mission. For the first time ever, Robert Kiyosaki, best-selling author of Rich Dad Poor Dad, has assembled in one book an unrivaled cast of real estate wizards and trusted advisors with one purpose in mind: to share their knowledge and teach you to win in real estate. This is the ultimate real estate book you will come back to again and again. Read it cover to cover, or use it as a guide to help when you need it most. The Real Book of Real Estate will be your #1 source as you determine the real estate niche that is perfect for you and as you navigate the ups and downs of the real estate market and become the expert you know you can be. Whether you're a seasoned investor or buying your first property, this is the one book you can and will read over and over. Robert's team of real experts shows you how to: value a property, lease a property and keep it leased, get financing, title and protect entities, find hidden investment opportunities, minimize taxes and establish your own team of advisors.

This book examines the resurgence of anti-Native Americanism since the start of Donald Trump's bid for the US Presidency. From the time Trump announced his intention to run for president, racism directed towards Native Americans has become an increasingly visible part of cultural and political life in the United States. From the completion of the Dakota Access Pipeline to the controversies surrounding Elizabeth Warren's identity, to open mockery by teenagers wearing MAGA hats, anti-Native Americanism is now at its most visible in the United States since the early twentieth century. This volume places this resurgent anti-Native Americanism into an appropriate contemporary context by demonstrating how historical forces have created the foundation upon which many of these controversies are built. Chapters examine three key processes in US history and how they have shaped today's political climate: violence as a force of attitudinal change; the root issues at the heart of Native American identity politics; and the dismissal of modern
