Pump up your profits on eBay®! When many eBay® sellers run out of items to sell, they often head straight to the outlet malls looking for super sales, or go to trade shows, or shop online liquidation sites looking for larger quantities of items, sometimes purchasing pallets of product. Only then do they discover their problem: the items they just purchased are selling on eBay® for less than what they paid! Now they no longer have to repeat this pattern with costly hit-or-miss results. In this guide, an eBay® PowerSeller shares the proprietary product selection and evaluation methodology he has developed based on seven years of professional eBay® selling, instructing, and consulting. In eBay® Rescue Profit Maker, readers learn how to: - Determine what to sell - Determine the reputable product suppliers - Create enticing listings and use advanced listing techniques - 'Spy' on their competition - Provide superior customer service - Expand and improve their customer base

Use the tips and guidelines and with time, you can become the owner of a successful business empire, all through the incredible power of eBay! Here is some BAD news first; trying to make money on eBay selling Brand Name products is NOT the way to make money! Here's why, even if you could manage to locate a source of genuine products you would have to spend \$1,000's just to get enough discount to make even a small profit. You see there are just too many sellers competing for the same business. Brand name products are just too expensive to buy, the margins are slim and there is too much competition. There must be an easier way to make money? Well there is, the market for non branded and private label products on eBay is huge and this approach works in any market, it costs a tiny amount to set up and the profit margins are outrageous and it is much easier than most people would believe. In this comprehensive book I show you step by step how to build your own eBay empire selling Private Label and Non Branded stock. The profit margins on private label products and non branded products are massive. The Advantage Of Private Label Products Are: • No one can directly compete with you as you own the brand. • Your customers will know where you sourced product from. • Private labelling is widespread across many industry sectors as is none branded products. • Small minimum orders allow us to test products for a tiny risk. • You can build an entire business using Private Label & Non Branded Products • Compete with household name products at a fraction of the price of stocking branded items. • You are almost always dealing directly with the manufacturer so no wholesalers cut. As no one is selling exactly the same product as yourself and no one will know where you bought it from, you can sell at your own price. I even provide a list of Private Label Suppliers and Manufacturers who stock a massive range of product that you can sell in multiple niche markets these are the exact same sources I use in my eBay businesses. This is your COMPLETE blueprint to building your own profitable eBay business on a shoestring and making outrageous profits.

Want to know how best to use eBay? Whether you're a newcomer or longtime user, eBay Hacks will teach you to become efficient as both a buyer and seller. You'll find a wide range of topics, from monitoring the bidding process, getting refunds, and fixing photos so that sale items look their best, to in-depth tips for running a business on eBay and writing scripts that automate some of the most tedious tasks.
