The fifteen tests in this book are designed to be used either with a teacher or for self-study. In a classroom situation, teachers can use the tests for general revision / consolidation purposes. Students working on their own can also test their knowledge of vocabulary and grammar while checking their answers in the answer key. Each test consists of 5 exercises, making a total of 35 questions. Exercise 1 tests knowledge of key grammar points in a multiple-choice format. Exercise 2 requires students to identify and correct a mistake. Exercise 3 is a classic cloze, testing knowledge of grammar and vocabulary in the context of a short text. Exercise 4 consists of 5 multiple-choice vocabulary questions. Exercise 5 requires students to write the missing word in a sentence (the first and last letters are given).The grammar points and the vocabulary items are all based on the B1 level syllabus as defined by the Common European Framework on Languages.

Learn and practice proven multiple choice strategies for paragraph comprehension, English grammar, word problems and Basic Math! "Testing Your grammar is still the most comprehensive review of the grammatical structures of English and is excellent practice for students taking English language proficiency exams. Testing Your Grammar covers the major aspects of English grammar - count and noncount nouns, agreement, verb tenses, modals, comparisons, complex clause structures - that ESL students need to master in order to improve their English." "Each unit contains a pretest, a grammar explanation, exercises (mostly multiple choice and error recognition), and a final test (except in Unit 11). A review test is found at the end of every two units. At the end of the book, there are four examinations that can be used for either pretesting or posttesting."--BOOK JACKET.

The first of its kind, 100 Clear Grammar Tests contains 100 photocopiable tests, written to test students' comprehension of the most essential beginning and intermediate ESL grammar points. The tests are arranged by topic in a sequence that matches the one found in the Clear Grammar series but can also be used with other grammar series on the market. The tests contain a wide array of question types, including matching, multiple choice, error location and correction, completion, connecting sentence parts, rearranging word order, grammatical identification, and true/false. Clear Grammar is a three-book grammar series for students at the beginning and intermediate levels. The Clear Grammar series teaches basic grammatical concepts, provides ample speaking and writing practice in grammatical structures, and serves as a grammar reference that is written with language and terms that students can understand without teacher assistance.
