Three days before Christmas in 1831, Frankie Silver killed her husband, Charles Silver, with an axe and burned his body in the fireplace. Author Perry Deane Young, whose ancestors were involved in the case, began collecting material about it as a teenager. As a college student, he was astounded to learn that most of what he had been told was actually false. Abused by her husband, Frankie killed in self defense. The laws of that time would not allow her to take the stand and explain what happened. She was unjustly hanged in July of 1833. Young proves the real crime is the way this poor woman has been misrepresented by balladeers and historians all these years. Perry Deane Young provides important historical background to this fascinating story. Young is able to build suspense, even for a story many of his readers may already know. By personalizing both Frankie Silver's story and his own search for it, Young has given readers an interesting and well-written book about history and the way it is created. --Lynn Moss Sanders in Appalachian Journal Most of my life I've heard stories about a pretty mountain lady who was hanged for nothing more serious than murdering her husband. Here, and I can say at last after one and a half centuries, is the true account, thoroughly researched and beautifully presented. It's a highroad journey into this Appalachian mystery. --John Ehle, author of The Land Breakers, The Road, The Journey of August King New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. The Magic Strings of Frankie Presto by Mitch Albom | Summary & Analysis Preview: The Magic Strings of Frankie Presto by Mitch Albom is a novel about the fictional musician Frankie Presto and his amazing journey through music and life. Frankie's life story is told from the perspective of music, a fictional narrator. This is fitting, given that Frankie was one of the world's greatest guitarists. The story, however, begins at its end: Frankie has died during a music festival. During a performance, his body levitates and then drops to the stage. The novel opens at Frankie's funeral, where music-industry figures—including nonfictional musicians such as Lyle Lovett and Ingrid Michaelson—have gathered to pay their respects and share their thoughts about the deceased guitarist. Music, the narrator, uses the opportunity of the funeral to reflect on Frankie's life... PLEASE NOTE: This is a summary and analysis of the book and NOT the original book. Legendary jockey, Frankie Dettori, shares his remarkable life story in this astonishingly intimate autobiography.

Dinah and her sister Lisa are growing up in 1950s South Africa, where racial laws are tightening. They are two little girls from a dissenting liberal family. Big sister Lisa is strong and sensible, while Dinah is weedy and arty. At school, the sadistic Mrs Vaughan-Jones is providing instruction in mental arithmetic and racial prejudice. And then there's the puzzle of lunch break. 'Would you rather have a native girl or a koelie to make your sandwiches?' a first-year classmate asks. But Dinah doesn't know the answer, because it's her dad who makes her sandwiches. As the apparatus of repression rolls

Drie topauteurs bundelen hun krachten. Het resultaat: chicklit met diepgang. Hartsvriendinnen Jesse en Vicks werken bij hetzelfde restaurant. Als Jesse te horen krijgt dat haar moeder een knobbel in haar borst heeft, weet ze niet hoe snel ze de narigheid moet ontvluchten. Ze stelt Vicks voor om samen op reis te gaan. Collega Mel mag zich bij hen aansluiten, op voorwaarde dat ze de trip betaalt. Alledrie stappen ze zo met hun eigen redenen in dit avontuur. Liefdesperikelen zijn uiteraard volop aan de orde en de vriendschap tussen Jesse en Vicks wordt flink op de proef gesteld, maar ook zwaardere onderwerpen worden niet geschuwd. De roadtrip brengt de meiden wellicht niet wat ze er in eerste instantie van verwachtten, maar brengt hen wel dicht bij elkaar. When a local mob boss calls in an old favor, Frank Machianno, the middle-aged owner of a bait shack on the San Diego waterfront, is forced to return to his old job as a hit man, and discovers that someone from his past wants him dead.

Frankie is smart, sharp, funny . . . and possibly a criminal mastermind "As a girl, Frankie knows she is supposed to play by the rules, but the rules were made by Old Boys for boys and therefore are not her rules to begin with." - THE NEW YORK TIMES So Frankie Landau-Banks decides to take matters into her own hands, outsmarting the secret all-male society at her rich kid boarding school by tricking the members, including her own boyfriend, into believing her increasingly outrageous commands are their leader's.

Undaunted by her male peers, Frankie contests the old-fashioned idea that it's the boys who rule the school proving that girls are not to be dismissed - even by her own father, a former member of the all-male society himself! Witty and sharp from the author of *We Were Liars*, this book will "challenge girls' images of themselves, who they are in relation to boys and why." - THE NEW YORK TIMES

This is Frankie San's story. Born in Tokyo to a Buddhist family, Frankie San's childhood was marked by sickness and quarantine, parental divorce, and fighting for Japan in WWII at 14 years of age. Experiencing major depression, he tried to end his life – but God had a better plan. Light filled Frankie San's heart and soul after an American missionary introduced him to Jesus Christ. Through miraculously opened doors, Frankie San traveled to the United States to attend seminary. He overcame cultural and language barriers and prayed for

direction for his future. Direction came in the form of busses filled with prisoners. When Frankie learned where the busses took their prisoners, he surprised the director with his request to visit the prison and perplexed him when he wanted to remain. What happened next was incredible love confirmed by action, as Frankie literally believed and followed through on those famous words from Scripture: Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me (Matthew 25:40). Frankie San's life and testimony is unique, heartwarming, and inspiring. You'll be challenged to love those who can give nothing back, to truly trust Christ as you follow Him, and to persevere despite overwhelming odds. If it's not too late for prisoners on death row, it's not too late for you and me. Follow me, said Jesus, and I will make you fishers of men.

Ruby kan het bijna niet geloven: ze heeft een vriend! Eentje die uit zichzelf langskomt, haar briefjes en emails schrijft en zelfs croissants voor haar bakt. En hij kan nog fantastisch zoenen ook. Ruby heeft het gevoel dat ze in een romantische film is beland. Maar welke film duurt eeuwig? In de zomer gaat Ruby's vriend Noel op vakantie naar zijn broer in New York. Ruby en Noel hebben dagelijks contact, maar plotseling laat hij niets meer van zich horen. Zelfs niet op haar zeventiende verjaardag! Wanneer hij terugkomt, doet Noel alsof er niets aan de hand is. Ruby begrijpt er niks van: is hij nu wel of niet haar vriend? Als de onweerstaanbare broer van haar vriendin Nora vraagt of ze mee gaat waterskiën, is de verleiding dan ook erg groot. Voor ze het weet, heeft Ruby ja gezegd en haar liefdesleven in een puinhoop veranderd. Is ze Noel nu voorgoed kwijt? En wat is er in New York gebeurd?

"Ten million thalidomide pills had already been produced for distribution in the United States when it was first submitted to the FDA for approval. The morning sickness wonder drug had been approved for sale in Germany, Canada, and the UK, and the drug's distributors assumed that it would be no different in the United States. The answer they received was unexpected and firm: it needed more testing. It later came to light that thalidomide was causing severe birth defects throughout the world, and that Frances Kelsey, the FDA pharmacologist who had denied the drug's approval, was

It's an incredible story of integrity in the moment of truth, of the power of humble courage, and of hundreds of thousands of lives saved by an ordinary woman."

New York Times Bestseller A tale of joy, heartbreak and hope, about a motherless girl collectively raised by a close-knit Dublin community. When Noel learns that his terminally ill former flame is pregnant with his child, he agrees to take guardianship of the baby girl once she's born. But as a single father battling demons of his own, Noel can't do it alone. Fortunately, he has a competent, caring network of friends, family and neighbors: Lisa, his unlucky-in-love classmate, who moves in with him to help him care for little Frankie around the clock; his American cousin, Emily, always there with a pep talk; the newly retired Dr. Hat, with more time on his hands than he knows what to do with; Dr. Declan and Fiona and their baby son, Frankie's first friend; and many eager babysitters, including old friends Signora and Aidan and Frankie's doting grandparents, Josie and Charles. But not everyone is pleased with the unconventional arrangement, especially a nosy social worker, Moira, who is convinced that Frankie would be better off in a

Carry On Sergeant (1958) and finishing up with the much-maligned sex farce Carry On Emmanuelle (1978), producer Peter Rogers and director Gerald Thomas tossed off a record-breaking thirty films, all with that unique 'naughty but nice' seaside postcard-style humour. A team of spot-on comedy performers, headed by Kenneth Williams, Sid James, Charles Hawtrey, Hattie Jacques and Kenneth Connor, provided the great unwashed public with brain-achingly corny gags, ridiculous slapstick antics and seminal scenes of mayhem and speeded-up chicanery that would have brought a smile to the most jaded of palates. What's in it? Every film examined in detail, with full cast and crew listing, key scenes and dialogue gems, and an informed critique; brief biographies of the major players, TV shows and theatre plays; appendices that include an exhaustive bibliography and an overview of the best Carry On websites around; all rounded off with a fiendish quiz on all things Carry On.

In the early days of swing dancing, Frankie Manning stood out for his moves and his innovative routines; he created the "air step" in the Lindy hop, a dance that took the U.S. and then the world by storm. In this fascinating autobiography, choreographer and Tony Award winner (Black and Blue) Frankie Manning recalls how his first years of dancing as a teenager at Harlem's Savoy Ballroom led to his becoming chief choreographer and a lead dancer for

"Whitey's Lindy Hoppers," a group that appeared on Broadway, in Hollywood musicals, and on stages around the globe. Manning brings the Swing Era vividly back to life with his recollections of crowded ballrooms and of Lindy hoppers trying to outdo each other in spectacular performances. His memories of the many headliners and film stars, as well as uncelebrated dancers with whom he shared the stage, create a unique portrait of an era in which African American performers enjoyed the spotlight, if not a star's prerogatives and salary. With collaborator Cynthia Millman, Manning traces the evolution of swing dancing from its early days in Harlem through the post-World War II period, until it was eclipsed by rock 'n' roll and then disco. When swing made a comeback, Manning's 30-year hiatus ended. He has been performing, choreographing, and teaching ever since.
