Practice makes perfect with Saunders Q&A Review for the NCLEX-RN(R) Examination, 8th Edition. This popular review offers more than 6,000 test questions, giving you all the Q&A practice you need to pass the NCLEX-RN examination! Each question enhances review by including a test-taking strategy and rationale for correct and incorrect answers. Questions are organized to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. Q&A practice is also provided on the Evolve companion website, with many study and testing options - including an option to select practice questions by health problem/medical diagnosis. From the most trusted names in NCLEX review, Linda Anne Silvestri and Angela Silvestri, this resource is part of the popular Saunders Pyramid to Success. Detailed test-taking strategies for each question provide clues for analyzing and selecting the correct answer. Comprehensive rationales are provided for both correct and incorrect answer options. Chapters organized by Client Needs reflect the latest NCLEX-RN test plan. Evolve companion website includes more than 6,000 questions with robust study and self-testing options. A 75-question pre-test generates a study calendar to guide your exam preparation. Questions on the Evolve companion site may be sorted by cognitive

ability, NCLEX client needs area, content area, integrated process, health problem, priority concept, strategy, or alternate item format to help you focus on the question types you find most difficult. A 75-question post-test helps you evaluate your progress. All alternate item question types are represented, including multiple response, prioritizing/ordered response, fill-in-the-blank, illustration/hot spot, chart/exhibit questions, graphic option, questions incorporating audio, case studies, and Next-Generation NCLEX-style question types. A Priority Nursing Tip for each question highlights need-to-know patient care information. Introductory chapters cover preparation guidance for the NCLEX-RN and the computerized adaptive testing (CAT) format, nonacademic preparation, test-taking strategies, and the NCLEX-RN from a new graduate's perspective. Three audio reviews on the Evolve companion website cover acid-base balance, fluids and electrolytes, and pharmacology. Appropriate for all test takers in the US and Canada - includes metric, SI, and imperial units, as applicable. Questions written at higher cognitive levels (applying, analyzing, synthesizing, evaluating, and creating) correspond to the NCLEX, where most items are written at the application level or higher. NEW! Thoroughly updated questions reflect the latest NCLEX-RN test plan. NEW! Clinical Judgment Situations include unfolding Next-Generation NCLEX-

style case studies and question types with answer guidelines on the Evolve companion website. NEW! Clinical Judgment/Cognitive Skills labels help you recognize the new clinical judgment thought process behind Next-Generation NCLEX-style questions. NEW and UNIQUE! A tear-out bookmark insert allows you to cover the answer column and includes a list of the top 10 test-taking strategies.

available, Mosby's Review Questions for the National Board Dental Hygiene Examination includes both a print book and companion website to prepare you for exam success. In the book, you'll review with more than 1,250 Component A practice questions - with each answer including a rationale for both correct and incorrect answer options. Online, you can review the same questions plus an additional 420 case-based items related to Component B in 1) practice mode or 2) timed, exam-simulation mode with randomized tests that match the number and distribution of questions on the NBDHE. From a team of dental hygiene experts including lead editor Barbara Bennett, this Q&A resource is an excellent supplement to any NBDHE content review book! More than 1,680 multiple-choice questions provide comprehensive practice spanning the entire NBDHE, with 1,250+ items relating to Component A - more than six times the number of questions on the actual exam! - and 420 case-based questions related to Component B. Rationales accompany each question, fully explaining why each answer choice is either correct or incorrect and thus serving as secondary content review. Distribution of questions matches each category on the NBDHE test specifications, ensuring that you have adequate practice for each content area. An Evolve companion website includes all 1,250+ questions from the book plus additional case studies with color images and accompanying questions, available either in practice mode with instant feedback or in exam-simulation format with results and feedback provided at the end of the exam. A test creator and timer on Evolve generates

NBDHE-style tests that mimic the number and distribution of questions on the NBDHE and also provides realistic practice with time management during the exam. 16 detailed case studies on Evolve, each of which includes a patient medical/dental history, completed periodontal chart, oral radiographs, clinical photographs, and 20-35 multiple-choice questions for patients in the five main categories covered on the NBDHE (adult periodontitis, pediatric, geriatric, special needs, and medically compromised). References to text sources make it easy to review or find more information on specific topics.

RN(R) 2016 Test Plan Assure your mastery of maternal and newborn nursing knowledge while honing your critical-thinking and test-taking skills. An easy-to-follow format parallels the content of your course, topic by topic, resulting in maternal and newborn content made manageable. The 3rd Edition of this popular resource features approximately 1,300 multiple-choice and alternate-format questions that reflect the latest advances in maternal-newborn nursing and the latest NCLEX-RN(R) test plan.

Rationales for both correct and incorrect answers as well as test-taking tips help you critically analyze the question types. You'll also find a wealth of alternate-format questions, including fill in the blank and select all that apply (SATA). See what students are saying online about the previous edition... Couldn't have gotten through without you! "This book was my lifeline. The way the questions are worded prepared me for how the tests were going to be and by studying the rationales as well, I was able to critically think through the questions I wasn't sure of. No lie, I wouldn't have made it through without this book and the peds one as well. One key advice, don't just ask and answer, really study the rationales because they

are the key to the tests." Worth its weight in gold! "I am currently using this for my maternity rotation. If you need practice questions for exams, this is the book for you! My plan is to use the hard copy for the semester and the online questions for the final. I have an A so far because of this book!" Questions about content?
