In het Mississippi van de jaren zestig wordt aan zwarte vrouwen wel de opvoeding van blanke kinderen toevertrouwd, maar niet het poetsen van het tafelzilver. Drie vrouwen zijn het allesbepalende racisme meer dan zat en besluiten dat de verschillen tussen hen minder belangrijk zijn dan de overeenkomsten. For readers of Kara Thomas and Karen McManus, an addictive, twisty crime thriller with shades of *Serial* and *Making a Murderer* about a closed local murder case that doesn't add up, and a girl who's determined to find the real killer--but not everyone wants her meddling in the past. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. This is the story of an investigation turned obsession, full of twists and turns and with an ending you'll never expect. "Fun, gripping, and skillfully constructed." --Emily Arsenault, author of *All the Pretty Things*

All Faithful People was first published in 1983. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. In 1924 Robert and Helen Lynd went to Middletown (Muncie, Indiana) to study American institutions and values. The results of their work are the classic studies *Middletown* (1929) and *Middletown in Transition* (1937). In the late 1970s a team of social scientists returned to Middletown to gauge the changes that have taken place in the fifty years since the Lynds' first visit. The Middletown III Project, by replicating the earlier work, in some cases by using the same questions, provides an unprecedented portrait of a small American town as it adapts to changing times. Its first report, *Middletown Families*, was published by Minnesota in 1982. This book explores the role of religion in the life of Middletown. Using the Lynds' magnificent cache of empirical data as a base, social scientists on the Middletown III Project attempted to gauge

how religious beliefs and practices have changed. For the most part, their findings show that the current perception of a trend toward a more secular society is not true. In Middletown, religion seems to be more important than ever. All Faithful People also covers the history of Middletown's churches, the differences between the town's Protestants and Catholics, religious participation among young people, and the role in Middletown life of private devotions and public rituals. In conclusion, the authors of All Faithful People evaluate Middletown as a representative community. They attempt to explain the myth of the death of organized religion, and briefly compare religion in America to religion in other Western countries. Fifty years after the Lynds first made Middletown famous, a team of social scientists returned to find out how American values have changed. This, their second report, focuses on religion. What does religion mean to Middletown today? Has America become a secular society? Those are some of the questions discussed in All Faithful People.

THE PORTLAND SPY RING was one of the most infamous espionage cases from the Cold War. People the world over were shocked when its exposure revealed the shadowy world of deep cover KGB 'illegals' - spies operating under false identities stolen from the dead. The CIA's revelation to MI5 in 1960 that a KGB agent was stealing crucial secrets from

the world-leading submarine research base at Portland in Dorset looked initially like a dangerous but contained lapse of security by a British man and his mistress. But the couple were tailed by MI5 'watchers' to a covert meeting with a Canadian businessman, Gordon Lonsdale. The unsuspecting Lonsdale in turn led MI5's spycatchers to an innocent-looking couple in suburban Ruislip called the Krogers. But within weeks the CIA rang the alarm - their critical source of intelligence was to defect within hours - and MI5 was forced to act immediately. The Krogers were exposed as two of the most important Russian 'illegals' ever, whom the Americans had been hunting for years. And Lonsdale was no Canadian, but a senior KGB controller. This astonishing but true story of MI5's spychunt is straight from the world of John le Carré and is told here for the first time using hitherto secret MI5 and FBI files, private family archives and original interviews. Its tentacles stretch around the world - from America, to the USSR, Canada, New Zealand, Europe and the UK. DEAD DOUBLES is a gripping episode of Cold War history, and a case that fully justified the West's paranoia about infiltration and treachery.

Memories of it may flounder in the fog of passing years, or be consumed by the blaze of more persistent, lasting love. Whether it was ecstasy or agony, does a first love ever lose its power? Does sunlight truly obliterate fog, or does it merely push it aside until it is merely the shadows? Renita Vander Voon never expected to be asking these questions, but then her first-love reappeared. "Nothing in my life goes untouched by my husband's calling." Christine Hoover's words in the first chapter describe so well the life of a church planter's wife, which is enormously difficult yet extraordinarily rewarding. To be married to a church planter is a calling of its own with a richness of its own. In *The Church Planting Wife*, Hoover explores and encourages the hearts of her readers while teaching what it means to have heart prepared for this unique ministry. She knows the challenges: A church planter's wife must develop a job description, be a wise helper to her husband, develop friendships within the church and community, deal with stress and discouragement, handle wounds, and more. Christine speaks candidly about these challenges while urging readers to grow a heart that wholly reflects Jesus. Spread throughout these pages are stories and interviews from church planting wives. Christine Hoover empathetically and pointedly builds from these testimonies to uplift the reader and offer lessons of hope in the midst of a challenging ministry.
