NEW YORK TIMES BEST SELLER • SHORTLISTED FOR THE BOOKER PRIZE • A TODAY SHOW #ReadWithJenna BOOK CLUB PICK • The unforgettable story of a daredevil female aviator determined to chart her own course in life, at any cost—Great Circle “soars and dips with dizzying flair ... an expansive story that covers more than a century and seems to encapsulate the whole wide world” (Boston Globe). “A masterpiece ... One of the best books I’ve ever read.” —J. Courtney Sullivan, author of *Friends and Strangers* After being rescued as infants from a sinking ocean liner in 1914, Marian and Jamie Graves are raised by their dissolute uncle in Missoula, Montana. There--after encountering a pair of barnstorming pilots passing through town in beat-up biplanes--Marian commences her lifelong love affair with flight. At fourteen she drops out of school and finds an unexpected and dangerous patron in a wealthy bootlegger who provides a plane and subsidizes her lessons, an arrangement that will haunt her for the rest of her life, even as it allows her to fulfill

her destiny: circumnavigating the globe by flying over the North and South Poles. A century later, Hadley Baxter is cast to play Marian in a film that centers on Marian's disappearance in Antarctica. Vibrant, canny, disgusted with the claustrophobia of Hollywood, Hadley is eager to redefine herself after a romantic film franchise has imprisoned her in the grip of cult celebrity. Her immersion into the character of Marian unfolds, thrillingly, alongside Marian's own story, as the two women's fates--and their hunger for self-determination in vastly different geographies and times--collide. Epic and emotional, meticulously researched and gloriously told, *Great Circle* is a monumental work of art, and a tremendous leap forward for the prodigiously gifted Maggie Shipstead.

"It is 1750 and Daniel, the 10-year-old foundling living with Dick Bates is worried. Dick is the owner of the Peacock Alehouse in White Cross Street, Islington. It s a thriving alehouse and Daniel is very happy there, looking after the horses and sleeping in the stables. There has already been a minor fire, which Daniel escaped from and took the horses to safety. Someone is trying to get rid of the Peacock, but who? On the opposite side of Chiswell Street from the Peacock, Sam Whitbread s huge new brewery has been built and Sam is making a fortune from his porter. Kate, having walked away from her drunken mother and her awful home on the other side of Old Street, is taken in by her Uncle Tom and Aunt Joan and learns what it s like to have a loving, caring woman looking after her. She also gets a hopeless crush on Sam Whitbread, a tall, handsome young man in his early twenties, much to the disgust of the Shewell's son, Barney. Dick suspects that Tom Shewell and Sam Whitbread are up to no good, and asks Daniel to act as a spy for him and let him know if he finds out anything suspicious. Daniel is delighted to be able to help his master, who has been very kind to him since he picked him up off the streets a year ago. Daniel still can t really remember what happened before then (but it comes back to him by the end of the story). What happens to the Peacock and its inhabitants? Does Kate get over her passion for Sam Whitbread? Do Sam and Tom stay as partners? And, of course, what is Daniel s story? Boson Books also offers "*Belaset s Daughter*" by Feona Hamilton.

The story begins with the woman we call Maggie (to protect the victim's identity). Meet an American military officer on Facebook. We call him Tom. He also has a daughter named Esther. Maggie's husband travels frequently and is cold and violent towards her, their relationship has broken down and they are about to separate. Although the conversation about the divorce was informal, she began looking for a new life partner who could love, protect, and care for her. She found that only Tom could give her the attention and desire she needed... This love story will not end with the answers to dreams and prayers. On the contrary, Tom never paid the bills. Tomorrow will never come. They never met. Maggie has no shoulders to lean on. Unfortunately, the internal pressure is enormous. As Maggie realized the pain of the general situation, her suicidal thoughts became more intense. This is an expensive course worth learning.

Pure love, not recognized as such by most children, inexplicably grows as they mature and makes them strong fighters against traditions, bigotry, tyranny, and parents' wishes. Mankind's desires to live closer to Mother Nature than within the confines of a human society determined to continue to live in the glory of self-esteem and false pride are ultimately achieved by the principal people in this novel. Great lessons to live by are taught by an old man living on a farm. A child, in need of comfort, finds companionship and peace in the world of his imagination where everything becomes real. Strong belief in God vanishes when unexpected events change many lives. Spoiled youth, like bull with lustful desires, inject poison in a town of peace loving people. Ultimately, the determination to really live one's faith restores peace and happiness in the hearts of people in love.

Popular music has traditionally served as a rallying point for voices of opposition, across a huge variety of genres. This volume examines the various ways popular music has been deployed as anti-establishment and how such opposition both influences and responds to the music produced. Implicit in the notion of resistance is a broad adversarial hegemony against which opposition is measured. But it would be wrong to regard the music of popular protest as a kind of dialogue in league against 'the establishment'. Convenient though they are, such 'us and them' arguments bespeak a rather shop-worn stance redolent of youthful rebellion. It is much more fruitful to perceive the relationship as a complex dialectic where musical protest is as fluid as the audiences to which it appeals and the hegemonic structures it opposes. The book's contemporary focus (largely post-1975) allows for comprehensive coverage of extremely diverse forms of popular music in relation to the creation of communities of protest. Because such communities are fragmented and diverse, the shared experience and identity popular music purports is dependent upon an audience collectivity that is now difficult to presume. In this respect, *The Resisting Muse* examines how the forms and aims of social protest music are contingent upon the audience's ability to invest the music with the 'appropriate' political meaning. Amongst a plethora of artists, genres, and themes, highlights include discussions of Aboriginal rights and music, Bauhaus, Black Sabbath, Billy Bragg, Bono, Cassette culture, The Capitol Steps, Class, The Cure, DJ Spooky, Drum and Bass, Eminem, Farm Aid, Foxy Brown, Folk, Goldie, Gothicism, Woody Guthrie, Heavy Metal, Hip-hop, Independent/home publishing, Iron Maiden, Joy Division, Jungle, Led Zeppelin, Lil'Kim, Live Aid, Marilyn Manson, Bob Marley, MC Eiht, Minor Threat, Motown, Queen Latifah, Race, Rap, Rastafarianism, Reggae, The Roots, Diana Ross, Rush, Salt-n-Pepa, 7 Seconds, Roxanne Shanté, Siouxsie and the Banshees, The Sisters of Mercy, Michelle Shocked, Bessie Smith, Straight edge Sunrize Band, Bunny
