The Mazda Miata is one of the most popular sports cars on the road today. In production for more than 20 years, the Miata's popularity has grown, and the number of aftermarket components available to the Miata enthusiast has grown, too. This immense selection of parts has made it difficult for many would-be modifiers to choose the proper combination that will help them reach the goals they have set for their two-seaters. Author and Miata expert Keith Tanner has been modifying, repairing, building, and racing Miatas for years, and he will guide you through how to best modify your car to suit your needs, starting with an explanation on how everything works and how the various parts will interact. You'll not only learn what upgrades will help you reach your goals, but also how to adjust or modify what you have to make your car work at its best. From autocross to cross-country touring, the Miata can do it all. Keith Tanner tells you how to make it happen!

At over 900,000 cars produced - and counting - the Mazda MX-5 holds the Guinness World Record as the best-selling two-seater sports car ever produced. And while mere numbers should not be the only barometer of success, it has taken a car of the MX-5's talent to capture the imagination of both enthusiasts and the general motoring public alike. Mazda MX-5 - The Complete Story examines the design, development and production of this innovative sports car. Topics covered include: Details of the engine and drivetrain technology that gave the MX-5 its sharp handling and performance; Chronicles the stories of the engineers and designers behind the MX-5's success; Looks at the closest contemporary rivals to the car, and why the MX-5 was far and away the most successful; Covers all special editions and the racing story; Includes a detailed buyer's guide for each generation, specification tables and owner's experiences. A concise, detailed guide to this groundbreaking and innovative sports car. Superbly illustrated with 200 colour photographs. In 2006, a nearly fifty-year-old Russ Rosenberg had an epiphany. For years, he had been searching for a hobby that would hold his interest. After trying Guitar lessons, shooting sports and fly fishing, Russ tapped into his lifelong passion for cool cars. A short time later, he bought a used Miata, signed up for autocross school, and eventually began road racing. In a comprehensive guide, Russ relies on his experiences as an amateur racer to provide a roadmap for beginner racers that offers time-tested wisdom on how to start in the sport, avoid costly mistakes, and secure a logical path to success. He includes valuable insight into how to choose the right car and the true cost of racing as well as entertaining racing stories for the over-forty crowd, photos, resources, and an honest opinion on the sport from his wife, Lisa.
