

My Fight Your Fight The Official Ronda Rousey Autobiography

Sabatina heeft het grootste deel van haar jeugd als Pakistaanse moslima in Oostenrijk doorgebracht. Onder invloed van de westerse cultuur rebelleerde ze tegen de verstikkende islamitische wetten en eisen van haar familie. Haar woedende ouders sleepten haar mee terug naar Pakistan om haar uit te huwelijken aan een neef en naar een strenge koranschool te sturen, waar ze voortdurend lichamelijk en geestelijk werd mishandeld. Uit verzet tegen die onderdrukking vluchtte Sabatina en bekeerde ze zich tot het christendom, iets waarop volgens de sharia de doodstraf staat. Sindsdien maken haar ouders jacht op haar om die straf ten uitvoer te brengen, waardoor Sabatina gedoemd is een eenzaam, ondergedoken leven in afzondering te leiden. Ze inspireerde velen met haar levensverhaal en is activiste voor vrouwenrechten en godsdienstvrijheid geworden. Mijn vlucht naar vrijheid is een hartverscheurende illustratie van de strijd van een jonge vrouw die gevangen zit tussen twee onvereenbare culturen en haar gevecht om vrijheid.

You got it because you received it. If you are missing something good, it's not God's fault. God has given you all good things, but if you are missing something, then you have not received it. You must receive what is given to you in order for it to be in your possession. God has healed your physical body and mind, but if you are sick, then you have not received what God has done for you. God has already made you rich by Christ, but if you are living poorly, then you have not received his wealth. God is a god of grace, which means that he has given all things to us freely, but we must receive those things by faith. The natural man cannot receive things from the Spirit of God. Within this book, I tell you how to receive everything that God has given to you.

Friendships are forever and love blooms in the most surprising ways in Katie McGarry's acclaimed Pushing the Limits series. Read three stunning books in this Volume Two collection! TAKE ME ON: Champion kickboxer Haley swore she'd never set foot in the ring again after one tragic night. But then the guy she can't stop thinking about accepts a MMA fight in her honor, and suddenly Haley has to train him. West Young is everything Haley promised herself she'd stay away from-but as an unexpected bond forms between them, they'll face their darkest fears and discover love is worth fighting for. BREAKING THE RULES: For new high school graduate Echo Emerson, a summer road trip with her boyfriend means getting away from it all. And most of all, it means three months alone with Noah Hutchins. But when the source of Echo's constant nightmares comes back into her life, she has to make some tough decisions about what she really wants--even as foster kid Noah's search for his last remaining relatives forces them both to confront some serious truths about life, love, and themselves. CHASING IMPOSSIBLE: Tough and independent, seventeen-year-old Abby lets very few people into her inner circle. It's common knowledge in her Kentucky town that she deals drugs, but not even her closest friends know why. But when a deal goes south and Abby's suddenly in danger, she finds herself reluctantly forced to lean on daredevil Logan—a boy whose restless spirit matches her own...

My Fight is a book Martin Bector has written following the book two books he has written entitled "The Funny Fight" and "With This Devotion; I love you". He the oldest ancestry to this land called the United States of America. He will not gather his people because of the majority rule. It makes no sense to him to gather the minority to begin a fight with the majority for correction or control. He sees the better way by bringing world peace to be a better way to democracy than freedom. The fight for culture has just begun. The intelligence about this earth has not been recognized. The course of governing is with an area concern. The point of law was put in error as the right of the first born to bring the law to do the gathering of the people. The worship of the Coming of God began this error with the survival of the people in the identity to the cycle of this earth around the sun because the cycle of this earth about its axis was not recognized. The intelligence about this earth is a continuing around this earth that is being insulted. The author recognized this insult. He has charted this insult. He has put this insult to backlash and lash back bringing a temporary freedom to the continuing mind around this earth to reveal the truth. Once the truth was recognized, he began to search for ways to ignore the insult as he began to search ways to stop the insult.

Now a major Sky original production - Season 2 streaming now THE NUMBER ONE INTERNATIONAL AND SUNDAY TIMES BESTSELLER. A Discovery of Witches is the first in the must-read ALL SOULS trilogy. It begins with absence and desire. It begins with blood and fear. It begins with a discovery of witches. Fall under the spell of Diana and Matthew in the stunning first volume of the No.1 internationally bestselling ALL SOULS trilogy. A world of witches, daemons and vampires. A manuscript which holds the secrets of their past and the key to their future. Diana and Matthew - the forbidden love at the heart of it. When historian Diana Bishop opens an alchemical manuscript in the Bodleian Library, it's an unwelcome intrusion of magic into her carefully ordered life. Though Diana is a witch of impeccable lineage, the violent death of her parents while she was still a child convinced her that human fear is more potent than any witchcraft. Now Diana has unwittingly exposed herself to a world she's kept at bay for years; one of powerful witches, creative, destructive daemons and long-lived vampires. Sensing the significance of Diana's discovery, the creatures gather in Oxford, among them the enigmatic Matthew Clairmont, a vampire geneticist. Diana is inexplicably drawn to Matthew and, in a shadowy world of half-truths and old enmities, ties herself to him without fully understanding the ancient line they are crossing. As they begin to unlock the secrets of the manuscript and their feelings for each other deepen, so the fragile balance of peace unravels... Five reasons to read A Discovery of Witches and the All Souls Trilogy 'Rich, thrilling ... A captivating and romantic ripping yarn' E L James 'Intelligent and off-the-wall ... irresistible to Twilight fans' Sunday Times 'I could lose myself in here and never want to come out ... Utterly enchanting on every level' Manda Scott 'Exciting amounts of spells, kisses and battles, and is recounted with enchanting, page-turning panache' Marie Claire 'A bubbling cauldron of illicit desire ... an assured saga that blends romance with fantasy' Daily Mail

For fans of Ronda Rousey's My Fight Your Fight and John Kavanagh's Win or Learn comes the first book from UFC fighter and now analyst Dan Hardy, who lifts the lid on his own career and writes with insight and eloquence on all things MMA and UFC, the brutal and ever-evolving sport that launched such superstars as Conor McGregor, Michael Bisping, Georges St-Pierre, Nate Diaz and Amanda Nunes. Dan Hardy's first book is much more than a straightforward MMA autobiography. Taking the key fights from his career, Hardy explores the sport with the unparalleled insight that has made him the best analyst working today. From training in China with Shaolin monks, to how MMA helped him channel his rage, to psychedelics and the ceremony in Peru that changed his life, to tapping into his 'reptilian brain' and the psychological warfare of UFC, to his epic title fight with Georges St-Pierre. Hardy also speaks eloquently of the heart condition that forced him to stop fighting, the road to recovery, and the evolution of a sport that flies in the face of mainstream disapproval to entertain and thrill millions of obsessives around the globe.

Dit e-book uit de serie PrismaDyslexie bevat het lettertype Dyslexie. De letters van dit lettertype zijn zodanig aangepast dat dyslectici minder moeite hebben ze van elkaar te onderscheiden, waardoor er minder leesfouten gemaakt worden en het lezen gemakkelijker wordt. Katniss Everdeen woont met haar moeder en haar zusje in het 12e en armste district van Panem. Daar heerst het keiharde regime van het welvarende, brute Capitoool. Bij de jaarlijkse Hongerspelen moeten twaalf jongens en twaalf meisjes in een gemanipuleerde arena de strijd aan gaan op leven en dood. Zo begeeft ook Katniss zich onder het oog van de hele bevolking in de gemanipuleerde arena. Gevangen in een meedogenloos web van geweld, gemanipuleerde tv-beelden en corrupte politici staat ze voor de vraag: hoe ver ga je om te overleven?

Ages ago the realms of magic and science were separated because of the idea the two were one and the same. It was done with the warning of what would happen if they were brought together again. The demon king, with help from human mages, brings the two realms together again. This merge, to invade the earth realm along with all the others, proves to be nearly a total disaster for the earth. The mage Jonathan Tanner Thomas (Jon Tom) is dragged into this because the demon king knows he is a danger to the invasion. Long before the merge they had tried to kill him but always failed. Now, after the merge, he has come into powers they had not thought was possible. Jon Tom is the only

one who can prevent the demon king's invasion.

Book Three of The Guardians Series “You scared her away!” Ellie accused, and Sean realized she was angry. “I nearly broke my bleeding neck,” he protested. “Coyon!” Her voice rose. “You’re being ridiculous.” “I barely caught myself,” he insisted. “That monster tree of yours almost took me out!” “This is my home—you need to leave.” “But I just got here.” “You weren’t invited!” “Which I won’t take personally, even though we’re partners and all.” “Partners?” The disbelief on her face was almost comical. “We are not partners!” “Sure we are. You heard Stuart. In tandem. You know what tandem means, don’t you, love?” She pointed at the door. “Go away, Irishman!” “McDougal,” he corrected. “But you can call me Sean.” “Que diriez-vous je vous appelle un idiot!” she snarled, only part of which he understood—idiot translated well enough—and then she closed her eyes and took a deep, ragged breath. Then another. Then she took a careful step back, as if she’d suddenly found herself standing at some dangerous, unknown precipice. Dousing the fire, he thought, oddly disappointed. “I’ve turned my ankle,” he continued, just to poke at her. He limped back a step. “I’ll need to ice it.” Her eyes opened. Fell to his booted foot. “Might be fractured,” he added. “You are a strange and frustrating man,” she said. “Aye,” he agreed somewhat apologetically and smiled at her. ??? After Ellie Broussard saves Sean McDougal’s son from drowning, she walks away, unwilling to involve herself with the rakish Irishman and his charming boy. Ellie has suffered a devastating loss, and her world is one of chosen isolation and calculated vengeance. She has only one focus: to find the monster that stole her child and turn his world to ash. Sean can relate to Ellie’s suffering. Having lost his wife to cancer, his sole focus has become raising his boy, and love...well, love can take a long walk. He’s in Louisiana to locate a cache of stolen art, and even if he’s taken aback—and reluctantly intrigued—by the mysterious and chilly Ellie Broussard, he knows better than to tumble down that rabbit hole. But when they’re thrown together on assignment to recover the cache, Sean and Ellie have no choice but to put aside their mutual misgivings and work side by side. To share; to trust; to discover they are not as separate as they appear. And as Ellie’s deadly hunt approaches its culmination, they must risk everything they hold dear to stop a murderer who is readying his next strike, and to save an orphaned girl whose only hope lies in their willingness to defy the darkness and step into the light... A steamy thriller with characters you won’t forget...romantic suspense at its best.

? Mixed martial arts or MMA is widely regarded as the fastest growing sport. Events fill stadiums around the world and draw vast television audiences, earning strong revenue through pay-per-view at a time when other sports have abandoned it. In 2016, the Ultimate Fighting Championship was bought by the massive talent agency WME-IMG for \$4 billion. Despite this success, much of the public remains uneasy with the sport, which critics have denounced as “human cockfighting.” Through an exploration of violence, class, gender, race and nationalism, the author finds that MMA is both an expression of the positive values of martial arts and a spectacle defined by narcissism, hate and patriarchy. The long-term success of MMA will depend on the ability of promoters and athletes to resist indulging in spectacle at the expense of sport.

De geschiedenis zond hem de dood in, maar hij vocht en keerde terug Dit is het waargebeurde verhaal van Sam Pivnik, een Poolse jood die tijdens de Tweede Wereldoorlog ontelbare malen aan de dood ontsnapte. In 1939, op Sams dertiende verjaardag, veranderde zijn leven voorgoed toen de nazis Polen binnenvielen. Hij overleefde de gettos in zijn geboortestad Bedzin, het concentratiekamp Auschwitz, waar hij moest werken voor de `Engel des Doods, dokter Mengele, en de kolenmijn van het Auschwitz-subkamp `Fürstengrube. Vervolgens, toen het Derde Rijk begon in te storten, overleefde hij de dodenmars naar het westen en het gevangenschap Cap Arcona, dat door geallieerde bommenwerpers tot zinken werd gebracht. Geluk, fysieke kracht en een vastbesloten wil tot leven zorgden ervoor dat hij ons dit verhaal nu kan vertellen.

“Part post-apocalypse, part road-trip, part sword-and-sorcery . . . One of my favorite adventure novels of all time.” —Cory Doctorow At four-thirty one Saturday afternoon the laws of physics as we know them underwent a change. Electronic devices, cars, industries stopped. The lights went out. Any technology more complicated than a lever or pulley simply wouldn’t work. A new set of rules took its place—laws that could only be called magic. Ninety-nine percent of humanity has simply vanished. Cities lie abandoned. Supernatural creatures wander the silenced achievements of a halted civilization. Pete Garey has survived the Change and its ensuing chaos. He wanders the southeastern United States, scavenging, lying low. Learning. One day he makes an unexpected friend: a smartass unicorn with serious attitude. Pete names her Ariel and teaches her how to talk, how to read, and how to survive in a world in which a unicorn horn has become a highly prized commodity. When they learn that there is a price quite literally on Ariel’s head, the two unlikely companions set out from Atlanta to Manhattan to confront the sorcerer who wants her horn. And so begins a haunting, epic, and surprisingly funny journey through the remnants of a halted civilization in a desolated world.

At their basic level, sporting events are about numbers: wins and losses, percentages and points, shots and saves, clocks and countdowns. However, sports narratives quickly leave the realm of statistics. The stories we tell and retell, sometimes for decades, make sports dramatic and compelling. Just like any great drama, sports imply conflict, not just battles on the field of play, but clashes of personalities, goals, and strategies. In telling these stories, we create heroes, but we also create villains. This book is about the latter, those players who transgress norms and expectations and who we label the “bad boys” of sports. Using a variety of approaches, these 13 new essays examine the cultural, social, and rhetorical implications of sports villainy. Each chapter focuses on a different athlete and sport, questioning issues such as how notorious sports figures are defined to be “bad” within particular sports and within the larger culture, the role media play in creating antiheroes, fan reactions when players cross boundaries, and how those boundaries shift depending on the athlete’s gender, sexuality, and race.

Het ontroerende en inspirerende verhaal van Malala ‘Ik kom uit een land dat om middernacht is gesticht. Toen ik de dood in de ogen keek, was het middaguur net aangebroken.’ Wie is Malala? Malala Yousafzai werd in 2012 van zeer dichtbij in het gezicht geschoten door een talibanstrijder. Ze was toen vijftien jaar oud. Al snel werd dit wereldnieuws. Malala is het slachtoffer van een gruwelijke aanslag op haar leven. Dit omdat ze als meisje in Pakistan naar school gaat. Ze overleeft de aanslag en haar verhaal gaat de hele wereld over. Sindsdien is Malala het symbool van de strijd voor onderwijs voor iedereen. Lees nu het verhaal van Malala zelf! Hoe zij opgroeide in Pakistan, hoe haar familie omgaat met alle problematiek en hoe haar leven er nu uitziet.

In 2015, Booklist observed, “the arrival of Hauser’s annual boxing review is akin to Christmas morning for fight fans. Nobody knows a sport any better than Hauser knows boxing.” Each year, readers, writers, and critics alike look forward to Thomas Hauser’s annual collection of articles about the contemporary boxing scene. He’s one of the last real champions of boxing and one of the very best who has ever written

about the sport. A Hard World continues this tradition of excellence with dressing-room reports from big fights like Canelo Alvarez vs. Miguel Cotto, a behind-the-scenes look at Floyd Mayweather vs. Manny Pacquiao, and a foray into the world of mixed martial arts for a compelling portrait of Ronda Rousey. Most importantly, this new collection contains Hauser's groundbreaking two-part investigative report on the relationship between the United States Anti-Doping Agency and boxing, a report that shook the industry and raised fundamental questions regarding the integrity of USADA's drug-testing procedures as applied to boxing.

In April 1865, the Southern Confederacy faced defeat. The Confederate government fled the capital of Richmond to avoid capture. The Confederacy still possessed a large store of gold and silver coin, but it disappeared in the chaos of the time. What became of the Confederate gold? No living soul is certain. In his exciting and moving novel, Thomas Moore imagines what might happen if the treasure reappeared through the discovery of a long-lost coded message. The Hunt for Confederate Gold is a suspenseful thriller that dramatizes the Confederate gold as a source of confrontation between a shadowy Southern group still seeking independence and a team of rogue Government agents determined to recover it at all costs—including breaking the law. This exciting foray into one of America's most tantalizing mysteries is also a love story, a cautionary political tale, and tour de force of a little-known chapter of the Civil War.

? Fighting is the key to winning any battle or war against giants. If you don't fight you have no chance of defeating your giant. If you do fight you have a chance at defeating your giants. This world is a warzone. Your neighbors are not really your neighbors. It's the devil disguised as your neighbor. Or the devil may disguise himself as a city official, or a relative or even a pastor. You've got to fight. And as you fight you have to keep on fighting. No matter how bad it looks. You can't stop fighting. No matter what kind of report you received from the doctor, you can't stop fighting. If you stop fighting then your physical and your spiritual self will rot away as nothing and leave this world in the same sinful state they entered into this world with. The same way you used to beat your colleagues down back in the day in the street is the same way you must beat your giants down today. With the same determination that you are going to beat them down and defeat them. Your goal was to be powerful and victorious. Be victorious today. Dare to take that first step into the ring and start fighting again.

"Vampire heroes we can all believe in." --New York Times Bestselling Author, Faith Hunter Book 4: Paint It Black Goblins and Witches and Trolls . . . oh crap! In the fourth installment of The Black Knight Chronicles, Jimmy Black is having a terrible, horrible, no good, very bad day and a darned fine pity party, serving the finest alcohol, when a call from his not-quite-girlfriend-cop forces him to sober up and stare at jawbones. "Cold case" takes on a whole new meaning when vampire detectives risk life and limbs (literally) to connect a series of decades-old kidnappings in Charlotte with current missing persons cases. All clues lead through the veil of Faerieland to the legendary Goblin's Market, a magical bazaar where anything is available--for a price. The boys can barely stay out of trouble in Charlotte. As fresh meat at The Market, they'll be lucky to survive the day. Book 5: In the Still of the Knight The bodies are piling up! Murders are happening outside Charlotte's hottest nightspots. A new vampire society has set up shop in the sewers. And Jimmy Black's about to run afoul of the Master of the City. If Jimmy weren't already a vampire, the week ahead would be the death of him. Between murder, monsters, pesky vampire ethics, and territorial disputes, Jimmy is about to discover how far he's willing to go to save the world and one friend's soul. There are no easy choices, even for vampire geeks. Book 6: Man in Black The latest book in the award-winning Black Knight Chronicles is a raucous ride through the city of Charlotte's seedy underbelly with the most unlikely crime lord ever. Jimmy Black's knack for stumbling into the right place at the wrong time has landed him his dream job--or worst nightmare--Master Vampire of the City. Almost everyone that works for him wants him dead. His best friend isn't speaking to him. His girlfriend is now his ex-girlfriend. And the Vampire Council has appointed a watchdog who'll decide if he lives past Thursday. He has a kidnapping to solve, monsters and demons to fight, and a whole new crime empire to figure out. Then there's Lilith . . . Join Jimmy as he tries to put his (un)life back together and stay alive long enough to save the world. Again. Author John G. Hartness is the Epic and Manly Wade Wellman Award-winning writer behind The Black Knight Chronicles from Bell Bridge Books, as well as the Quincy Harker, Demon Hunter and Bubba the Monster Hunter series. In his copious free time, John enjoys long walks on the beach, rescuing kittens from trees, and playing Magic: the Gathering.

Het bos waarin de negentienjarige Feyre woont is in de lange wintermaanden een koude, sombere plek. Haar overlevingskansen en die van haar familie berusten op haar vermogen om te jagen. Wanneer ze een hert ziet dat opgejaagd wordt door een wolf kan ze de verleiding niet weerstaan om te vechten voor de prooi. Maar om te winnen moet ze de wolf doden en daarop staat een prijs. Niet veel later verschijnt er een beestachtig wezen om vergelding op te eisen. Wanneer ze naar het gevreesde feeënrijk Prythian wordt gesleept, ontdekt Feyre dat haar ontvoerder geen beest is, maar Tamlin – een van de dodelijkste, onsterfelijke magische wezens ooit gekend. Terwijl ze op zijn landgoed verblijft, veranderen haar ijzige vijandige gevoelens voor Tamlin in een vurige passie die elke leugen en waarschuwing over de mooie, gevaarlijke wereld van de Elfiden in rook doet opgaan. Maar een oude, kwaadaardige schaduw groeit over het land, en Feyre moet een manier vinden om het te stoppen of Tamlin en zijn wereld zullen voor eeuwig verdoemd zijn.

Thomas Dekker (1984) heeft genoeg van de leugens. Zijn echte verhaal is nog nooit verteld. De waarheid met al zijn slechte lelijke kanten moet maar eens naar buiten. De schaamte heeft het altijd gewonnen van de last die de kroonprins van het Nederlandse wielrennen met zich heeft megedragen. Maar nu is er niets meer te verliezen.

The undefeated UFC champion and Hollywood star charts her difficult journey to fame, revealing her tragic childhood, her secrets behind her achievements, and her experiences as pioneering woman athlete.

Ontmoet Tomi Adeyemi op YALFest NL 2018! "The Orisha Legacy Zélie heeft maar één kans om haar volk te redden... Deel 1 Ooit leefden er in Orisha mensen met magische krachten. Tot een wrede koning besloot de maji, een minderheid met donkere huid en zilverwitte haren, te vervolgen. Zélie kan zich de nacht dat ze toe moest kijken hoe de handlangers van de koning haar moeder ophingen nog levendig herinneren. Sindsdien is magie een doodzonde en een donkere huid iets om op neer te kijken. Tien jaar later krijgt Zélie de kans om de magie terug te brengen naar Orisha. Met de hulp van een prinses op de vlucht, moet ze uit handen zien te blijven van Inan, de kroonprins, die vastbesloten is de magie nu voorgoed uit te bannen. Gevaar ligt overal op de loer in Orisha, maar het grootste gevaar schuilt misschien nog wel in haar groeiende gevoelens voor de vijand... Over Bloed en beenderen: 'Een van de grootste boekendeals voor een young adult-romandebuut van het jaar. Naast een meeslepend plot en een sterke heldin als hoofdpersoon, behandelt het boek grote thema's - als ras, politiegeweld, onderdrukking en macht - die op het moment ook in de wereld spelen.' Teen Vogue 'Complexe personages, een hoge inzet, en een caleidoscopisch narratief boeien, en het snelle tempo schiet de lezer naar een overweldigend slot dat net zo veel vragen als antwoorden heeft.' PW 'Het epos waar ik op heb gewacht.' Marie Lu, New York Times-bestsellerauteur van Legend en Warcross

At its foundation, the true study of the martial arts is a quest for knowledge. This knowledge transcends merely learning to kick or punch; it is about gaining an understanding. Evolution follows one such quest. Spanning more than thirty years, it shares the stories of a martial artist's journey, the lessons he learned and the understanding he gained about the martial arts and himself.

The Manly Art is another collection of writer Keith G. Laufenberg's short stories, only this time with the defining factor being that they all involve the sport of boxing. Having been in the sport himself, beginning at age 17, when he entered Marine Corps boot camp, and ending after seven years, fought as a professional, he is afforded a closer more intimate look into the boxers lives. In "Sonny Liston's Eyes," the reader is taken into the Underworld of the sport when a writer interviews an ex-mobster-who is dying of lung cancer-and claims to have killed Sonny Liston, as well as JFK and Martin

Luther King Jr. He tells an incredible story but backs it up by saying he has absolutely verifiable evidence that he will produce for the writer. In "Frankenstein" we see why a young amateur boxer should have picked boxing over football. He has little say in the matter though as his father and uncle have trained him his entire life for football and it, along with the other stories, will keep you glued to the page.

Two people meet by chance and fall in love, get married, and start flipping houses to make extra money, but inexplicably, they find themselves in a house with something sleeping underneath it, and when they are forced to fight for each other against unspeakable evil, they begin to wonder; did they find the house, or did the house find them?

"Lucia Rijker. Bokser en boeddhist" is het indringende levensverhaal van echte vechter. Tijdens een zware voettocht door het gebergte doet Lucia Rijker verslag van hoe ze de laatste jaren haar innerlijke kracht ontwikkeld heeft. Samen met regisseur en schrijver George Schouten zoekt de meervoudig wereldkampioen kickboksen en boksen naar bevrijdende inzichten. Onderwerpen die aan bod komen zijn boosheid, obstakels, vriendschappen, familie, roem en liefde. Hoe hoger ze komen, des te intiemer de `waarheden .

Historically, what do you see as the relationship between science and religion or mysticism? In college, I had a wonderful professor who taught a class on these subjects. To kick off the class, he asked us, 'How do you know what you think you know?' I've spent the last quarter century trying to answer that question. Because the world is a mysterious place and our relationship to it is not always clear, people have often turned to science, faith, and magic for answers. They help people find responses to the questions of, who am I and why am I here? Diana is an appealing heroine, determined, accomplished, and yet aware of her own weaknesses. In what ways, if any, does Diana reflect your own experience or personality? There are some similarities - Diana is also a historian of science, also interested in the history of alchemy, and shares some of my passions (including television cooking programs, tea, and rowing). Really, all the characters have some element of me in them. I think that's how authors create imaginary people who nevertheless feel real. The rest of Diana's character comes from a combination of qualities I admire in others, wish fulfilment, and my completion of the following statement: 'Wouldn't it be great if a heroine in a book was . . . 'Ik zal de laatste zijn' is het schokkende maar tegelijk inspirerende verhaal van mensenrechtenactiviste Nadia Murad over haar vlucht uit de handen van Islamitische Staat. Voor het eerst vertelt Nadia Murad in detail over haar levensgevaarlijke vlucht naar de vrijheid. Ondanks de verschrikkingen die ze heeft ondergaan, is ze strijdbaar. Met hulp van Yazda, een non-profit organisatie die Yezidi slachtoffers helpt, wil ze de Islamitische Staat aansprakelijk stellen voor genocide en misdaden tegen de mensheid. Ze wordt daarin vertegenwoordigd door niemand minder dan de beroemde advocaat Amal Clooney. 'Ik zal de laatste zijn' is een verhaal van ongekenne moed en veerkracht.

The perfect blend of business and drama, My Fight to the Top is a unique, heart-rending autobiography that has mass appeal - whether the reader wants to learn how to get ahead in business, or simply learn how to keep it together through life's challenges. From the rough East End of Glasgow, Michelle Mone overcame the physical violence of school bullies, the emotional trauma of financial difficulties at home and the tragic paralysis of her father, to become one of the UK's most respected entrepreneurial women. From the simple experience of wearing an uncomfortable bra Michelle created the Ultimo brand, now worth £50m. However, the road has been far from smooth and the pressure of trying to build a business and be a good mother brought her

marriage - and her health - to the edge. But with steely determination she fought back, striving to make Ultimo a genuine success story.

The latest title in the world-spanning Crossroads series. Popular Dragonlance author Paul B. Thompson pens the latest novel that explores an area of the setting that has been mentioned but not previously described in detail to readers. The peace of a rural village is shattered by the sudden appearance of a band of renegade warriors seeking slaves. The farmers of Nowhere have no hope unless they can raise a company of champions to defend them, but the motley group of saviors who take up their cause--a shipwrecked sailor, a minotaur poet, a kender treasure hunter, a shamed half-ogre, a disgraced foot soldier, and an eccentric sorcerer--seem nearly as dangerous as the slavemasters

My book AMOR, meaning "LOVE" in my native language of Portuguese, is a raw collection of poems written to reveal my feelings about struggles, resilience, forgiveness, survival, relationships, triumphs and of course LOVE. It is my heart and soul speaking. My poetry has also a cleansing effect within myself, it makes me connect with life and its nuances, and expands my being in all directions.

This is Your Brain on Sports is the book for sports fans searching for a deeper understanding of the games they watch and the people who play them. Sports Illustrated executive editor and bestselling author L. Jon Wertheim teams up with Tufts psychologist Sam Sommers to take readers on a wild ride into the inner world of sports. Through the prism of behavioral economics, neuroscience, and psychology, they reveal the hidden influences and surprising cues that inspire and derail us—on the field and in the stands—and by extension, in corporate board rooms, office settings, and our daily lives. In this irresistible narrative romp, Wertheim and Sommers usher us from professional football to the NBA to Grand Slam tennis, from the psychology of athletes self-handicapping their performance in the boxing ring or the World Series, to an explanation of why even the glimpse of a finish line can lift us beyond ordinary physical limits. They explore why Tom Brady and other starting NFL quarterbacks all seem to look like fashion models; why fans of teams like the Cubs, Mets, and any franchise from Cleveland love rooting for a loser; why the best players make the worst coaches; why hockey goons (and fans) would rather fight at home than on the road; and why the arena t-shirt cannon has something to teach us about human nature. In short, this book is an entertaining and thought-provoking journey into how psychology and behavioral science collide with the universe of wins-and-losses, coaching changes, underdogs, and rivalry games. — Boston Globe, Best Books of 2016, Sports
