

## Paul His Story

A. Katherine Grieb insightfully traces the argument of Paul's letter to the Romans and shows how it is grounded in the story of God's faithfulness to Israel. She draws together a number of crucial insights: the narrative character of Paul's thought, the apocalyptic message of his gospel, the depth of his engagement with Israel's Scripture, and the practical and political impact of his theology. She demonstrates the letter's relevance today and invites contemporary readers to locate their own stories within Paul's account of God's righteousness. Informed by recent Pauline scholarship, this book will be useful to scholars, students, and pastors.

Op zesendertigjarige leeftijd wordt de briljante en ambitieuze neurochirurg Paul Kalanithi gediagnosticeerd met stadium IV longkanker. Van de ene op de andere dag verandert hij van een arts die levens redt in een patiënt die moet vechten voor zijn eigen leven. De laatste 22 maanden van zijn leven besluit hij zijn grote ambitie waar te maken: een meesterlijk boek schrijven over zijn bijzondere levensloop. Wat maakt het leven nog de moeite waard als je de dood in de ogen kijkt? Wat doe je als al je dromen over een toekomst plaats moeten maken voor

een miserabel noodlot? Wat betekent het om een kind te krijgen en nieuw leven op aarde te zetten terwijl je eigen leven langzaam wegeeft? Paul Kalanithi stierf in maart 2015, terwijl hij de laatste hand legde aan zijn memoires. Zijn wijze observaties en rijke inzichten in het leven zijn hartverscheurend. Als adem vervliegt is een onvergetelijk boek over een naderend einde en de relatie tussen arts en patiënt van een begenadigd schrijver, die helaas beide rollen moest vervullen.

New Testament scholars typically assume that the men who pervade the pages of Luke's two volumes are models of an implied "manliness." Scholars rarely question how Lukan men measure up to ancient masculine mores, even though masculinity is increasingly becoming a topic of inquiry in the field of New Testament and its related disciplines. Drawing especially from gender-critical work in classics, Brittany Wilson addresses this lacuna by examining key male characters in Luke-Acts in relation to constructions of masculinity in the Greco-Roman world. Of all Luke's male characters, Wilson maintains that four in particular problematize elite masculine norms: namely, Zechariah (the father of John the Baptist), the Ethiopian eunuch, Paul, and, above all, Jesus. She further explains that these men do not protect their bodily boundaries nor do they embody corporeal control, two interrelated male gender norms. Indeed,

Zechariah loses his ability to speak, the Ethiopian eunuch is castrated, Paul loses his ability to see, and Jesus is put to death on the cross. With these bodily "violations," Wilson argues, Luke points to the all-powerful nature of God and in the process reconfigures--or refigures--men's own claims to power. Luke, however, not only refigures the so-called prerogative of male power, but he refigures the parameters of power itself. According to Luke, God provides an alternative construal of power in the figure of Jesus and thus redefines what it means to be masculine. Thus, for Luke, "real" men look manifestly unmanly. Wilson's findings in *Unmanly Men* will shatter long-held assumptions in scholarly circles and beyond about gendered interpretations of the New Testament, and how they can be used to understand the roles of the Bible's key characters. The untold story of an eccentric, scientific visionary whose death-defying research has saved millions of lives. Sixty years ago, cars and airplanes were still deathtraps waiting to happen. Today, both are safer than ever, thanks in part to one pioneering air force doctor's research on seatbelts and ejection seats. The exploits of John Paul Stapp (1910–1999) come to thrilling life in this biography of a Renaissance man who was once blasted—faster than a .45 caliber bullet—across the desert in his Sonic Wind rocket sled, only to be slammed to a stop in barely a second. and allowed his swashbuckling team to gather the data needed to revolutionize automobile and aircraft design. But Stapp didn't stop there. From the legendary high-altitude balloon tests that ensued to the ferocious battles for car safety legislation, Craig Ryan's book is as much a history of America's transition into the Jet Age as it is a biography of the man who got us there safely.

St. Paul can indeed be a perplexing read, largely due to some writings falsely attributed to him decades after his death. When these are set aside, his seven authentic letters combined with a critical reading of the Acts of the Apostles reveal a man who courageously transitioned from vehemently opposing the followers of Jesus to enthusiastically advocating the Master's teachings and way of life. Enlightened and motivated by a mystical experience, Paul created a counter-cultural narrative based on the egalitarianism and compassion taught by Jesus. That narrative included an analysis of the human condition similar to modern concepts of addiction and communicable diseases, and a resolution-participation in communities in which mutual concern for one another enables spiritual healing for self. The goal of Paul's teaching and activity was human transformation; his method was the imitation of Christ, or as Paul puts it, imitation of those who imitate Christ in loving unconditionally.

Beginning with the question of the role of the past in the shaping of a contemporary

identity, this volumes spans three generations of German and Austrian writers and explores changes and shifts in the aesthetics of Vergangenheitsbewältigung (coming to terms with the past). The purpose of the book is to assess contemporary German literary representations of National Socialism in a wider context of these current debates. The contributors address questions arising from a shift over the last decade, triggered by a generation change-questions of personal and national identity in Germany and Austria, and the aesthetics of memory. One of the central questions that emerges in relation to the Hitler youth generation is that of biography, as examined through Günter Grass' and Martin Walser's conflicting views on the subject of National Socialism. Other themes explored here are the conflict between the post-war generations and the contributions of that conflict to (West)-German mentality, and the growing historical distance and its influence on the aesthetics of representation.

A more unlikely world opera star than Paul Frey could not be found. Born into a conservative order Mennonite farming family in rural Ontario, Canada in 1941, he was a high school dropout. His first career was as a truck driver, transporting livestock to market. But he was a young man with a powerful and true tenor voice, and a desire to sing opera. Entering opera school unable to read musical notes or count beats, Frey was offered primarily chorus roles during training and after graduation. Frustrated, he moved to Switzerland in 1977, signing a contract with the Theater Basel as house tenor. In 1987, Frey came to the attention of Wolfgang Wagner of the famed Bayreuth

Opera House in Bayreuth, Germany. He was chosen to star in Bayreuth's Werner-Herzog-directed production of Richard Wagner's Lohengrin. At Bayreuth, Frey became a star and the world sat up and took notice. Offered lead roles from opera houses across the globe, Paul Frey was compared to the greatest of tenors, including Canadian Jon Vickers. Retiring in 2005, Paul Frey lives today in "Mennonite Country," where he was born and raised.

Communities of Faith is a collection of essays on the multicultural Christian spirit and practices of churches around the world, with particular attention to Africa and the African diaspora. The essays span history, theology, anthropology, ecumenism, and missiology. Readers will be treated to fresh perspectives on African Pentecostal higher education, Pentecostalism and witchcraft in East Africa, Methodist camp meetings in Ghana, Ghanaian diaspora missions in Europe and North America, gender roles in South African Christian communities, HIV/AIDS ministries in Uganda, Japanese funerary rites, enculturation and contextualization principles of mission, and many other aspects of the Christian world mission. With essays from well-known scholars as well as young and emerging men and women in academia, Communities of Faith illuminates current realities of world Christianity and contributes to the scholarship of today's worldwide Christian witness.

This study investigates why Paul makes the theme of suffering so central to his argument in 2 Corinthians. It is pursued through an exegetical analysis of passages

where Paul's suffering is described, namely 1:3-11; 2:14-116; 4:7-12; 6:1-10 and 11:23-12:10. By employing a narrative approach, this study argues that Paul's apostolic suffering is grounded in the story of Jesus. There are several implications arising from this approach. First, Paul understands his suffering as necessary and integral to his apostolic mission. Second, Paul claims that his suffering has positive missiological benefits, resulting in giving birth to the Christ-believing community in Corinth. Third, for Paul, the story of Jesus does not end at the event of the cross, and so he extends the invitation to the Corinthians to participate in the story of Jesus. Fourth, Paul's understanding of his suffering also finds its roots in the Hebrew Scriptures as seen in the allusion to and citations of Isaiah and Jeremiah/1 Kingdoms. Finally, Paul expresses his deep concern for the Corinthians in this letter. In essence, Paul sees his own suffering as a reflection of his embodying the ongoing story of Jesus - a story of suffering and death leading to life - and calls the Corinthians also to this cruciform pattern of living. Taking all the above implications together, it is suggested that 2 Corinthians should be read as primarily parenaetic in nature and that Paul's apology for his apostleship only plays a secondary role.

“God’s got a plan for your life” is an aphorism frequently heard by Christians. But how do you discover that plan? *The Spirit Said Go* is designed to help believers find God’s will. Using Paul’s journeys in Acts as examples, Wilson discusses twenty lessons on guidance drawn from these journeys. Using his firsthand experience traveling along these routes in the Eastern Mediterranean, he reads between the lines offering additional insights into Luke’s account. He also provides important geographical and archaeological information to illustrate Paul’s world among the Jews, Greeks, and Romans. Wilson then illustrates each lesson with autobiographical vignettes drawn from his own spiritual pilgrimage of over forty years as a follower of Jesus. Friends and colleagues also share stories of similar experiences of guidance. Each chapter ends with reflection questions that help the reader integrate the lesson into Christian living. The volume offers an inductive Bible study combined with practical, spiritual insights regarding how God guides his people then and now.

The author discusses Paul’s reading of his scriptures by exploring his intertextual echoes and allusions to exodus themes and motifs in Israel’s scriptures and the literature of Second-Temple Judaism. This exploration reveals that Paul evoked the exodus narrative in a way that is both faithful to the tradition and innovative for his new situation in Christ. Paul affirms and transforms the tradition in ways that speak to the tensions present in both Galatians and Romans.

For some of us, the apostle Paul is like a distant uncle. We've heard he's pretty important. We've read the good parts of his letters. But sometimes he comes across as prickly and unpredictable. Not someone you'd like to hang out with at a coffee shop. He'd raise his voice, try to convert the barista, and we'd want to slink out the back door. For a mid-afternoon latte, we'd prefer Jesus over Paul. But actually, this is the guy who, from Ephesus to Athens, was the talk of the marketplace and the raconteur of the Parthenon. Maybe it's time to give Paul a break, let go of some stereotypes and try to get to know him on his own terms. If that's where you are, Rediscovering Paul is your guide. This is a book that helps us find Paul again--holding forth in the marketplace of Corinth, working with a secretary in framing his letter to the Romans, or pastoring the messy emerging churches of Philippi and Thessalonica. Drawing on the best of contemporary scholarship, honed by teaching and conversing with today's students, Rediscovering Paul is a textbook that rises above the rest.

Sometime around 56 AD, the apostle Paul wrote to the church in Rome. His letter was arguably his theological masterpiece, and has continued to shape Christian faith ever since. He entrusted this letter to Phoebe, the deacon of the church at Cenchreae; in writing to the church that almost surely met in her home, Paul refers to her both as a deacon and as a helper or patron of many. But who was this remarkable woman? In this, her first novel, Biblical scholar and popular author and speaker Paula Gooder tells Phoebe's story - who she was, the life she lived and her first-century faith - and in doing so opens up Paul's theology, giving a sense of the cultural and historical pressures that shaped Paul's thinking, and the faith of the early church. Written in the gripping style of Gerd Theissen's *The Shadow of the Galilean*, and similarly rigorously researched, this is a novel for everyone and anyone who wants to engage more deeply and imaginatively with Paul's theology - from one of the UK's foremost New Testament scholars.

In this book Fowl examines the role played by three poetic texts, Phil. 2.6-11, Col. 1.15-20, and 1Tim. 3.16 in the arguments of their epistles. Rather than functioning as criteria of

christological orthodoxy, these poetic narrations of Christ's person and work are used by Paul to support various ethical positions. For Paul and the Christians he addresses, these stories of Christ are exemplars for the life and practice of the church.

Richmond Lattimore, one of the most distinguished living translators of Greek, has in this book completed his rendering of the New Testament in fresh and accurate English for the modern reader. The publication of his translation of The Four Gospels and the Revelation in 1979 was hailed by the New York Times Book Review as "an achievement that places us more deeply in Lattimore's debt than any other in a long diligent career." The Acts of the Apostles, which he calls "the earliest consecutive story of early Christianity that we have," and the three groups of Letters of the Apostles--those of Saint Paul, the letter to the Hebrews, and the General Letters--are now made available to complete the New Testament in his translation. His aim again has been to provide a simple, literal rendering in which the syntax and order of the Greek dictate the character of the English style. Lattimore, as an authority on the Greek language in which these texts have come down to us, and as a writer without pretensions as a biblical scholar, allows the words of the apostles and earliest disciples to speak for themselves with accuracy and fidelity to the Greek. The book's design follows the attractive and readable format of The Four Gospels, and avoids the usual apparatus of biblical texts.

Understanding Paul and His Letters is a seminal text in that it traces the development of the main lines of Paul's theology and faith through each of his letters.

"The Young Trailers, a Story of early Kentucky" is a historical novel for children set in the American Old West by Joseph A. Altsheler, first published in 1907. The story is set to the backdrop of American Revolution and follows the adventures of a young boy, Henry, during his

emigration from Virginia to Kentucky. The first novel in Altsheler's "The Young Trailers Series", it is a interesting adventure story set in an exciting chapter of American history. Joseph Alexander Altsheler (1862 – 1919) was an American journalist, editor and author famous for his of popular historical fiction aimed at children. Altsheler wrote a total of fifty-one novels during his life, as well as over fifty short stories. Other notable works by this author include: "The Sun of Saratoga, a romance of Burgoyne's surrender" (1897) and "In Circling Camps, a romance of the Civil War" (1900). Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with a specially commissioned new introduction and biography of the author. The Heart of the Story will help you see God's Word in a new and inspiring light. In the Bible's seemingly disconnected stories, you'll discover one grand, unfolding epic – God's story from Genesis onward – and your own life-story contained within it. "To understand the Bible," says author and pastor Randy Frazee, "you need bifocal lenses, because two perspectives are involved. The Lower Story, our story, is actually many stories of men and women interacting with God in the daily course of life. The Upper Story is God's story, the tale of his great, overarching purpose that fits all the individual stories together like panels in one unified mural." In this new edition, Randy dives deeper in the Upper and Lower stories and shows how both perspectives will open your eyes to the richness and relevance of the Bible. "Adventure, intrigue, faith, commitment, love and hate and everything between! Mark Tedesco has done it again, fashioning what is arguably his best work yet! He entices you on a phenomenal journey into the fascinating lives of two 4th century Roman soldiers, John and Paul, in a tale of loyalty and love that grabs you by the throat from the very first sentence and holds you spellbound, gasping for air as you're swept from chapter to chapter with barely a moment to breathe. An unbelievable marriage of fact and fiction that will leave you applauding or appalled but never bored or indifferent. A must read!" -Tony McEwing, Fox News

'Sixty years ago I found myself distracted.' So begins the introduction to *As Kingfishers Catch Fire*. What follows is the record of the collaboration of pastor and congregation in acts of worship and a life together. What Eugene Peterson, for thirty years pastor of a Maryland church, discovered is that the pastor's life is much more than just the preaching. It is also made up of attending to the details in all the circumstances and relationships specific to a people and a place - prayers at a hospital bed, conversations with the elderly, small talk on a street corner. This collection of spiritual writings presents Peterson's distinctive approach designed to communicate to his congregation, and the reader, 'the full

counsel of God.' Seven sections containing seven teachings, each expertly crafted to stir the biblical imagination. In these teachings, Peterson walks the reader through Scripture to bring fresh insight to familiar names such as Moses, David, Isaiah, Solomon, Peter, Paul, and John of Patmos.

It is commonplace that postmodern thought has problematized the concept of the self. This poses a particularly sharp problem for Christian theologians, for whom the idea of the person as a Christian self must be central. In this book John Meech addresses this problem by means of a theological hermeneutics that brings together cutting edge scholarship in biblical interpretation and constructive theology. The book comprises three major parts. In the first, Meech reflects on St. Paul's construal of Christian identity in light of what has become known as the "new paradigm" in Pauline studies. This movement, identified with N.T. Wright, James Dunn, and Terence Donaldson, stresses the communal aspects of Paul's thought and his narrative understanding of the self. In the second part, Meech offers a pivotal analysis of Rudolf Bultmann's phenomenology of the self and its impact on his demythologizing interpretation of Paul's writings. In the third part, Meech engages Paul Ricoeur's late work, *Oneself as Another*, as a guide to the postmodern problem of selfhood and as a heuristic resource for interpreting Paul's writings. He does not restrict himself to a textual treatment of Ricoeur's

## Access Free Paul His Story

work on selfhood and narrative, nor does he stop at an abstract reflection on its significance for theology. Instead he explores in considerable detail the contributions and implications of Ricoeur's later writings for biblical hermeneutics and theology. Investigating the unthematized hints about community presupposed in Ricoeur's work, Meech reconfigures his ontology of the self as an ontology of the self in community. Finally, he correlates Paul's communal understanding of the "I" with this ontology, articulating a self that is constituted in community but not reduced to a mere locus of community. He argues that the community posited in his study can be understood as the community of the living and dead in Christ.

Most studies of Paul concentrate solely on his theology. This book breaks new ground by focusing on the source and nature of Paul's spirituality. Taking his cue from Paul's express desire to "know nothing but Christ crucified," Michael Gorman shows how Paul's personal experience of God constantly intersects with the story of the cross, an event that both reveals the cruciform character of God and shapes believers into a community of "cruciformity" (conformity to the crucified Christ). Expertly combining biblical studies and theological reflection, this noteworthy volume presents a model of the Christian life marked by faith, love, power, and hope.
