Solomon is supposed to have said that there is no new thing under the sun. Harold Klemp shows us there is something beyond the sun. He places the spiritual dream in its rightful place at the center of the whole subject of dreams. He shows you how to discover your dream's spiritual gold. Your dreams are real. Learn how dreams can help you gain insights from the past and future, grow in confidence, heal yourself spiritually, make decisions about your career and finances. Do this from a unique point of view: recognize the spiritual nature of your dreams. Create your masterpiece!

An ancient yet uniquely interesting way to find out more about yourself. This book shows how you can govern your everyday life by knowing what can take place in the future.

Nearing Hungry Horse By: Carol Woster Bodil Strand returns home to Hungry Horse, Montana. The land has a rich history of miners and outlaws, artists and religious communities, proud people living in a beautiful and dangerous land. But Bodil finds the town is slowly being crushed by the vicious practices of the local social worker, Walter Schultz, who breaks apart families and creates a ruthless cycle of poverty and dependence. As a reporter for the local paper, Bodil also acts as confessor for the townspeople's secrets, hopes, and fears. There's Tarra and Morgan, whose marriage is crumbling under financial strain; Rudy, a struggling veteran; Jane, depressed and in love with Rudy; Pastor Kiefer, too proud to provide for his disillusioned flock; and Owen Wells and his wife, whose grandchildren were taken away by the state on false abuse charges. Bodil tries to write the truth in her articles, to capture the spirit of her beaten and broken neighbors as they try to live lives of freedom and hope. Epic in scope and intimate in scale, *Nearing Hungry Horse* reflects on the peril of supposed progress in a wild land.

The author discusses the teachings of Eckankar, the search for spiritual knowledge, and guidelines for leading a spiritual life

It's 1970. A dark Wisconsin night. A once-shy farm boy, now in his twenties, stands on a bridge over a river. He's left the farm, studied for the clergy, and done a stint in the air force. He's a proofreader now. He's seen faraway places, but tonight he's in Wisconsin overlooking the dark water. He's about to see the face of God, to become a God-Realized man. From this momentous turning point, Harold Klemp's life would never be the same. His incredible experience that night was simply a prelude to a time of testing, humbling, cleansing, yet blessed experience with the Light and Sound of God. He would emerge as the spiritual leader

and modern-day prophet of Eckankar. This is his spiritual autobiography. "This book," he says, "is about God-Realization and the myths that surround the highest state of spiritual realization known to mankind. The first and greatest illusion is that once God-Realization is attained, the battle for higher consciousness is forever won. This oversimplifies things. . . . "The hard part came after God-Realization. Now I had to return to the problems of life and confront them. The specter of God's haunting love was always with me. . . . It carried me beyond the pleasant cooing of belief and faith, thrusting me into a brilliant world of light shorn of all illusion." If a shy Wisconsin farm boy can master his spiritual destiny, why can't we? According to Gallup, 82% of those polled in America alone want to experience spiritual growth. Believe it or not, it is your destiny to discover your godlike nature, your spiritual greatness. "Tucked away in the hidden places of this book are clues as to how you too may reach the glories of God," says Klemp. "Now come with me on my journey."

The groundbreaking study of the new religion, Eckankar and its founder Paul Twitchell. Written forty years ago by a then a young college student, *The Making of A Spiritual Movement* showed for the first time how the founder of Eckankar had attempted to hide his past and create a new biography replete with mythic characters such as Sudar Singh and Rebazar Tarzs. Paul Twitchell was also a plagiarist of the first rank and copied verbatim whole pages from the work of Julian P. Johnson and others. Many Eckists who read this book in its earlier editions chose to leave the movement and became harsh critics of Eckankar's persistent cover-up of its founder and his questionable activities. *The Making of a Spiritual Movement* caused such a tremendous uproar within the membership of the group that Eckankar issued a "Special Notice to All Eck Chelas," dated December 27, 1979, attempting to squelch the persisting controversy surrounding Lane's findings. The following excerpt reveals in a nutshell Eckankar's official opinion of this book and its findings: "It does not tell the straight story. . . was not completely researched and is untrue. These people [David Lane, Mark Albrecht, et al.] are being used by the Kal [Negative] forces to dismantle Eckankar and are referred to by Sri Paul Twitchell in a private tape he made. . . shortly before he translated. Paul said: . . . [These] pagans and heathens are in a conspiracy to destroy Eckankar, not only in the physical but in the psychic worlds. . . those who are bracketed within the category of these people are actually against us. They have been--since the beginning of mankind or the formation of the lower worlds. All these people are under the Kal forces. . . Sn' Darwin [Second Living Eck Master] asks that [Lane's research as found in the 1979 SCP Journal] be destroyed. . . ." Obviously, Eckankar does not agree with Lane's findings. However, as Dr. J. Gordon Melton notes, "The evidence that David Lane uncovered of Twitchell's creating a false history of his rise to leadership of Eckankar indicates extensive corruption. That the leadership has done nothing to correct Twitchell's false claims, yea, have perpetuated them, indicates a significant problem at the heart of that organization." This particular edition is based primarily on the 1978, 1983, and 1993 versions and thus reflects what was then known about Eckankar and its history. Excerpt from the prefatory section, "A number of researchers have discovered that Paul Twitchell's plagiarism was much more extensive and widespread than I even first imagined since it turns out that he had appropriated complete sentences and paragraphs from a variety of books outside of Radhasoami and Sant Mat circles. In light of the Internet and sophisticated scanning applications, it is now possible to track down most of Twitchell's sources word by word. Twitchell wrote at a time when he most likely did suspect that his massive plagiarisms would be discovered, but today it is relatively easy to see where the founder of Eckankar got his inspirations and where he indulged in literary piracy. Moreover, Twitchell's attempt to hide his past has come undone, with new documents and information showing that he never traveled to Europe or Paris at the times he claimed. Despite Twitchell's duplicity there are many who feel that he was a "master compiler" and a spiritual "smash up" artist before his time. As for myself, I find Paul Twitchell to be one of the most interesting religious leaders to have emerged from the 1960s.

"Eckankar is a religion for the individual--what many of us hoped religion would be. Its purpose is to help individuals find their own way back to God through direct personal experiences." *ECKANKAR--Ancient Wisdom for Today* offers a compelling introduction to the ancient teachings of Eckankar. This book explores spiritual experiences to connect with people of all backgrounds. It contains surprising gems for those who consider themselves to be spiritual but not religious. If you yearn for spiritual freedom and truth, this book presents easy-to-apply steps toward your goals. It shares vivid examples from Harold Klemp, the spiritual leader of Eckankar, showing how to live a truly spiritual life in a material world. The book presents a range of concepts popular in modern culture--karma, reincarnation, seeing an inner light, prophecy, near-death and out-of-body experiences. Eckankar shows how these spiritual experiences are relevant to everyday life. Past lives, dreams, and Soul Travel are more than intriguing ancient mysteries. They are the natural activity of Soul. Soul is the True Self, the inner, most sacred part of each person. With a prove-it-to-yourself message to seekers, this book shows how Eckankar is a living religion. Real learning comes from your own experiences. *ECKANKAR--Ancient Wisdom for Today* is refreshing, bold, and a timeless guide for today's spiritual adventurers!
