

Personal Finance By Jack Kapoor

Kapoor/Dlabay/Hughes' Personal Finance is the #1 market-leading Personal Finance text. It provides comprehensive coverage of personal financial planning in the areas of money management, career planning, taxes, consumer credit, housing and other consumer decisions, legal protection, insurance, investments, retirement planning, and estate planning. The goal of this text is to teach students the fundamentals of financial planning so they can make informed choices related to spending, saving, borrowing, and investing that lead to long-term financial security. Personal Finance, 7/e provides many financial planning tools using a step-by-step approach to help students identify and evaluate choices as well as understand the consequences of decisions in terms of opportunity costs.

Focus on Personal Finance is a brief, 14-chapter book, covering the critical topics in Personal Finance courses. This 4-color, paperback text is designed and written to appeal to a range of ages, life situations, and levels of financial literacy. A unique aspect of this text is its active approach. This text will not only get your students thinking about their current situation and financial goals, but also encourage them to put these in writing to use as a guide and revise over the course of their lives. New for this edition, sections are oriented around specific action-items for students. The more a student involves themselves in the assessments, exercises and worksheets provided, the more they will discover about their current habits and how to improve them for greater financial freedom. Students have many different financial goals, but none are more important than having a basic understanding of financial issues and peace of mind with regard to their decisions. The ultimate goal of Focus on Personal Finance is to get students to this point as a first step to achieving the many financial goals they have set for themselves.

Glencoe Business and Personal Finance shows high school students how to manage their personal finances now and in the future. The program helps students realize that they are already making financial decisions, shows them how their decisions affect their future, and allows students to see the business applications of finance. High-interest features, an engaging visual program, and easy-to-read content make the program useful for all types of learners. Real-World Application assessment promotes critical thinking skills and links finance to other fields of study. Standard & Poor's Q&A presents questions and answers from the leaders in financial information, Standard & Poor's. Standard & Poor's Case Study includes an analysis and recommendation from Standard & Poor's, as well as three critical thinking questions. What's Your Financial ID? consists of short self-assessment quizzes that directly apply personal finance to the student's life.
