Weary travelers. You've seen them -- everything they own crammed into their luggage. Staggering through terminals and hotel lobbies with overstuffed suitcases, trunks, duffels, and backpacks. Backs ache. Feet burn. Eyelids droop. We've all seen people like that. At times, we are people like that -- if not with our physical luggage, then at least with our spiritual load. We all lug loads we were never intended to carry. Fear. Worry. Discontent. No wonder we get so weary. We're worn out from carrying that excess baggage. Wouldn't it be nice to lose some of those bags? That's the invitation of Max Lucado. With the Twenty-third Psalm as our guide, let's release some of the burdens we were never intended to bear. Using these verses as a guide, Max Lucado walks us through a helpful inventory of our burdens. May God use this Psalm to remind you to release the burdens you were never meant to bear.

The Perfect Score Project is an indispensable guide to acing the SAT -- as well as the affecting story of a single mom's quest to light a fire under her teenage son. It all began as an attempt by Debbie Stier to help her high-school age son, Ethan, who would shortly be studying for the SAT. Aware that Ethan was a typical teenager (i.e., completely uninterested in any test) and that a mind-boggling menu of test-prep options existed, she decided -- on his behalf -- to sample as many as she could to create the perfect SAT test-prep recipe. Debbie's quest turned out to be an exercise in both hilarity and heartbreak as she took the SAT seven times in one year and in-between "went to school" on standardized testing. Here, she reveals why the SAT has become so important, the cottage industries it has spawned, what really works in preparing for the test and what is a waste of time. Both a toolbox of fresh tips and an amusing

snapshot of parental love and wisdom colliding with teenage apathy, *The Perfect Score Project* rivets. In the book Debbie does it all: wrestles with Kaplan and Princeton Review, enrolls in Kumon, navigates khanacademy.org, meets regularly with a premier grammar coach, takes a battery of intelligence tests, and even cadges free lessons from the world's most prestigious (and expensive) test prep company. Along the way she answers the questions that plague every test-prep rookie, including: "When do I start?"... "Do the brand-name test prep services really deliver?"... "Which should I go with: a tutor, an SAT class, or self study?"... "Does test location really matter?" ... "How do I find the right tutor?"... "How do SAT scores affect merit aid?"... and "What's the one thing I need to know?" *The Perfect Score Project's* combination of charm, authority, and unexpected poignancy makes it one of the most compulsively readable guides to SAT test prep ever – and a book that will make you think hard about what really matters.

Do you ever feel like you don't have what it takes? Like you can't be as good as those around you? Well, after waiting decades for his time to lead, Joshua had some big shoes to fill. He may have felt slightly intimidated by the task at hand. Joshua's predecessor, Moses, had a near spotless résumé: he led the Jews out of Egypt, parted the Red Sea, and even conversed directly with God. Not exactly an easy act to follow. Yet Joshua's fearless confidence in God proved to be more than enough. God used Joshua in miraculous ways. All his life, the people of Israel followed and trusted Joshua's lead. The *Fresh Life* series was created by women for women, who crave a profound experience of God's Word without an overwhelming time commitment. In just 20 minutes a day, you will come to a deeper understanding of the truths of the Bible. With a group or by yourself, use this easy-to-use study to develop a fearless, Joshua-like confidence in God so you can accomplish everything He asks you to do.

It is incredible that the first promise of a coming Messiah came not to our first parents, Adam and Eve, but to the serpent who had so deceitfully engineered their downfall. Genesis 3:15 records that God's promised Seed of the woman was destined to defeat the seed of the serpent, which anticipated the gospel of the Lord Jesus Christ. This is known as the "first good news," or proto evangelum, whose blessed promise became the focal point of the entire Old Testament. Threading its way through Abraham and his descendants, this promise came to rest on his great grandson, Judah, and remained there for all succeeding generations, finding fruition in the first coming of the Messiah, indicated by the words of Genesis 49:10, "until Shiloh comes." Throughout history, Bible scholars have largely agreed that Shiloh, which means peace, references the first coming of the Lord Jesus Christ, the Prince of Peace, the Lion of the tribe of Judah. The Old Testament is the foundational document for all that follows in the New Testament and should never be relegated to inferior status. These older scriptures were given for our admonition and should be esteemed and appreciated in the same manner as the New Testament writings until Shiloh comes, the second time.
