Modernist Poetry, Gender and Leisure Technologies: Machine Amusements explores how modernist women poets were inspired by leisure technologies to write new versions of the gendered subject. Focusing on American women writers and particularly on the city of New York, the book argues that the poetry of modernist women that engages with, examines or critiques the new leisure technologies of their era is fundamentally changed by the encounter with that technology. The chapters in the book focus on shopping, advertising, dance, film, radio and phonography, on city spaces such as Coney Island, Greenwich Village and Harlem, and on poetry that embraces the linguistic and formal innovations of modernism whilst paying close attention to the embodied politics of gender. The technologized city, and the leisure cultures and media forms emerging from it, enabled modernist women writers to re-imagine forms of lyric

Why this book? This is a companion book for boys and girls in secondary schools and a reference book for parents and teachers. The book has come about because of the scarcity of the type of books I want to use to teach the essentials of English to secondary school students who are learning English as a second language in an environment in which contact with the English language is minimal. This is a book with a difference: it is reader-friendly and uncluttered. It has illustrations in Chinese to flag ideas of special interest to help readers to avoid the types of errors commonly made by students. It aims to help them grasp the basics of English and the practical aspects of its usage. Poetry being the soul of any language, part of this book discusses poetic measures, the appreciation of poetry and what is new in poetry today. This book, a labour of love, is also about caring and sharing. To promote the practical use of good English is what I care about. I think Hong Kong will be a better place for it. It shares with readers my knowledge of English, learned from and attributable to my English teachers in schools and universities all those years ago. It shares with my readers my experiences gathered over many

## Reflective Reading and the Power of Narrative:

Producing the Reader is an interdisciplinary exploration into the profound power of narratives to create—and recreate—how we imagine ourselves. It posits that the process of producing a text also produces the reader. Written from the perspective of a psychoanalytic feminist, Sproles considers a wide array of examples from literature, popular culture, and her own experiences to illustrate what she calls "reflective reading"—a metacognitive reading practice that recognizes the workings of the unconscious to push the reader toward a potentially transformational engagement with narrative. This may manifest as epiphany, recovery from loss or resolution of repressed trauma. Each chapter draws on examples of characters and authors who model a reflective reading process from Jane Austen and Virginia Woolf to Johnny Cash and Alison Bechdel. By reclaiming the role of the unconscious, Karyn Sproles reinvigorates the theoretical work begun by reader-response criticism and develops a deep understanding of identification and transference as an integral part of the reading process. For students and researchers of cultural studies, psychoanalysis, gender studies and feminist literature and theory, Reflective Reading and the Power of Narrative offers innovative and accessible ideas on the relationship between reader and text.

Transcontinental Railroad, Famous Americans, Animal Migration, Native Americans, Pre-Columbian Settlements, European Exploration, and more! “Recommended...diligent research...a wealth of information about daytime programming of the 1930’s”—Radio Recall Vic and Sade, an often absurd situation comedy written by the prolific Paul Rhymer, aired on America’s radios from 1932 to 1944 (with short-lived revivals afterward). The title characters, known as “radio’s home folks,” were a married couple exploring the comedic side of ordinary life along with their adopted son and an eccentric uncle. This book examines the program’s depiction of many aspects of American culture—leisure activities, community groups, education, films—in light of the critiques put forward by the era’s critics such as William Orton. Vic and Sade offered its own subtle cultural critique that reflected how ordinary people experienced mass culture of the time.

A jaunty journey into the world of the quiz, from the question editor of BBC2's Only Connect, sometimes in the form of 300 excellent quiz questions In 1938 Britain started to quiz. Since then, quizzes have become ubiquitous entertainment from pubs to primetime, suffered major criminal investigations, created unlikely folk heroes and been subjected to the rigours of question checkers. The Joy of Quiz tells the history of quiz and its makers, wonders how we came to make a game out of remembering scraps of information, looks at the tactics of professional quizzers and reveals the shadowy worlds of setters and checkers. Along the way, it asks questions such as 'What is a fact, anyway?' and 'Whatever

Vernon God Little is het debuut van DBC Pierre dat hem onverwijd de Man Booker Prize en een orkaan aan pers aandacht opleverde. Het is een schrijnend en hilarisch avontuur, gesitueerd in het Texaanse plaatsje Martirio - bekend van de barbecuesaus - tijdens de nasleep van een bloedbad op een middelbare school. De roman wordt bevolkt door een meute zonderlingen, freaks, kwekkende huisvrouwen en die ene, ontroerende adolescent met een groot talent om op het goede moment op de verkeerde plaats te zijn. Vernon God Little is een satire die diep door het hart van hedendaags Amerika snijdt. Rauw maar erg, érg grappig. 'Niets in dit boek is overdreven. De manier waarop we tegenwoordig leven is veel wilder en extremer dan een schrijver ooit zou kunnen bedenken', aldus DBC Pierre zelf. 'Ik ben geen satiricus. De realiteit is de satire voorbijgegaan.'

Nothing seemed to escape the eyes of Philip Larkin, a contemporary English poet who achieved acclaim on the strength of a small body of work. While lyrically exploring the human experience, Larkin's candid perceptions were enlivened by his acute power of observation—a unique literary talent that prompted his recognition as England's other Poet Laureate. In a fascinating quiz book that will appeal to both Larkin scholars and lovers of poetry and literature, retired English professor M. R. Sethi shares more than six hundred questions (with answers) that offer an opportunity to test knowledge regarding the life and works of the famous poet. Scholars and others will be tested on Larkin's physical shortcomings, his first jobs, what he wore while mowing the lawn, why he once threatened to jump out a window, who was not one of his friends at Oxford, and much more that includes detailed questions regarding many of his poems. So You Think You Know Philip Larkin? is a volume of questions and answers shared to test the knowledge of both scholars and poetry and literature aficionados about a famous, contemporary poet.

In *Myths, Legends, and Heroes*, editor Daniel Anzelark has brought together scholars of Old Norse-Icelandic and Old English literature to explore the translation and transmission of Norse myth, the use of literature in society and authorial self-reflection, the place of myth in the expression of family relationships, and recurrent motifs in Northern literature. The essays in *Myths, Legends, and Heroes* include an examination of the theme of sibling rivalry, an analysis of Christ's unusual ride into hell as found in both Old Norse and Old English, a discussion of Beowulf's swimming prowess and an analysis of the poetry in Snorri Sturluson's Edda. A tribute to Durham University professor John McKinnell's distinguished contributions to the field, this volume offers new insights in light of linguistic and archaeological evidence and a broad range of study with regard to both chronology and methodology.
