

Prayer For Victory Over Evil By Apostle Kimberly Daniels

There is a dream world and there is a physical world. Distinct yet interrelated. What are the sources of dreams? Do dreams affect our lives? This book gives you practical examples of how satanic agents have manipulated the lives of numerous people into nothingness through dreams. The author provides you with Biblical ways of converting defeats in your dreams into lasting victory. You can stop the endless tide of defeats today. **READ THIS BOOK**

Pray from Your Gut Satan is alive, well, and actively searching for opportunities to ruin you. Perhaps your trying circumstances or struggling relationships reflect his schemes. Does that make you angry? If you've ever suppressed simmering anger toward the enemy, seeing it as an intrusion into your prayers, it's time you experience the power of violent prayer. These very emotions of hatred and anger against Satan are fuel for life-changing prayer. Overcome an unhealthy, passive approach to prayer that dilutes your communion with the reigning Victor. When you move from defensive, reactive prayers to offensive, proactive prayers with an aggressive agenda, things begin to change. And you don't want to miss out. When the Battle Rages, Wage Prayer You witness evil all around and it bothers you. You fall to your knees and tentatively, hopefully, you approach God and ask Him to step in. But nothing happens. Goodness and righteousness seem to be fighting a losing battle. You wonder, Why is God so passive? Perhaps the better question is this: Why are you so passive when it comes to prayer? Embrace the infuriating, passionate emotion that wells up within you against Satan and his schemes. Turn your righteous anger into proactive, aggressive prayers that invite God to intervene and destroy the evil around you. Engage in violent prayer. "Chris Tiegreen writes with wisdom, knowledge, and creativity. Violent Prayer is a wonderful resource for Christians who want to make prayer a more powerful part of their lives." Carol Pipes Editor, On Mission Story Behind the Book "Especially in praying for my family, I've learned that there is a connection between the emotional content of my prayers and the results I see later. Many such experiences have convinced me that 'violent' prayers can be quite appropriate and effective. My book gets into the nuts and bolts of praying God's agenda without reducing it to formulas, hierarchies, military strategies, or any other clichéd approach to spiritual warfare. It primarily addresses the emotional attitude of the believer and describes how to incorporate God's holy anger into prayer for specific situations. Christians will learn how to pray from their gut-level reactions to the enemy's agenda." —Chris Tiegreen This second edition adds about forty six pages to the first one and brings interesting declarations like, 'Victory over the Edomite or Fainting Spirit, Prayers against Tongues of Backbiters, Gossips and Evil Spirits,' etc. Prayer is the art and act of communicating with God. It is our link with heaven and the realms of the spirit. It is the power source of any human being who desires to succeed God's way. Prayer is our most important Christian duty after righteousness. It is an art because we have to engage in it according to biblical principles. It is an act because prayer cannot be totally delegated but be embarked upon daily and incessantly for individual victory. Communication with our bridegroom becomes a necessity for meaningful relationship. Prayer is the life giving breath of a modern day Christian. God does not do anything without speaking forth and this is the ministry of the prophet. John reveals that, 'in the beginning was the

word, and the word was with God, and the word was God (John1:1-3). God created the universe by spoken word. In the Hebrew language a word represents the very thing spoken because God created all things by His word. The word therefore defines the reality of the object. In the Hebrew the word for object *devarim* or *dawbar* is the same used for 'word' because a word does not just represent size, colour, shape but the very spiritual essence since it was the word that brought it into existence. God made Adam to name all the animals He created because Adam had the ability to speak like God and become co-creative by the spoken word. Speaking should be backed up with faith and that's the reason why the spoken word is referred to as the spirit of faith. Our words are not supposed to be empty or void of power. God says, 'so shall my words be that goes forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I send it.' (Isaiah 55:11). Multi-award winning spirituality writer Philip Yancey is loved throughout the world for his honest, insightful and inspirational writing. **PRAYER: DOES IT MAKE ANY DIFFERENCE?** carries all the hallmarks of classic Yancey, a journalist by training. His quest to unravel the mysteries of prayer reads as the journal of a fellow traveller: questioning, challenging, lamenting the unexplainable and rejoicing in the discovery of awesome insights. His journey is beautifully illustrated with moving true stories drawn from around the world. **PRAYER: DOES IT MAKE ANY DIFFERENCE?** tackles the following questions: What is prayer? What difference does it make? Why and how should we pray? What about unanswered prayer? How should we understand prayer for physical healing? Focusing on such a universal theme, this is potentially Yancey's biggest book yet. To date, his books have sold over 14 million copies, and have been translated into 25 languages. His first book with Hodder, **SOUL SURVIVOR**, sold over 90,000 copies in just five years.

"A worship that will have staying power is a worship that is firmly grounded in the old, yet aware of and concerned for new ways to respond to the old, old story." In the first edition of *Worship Old and New*, Robert E. Webber introduced an approach to worship that blended historical and traditional practices with contemporary elements. Since then, the spreading fires of worship renewal have provided opportunity for fresh consideration. This significantly revised edition is the result of Webber's interaction with current worship trends. It is intended to be used both in the classroom and by those who want to improve worship in the local church. Reformatted for an easier, logical approach to worship theology, this revised edition of *Worship Old and New* is divided into four major sections, addressing the biblical foundation of worship, its theology, its history, and its practice. New information has been incorporated into each section to give the reader a better grasp of the biblical themes of worship, a deeper understanding of Old Testament customs, and a solid grounding in modern-day renewal

movements. Especially significant is a reexamination of the actual practice of worship that goes beyond the merely academic to provide a practical perspective through the eyes of the worship leader and worshipers. Well-versed in the best of both past and present, *Worship Old and New* is a scholarly, up-to-date, and thought-provoking resource for those serious about exploring worship.

Jesus tells us in the Gospel of Luke that he has overcome "the strong man," Satan, attacking and defeating humanity's ancient enemy. We are equipped to share in this victory provided we are careful "not to let the old enemy deceive us again," Saint Leo tells us in this lively translation of his sermons. His dazzling description of the action of God in Jesus, and his compassionate, encouraging advice to each of us--"What mighty weapons the Lord has provided for us! We have tremendous grounds for confidence"--strengthen us for successful Christian living. Leo the Great has been honored for over a thousand years as a Father of the Church. His teaching helped shape the basic beliefs that remain central to Christian faith. This remarkable collection of readings brings Leo's voice directly to bear on the spiritual concerns of modern Christians. Ultimately, he tells us, "By freely surrendering our lives to the Lord we secure a peace with God that nothing can destroy." *Delivered from Evil* is an ideal book for daily reading, meditation and prayer.

A classic work on Christian meditation.

Victory over the Storms of Life Naturally, it is easy to identify a person in your neighborhood whom you can describe as rich and wealthy. The next possible tendency on your part is to consider him as someone who has no problems (storms). This is because the common erroneous benchmark is to measure success by ones wealth. Definitely, this is not so! With all he may have, he has one or more problems (storms) agitating his mind which his money cannot solve and requires divine intervention. "Difficulties are the forerunners of greatness." Find out why in this book!

For author Brenda Stanford Southerland, honoring the Father through prayer is more valuable than gold or silver, and it truly yields precious rewards. In *Honoring the Father through Prayer*, she presents a guided study of the book of Isaiah to show how prayers can greatly impact the lives of Christians. The book of Isaiah, often referred to as the mini-Bible with its sixty-six chapters, demonstrates the importance of prayer and studying Isaiah yields rich fruit. With emphasis on biblical examples, Brenda helps Christians by delivering a model for prayer. Her model:

- teaches about Isaiah the man, a prophet of God
- provides a perspective on Israel's historical background—national and international
- discusses the prophecy of Babylonian exile
- explores God's grace through divine deliverance and restoration
- delivers a true perspective on prayer as it relates to honoring God, focusing on God as the Father, and
- describes the prayer guidelines that are divine instructions to create a practical method of daily prayer.

In *Honoring the Father through Prayer*, Brenda helps Christians focus on

God and facilitates a more meaningful prayer life to change lives and deepen relationships with God.

Pray One for Another is a book written to bring awareness of the urgency and importance of prayer in the lives of all people. According to biblical teachings, we are required to pray for each other; as well as those who have not accepted Jesus Christ as Lord and Saviour. The book also addresses the many hindrances to prayer and what we need to do in order to avoid them. For example, unforgiveness can hinder the answers to your prayers, and furthermore, short circuit your communication with God. Jesus said in Matthew 5:23-24, Therefore if thou bring thy gift to the altar, and there rememberest that thy brother hath ought against thee; 24 Leave there thy gift before the altar, and go thy way; first be reconciled to thy brother, and then come and offer thy gift. Unforgiveness can also prevent the Father from forgiving you. Again Jesus said, in Mark 11:25-26, And when ye stand praying, forgive, if ye have ought against any: that your Father also which is in heaven may forgive you your trespasses. 26 But if ye do not forgive, neither will your Father which is in heaven forgive your trespasses. It exposes the intimacy of prayer and how it relates to the person of Jesus Christ and the authority that is associated with his name. Included in this book are a series of prayers that can help the Christian to develop a vibrant prayer life.

There are notations and prayers on Thanksgiving, Submission, Salvation, Wisdom, Overcoming fear, Trials and Temptations, Troubled past and more. In all of these, Jesus Christ remains the focus of attention because we can do nothing without him. To him, we give all the praise and all the glory. * * * * *

Unfortunately, most Christians allow Evil dreams to take over their lives. As Christians, we are not supposed to allow Evil dreams to dominate our lives. A lot of people don't know how to stop Evil dreams from taking over their lives. This is the reason Dr. Olusola Coker carefully explains the meaning of Evil dreams, types of Evil dreams and how to deal with them.

The name Judas Iscariot usually provokes a negative response as the disciple who betrayed his Lord to death. It is difficult to think of another person, dead for so long, who is so closely associated with betrayal. In recent times, some commentators have urged a rethink on Judas, arguing that he has been unfairly treated. This book will show that the traditional picture of Judas as a traitor best fits the biblical evidence. It also establishes two other points. Firstly, although Judas was a human being, he had the literary features of an idol. Secondly, the earliest gospel, Mark, clearly establishes his guilt and Matthew and Luke show how uniquely guilty Judas was.

Because God is personal and relational, He desires a personal relationship with every one of us. God invites us to come apart each day for some quiet time with Jesus. When we do this, our Lord speaks and we hear; then He hears as we share our hearts, and He changes us in His presence. Daily quiet times with Jesus are an amazing and treasured opportunity. The life-changing principle we can apply in His presence each day is Because God . . . I Can. Because God what? Because He speaks, acts, reveals, empowers, loves – because He is with me in this moment and always, I can. What can I be or do because of who God is and what He does? This devotional focuses on twelve foundational practices we are called and enabled to live as we walk with God. Each month a different practice is emphasized that I can live today Because God . . . Each day of the

month another truth about God is highlighted regarding that theme, which leads to increasingly understand how I Can be living this practice today. The twelve monthly themes in this yearlong devotional are Because God . . . I Can Believe, Trust, Receive, Pray, Praise, Love, Listen, Rest, Testify, Serve, Give, and Hope. Come, grow in these life practices as you follow the Lord and make it your habit to come apart for daily quiet time with Jesus. A daily schedule for reading the Bible through in a year is also included. About the Author Dr. Stephen Gammon is a third-generation minister who has walked with God since early childhood, enjoying a lifetime of treasured quiet times with Jesus. Whatever you don't pray about now may become a prayer point in the future. Don't try to understand how prayer really works for children, just engage in it, do it and it will amaze you the impact you will see in your children. The author of this powerful book, through the help of the Holy Spirit created an atmosphere of change in parents' perspectives to how valuable it is to stand in the gap for their children in prayer. Praying mothers have peaceful children. Man cannot change the heart or decision of another human, only God can. Proverb 21:1 says, "The king's heart [is] in the hand of the LORD, [as] the rivers of water: he turns it wherever he will." Whatever your children grow up to see in you is what they accept as norm. It'll be very hard to teach your children what they don't see you do, because what they see is what they do. When you take up the praying habit, expect them to emulate you and cultivate the same habit. This is why this book is so crucial for your home to build a strong foundation in God for your children. Praying Mothers are Supper Mothers!

This volume evolved experientially: the fruit of fifty-five years of solitude by a contemporary Coptic Orthodox desert monk besieged by prayer. Fr Matta's

prayer life initially was formed under the direction of the sayings of the Russian Fathers, and later expanded under the direction of other Fathers, both Eastern and Western. He imparts to his readers "a whole course" on prayer.

Although the book of Psalms is a collection of ancient hymns and poems originally written in Hebrew, it continues to be a source of fascination and inspiration. The psalms live on because they reflect a profound belief in a God who was involved with people and with human affairs--a God who had done wonderful things in the past, for which he should be praised and held in awe; a God to whom complaints could be addressed because of apparent inactivity on behalf of those loyal to him in the present; a God who, despite the distresses and difficulties of those who called upon him, could be trusted to ensure justice in the future. The Psalter contains some very human responses to a God who was sometimes very real to those who addressed him and who sometimes seemed deaf to their cries. Adrian Curtis invites his readers to enter into the world of the Psalms and to find there, sometimes surprisingly, experiences and emotions that resonate with their own.

How is it possible to hold a New Testament ethic to love one's enemies and pray for their physical infliction, shame, death, and suffering of family members? And yet, the Psalter, the prayer book of the Church, contains such prayers. In modern times, the Church has adopted a semi-Marcionite attitude towards these troubling texts, excluding whole psalms or parts from liturgies and private use. But as the age of "terror" dawns upon us, we are finding that these texts speak of unchanging realities that perhaps the ancients were abler to understand than moderns. Two great wars and a multitude of ideologies proved in the last century that the intellect cannot prevent these irrational impulses of destruction, and post-modern societies, of the present century, with their multitude of voices really offer no voice to counter moral evil. This study of six psalms with graphic language of enmity seeks to help the reader overcome shallow views of the mystery of evil, cultural blinkers of the use of language, and even personal prejudices. It attempts to recover the complete prayer book of the Church, as it once was, Israel's prayer book.

The Bible is the only weapon in which believers use to fight and proclaim formidable victory over the enemies. Without the Bible, there can never be victory and our prayers become useless and the devil would begin to take the glory. One of the powerful scriptures against night raiders, spiritual attacks and prayers that guarantee a peaceful sleep, is a prayer from the book of Psalm 91. We live in a wicked world today, and the devil is not getting any kinder. Every believer that must survive the attacks of darkness must be giving to intense prayers and spiritual understanding of the word. The bible talks about the snare of the fowler, (psalm 91:3), this means the traps of the enemy. The devil is busy setting all manner of traps for believers, for instance, relationship traps, many Christians are trapped in wrong marriages and with the wrong people, there are also ancestral traps, where believers are struggling with ancestral powers and demonic forces. The bible also talks about the terror, by night, the arrow by day, and the pestilence that roam in darkness, this is different spiritual attacks that are thrown to believers from the pits of hell. This psalm 91 prayer points for protection, will help you as you prayerfully build a wall of protection over your life. -From today, no devil or demonic agents shall prevail over your life in Jesus name. -Pray this prayer in faith today and see divine protection in your life in Jesus' name.
