WARNING: This book will expose the truth. If you do not want to know the truth, do not read this book. This book is about the THIRTY SEVENTH CHAPTER in the Book of Isaiah. This book is the thirty seventh book in a series of thirty nine books on the Book of Isaiah. This book breaks down each and every verse in the thirty seventh chapter of the Book of Isaiah. WARNING: This book will expose the truth. If you do not want to know the truth, do not read this book. The main goal of this book, which is about the Book of Isaiah, is to determine whether or not Isaiah ever talks about a "messiah" in the Book of Isaiah. If Isaiah talked about a "messiah," then we have absolutely no problems and what we have been told would be the truth. If Isaiah never talked about a "messiah," then we have been misled and lied to, which means that everything that is based off of this lie, is also a lie. So, this is very, very important. What is also very important to understand is that all my books are not an interpretation of what someone thinks Isaiah meant by what he wrote or what someone thinks someone else thinks Isaiah meant by what he wrote or what I think Isaiah meant by what he wrote, as all my books only use the actual words that Isaiah wrote. Many books take what Isaiah wrote and interpret it in such a way that leads the reader in a direction that takes the reader down the path that the interpreter wants to take the reader down. My books will not do this. We will let Isaiah take us down his own path. My books, as far as I know, are the only books ever written that let Isaiah take us down his own path. So, we know exactly what Isaiah is telling us, instead of what someone else wants Isaiah to be telling us. We do not interpret Isaiah; we just read the words that he wrote. Of my books, which should be the first that you read? I suggest that you should start with, "THE BOOK OF ISAIAH - THE REAL TRUTH." This book is a short book that will give you all the information that you will need to determine if Isaiah ever talked about a "messiah" in the Book of Isaiah. It will point out all the facts, using only the words of Isaiah, and will refer to every chapter and verse that those that make the claim that Isaiah does talk about a "messiah" claim are the chapters and verses where they claim Isaiah makes these claims. My books will point out the actual truth, using only the words that Isaiah wrote, and you can read Isaiah's actual words and decide for yourself. Another of my books that you may

want to get, is the complete real Book of Isaiah, chapters 1-39, that you can use to refer to concerning the book, "THE BOOK OF ISAIAH - THE REAL TRUTH" and it is called, "THE BOOK OF ISAIAH - THE COMPLETE BOOK." It has all Thirty Nine chapters that make up the real Book of Isaiah. If you do not want to purchase the, "THE BOOK OF ISAIAH - THE COMPLETE BOOK," you can purchase individual chapters of all Thirty Nine chapters. If you decide that you only want to purchase individual chapters, they are all called, "THE BOOK OF ISAIAH - CHAPTER - 1 - 39." If you decide that you only want to purchase individual chapters, the chapters that are the most crucial to the "messiah" issue would be chapters 7, 8, 9, 10, 11, 12, and 32. There is also the topic of the so-called Isaiah prophecies. The biggest so-called Isaiah prophecy is the so-called destruction of Babylon Isaiah prophecy. You can read about this so-called prophecy in, "THE BOOK OF ISAIAH - CHAPTER THIRTEEN." "THE BOOK OF ISAIAH - CHAPTERS - 14-35 talk about a variety of topics, many of which are referred to as prophecies also. "THE BOOK OF ISAIAH - CHAPTERS - 1-6," mainly talked about Isaiah's personal desires, which you will find in every chapter and what Isaiah tells us the Judaic God will do, which you can also find in every chapter. "THE BOOK OF ISAIAH - CHAPTERS - 36-39," are all about Hezekiah. The Book of Isaiah is basically about one single event and the sub-events of this main event. My desire, when writing these books was to bring the reader, for the first time ever, the actual words of Isaiah instead of someone else's biased interpretation of what Isaiah wrote and to let the reader decide for themselves what the actual truth is.
