Create a sampler quilt as unique as you are! Tula Pink gives you an inspiring quilt block collection with Tula Pink's City Sampler. Make a beautiful, modern quilt of your own design with the 100 original quilt blocks or try one of the 5 city-themed sampler quilts designed by Tula. A note from Tula: "You will notice...that the blocks are not named but simply numbered. This is intentional. I may have designed the blocks and given you the instructions on what to cut and where to stitch, but I have not infused the blocks with any meaning. This is your quilt. The fabrics that you choose, the colors that you use and why you are making it are what will give the quilt a purpose. Name your blocks, write in the margins, cross out the ones that you don't like, draw hearts around the ones that you love. In a perfect world, everyone's book would end up looking like a journal, coffee stains and all. The more adventurous ones might rename the book and write their own introduction. Tula Pink's City Sampler is a collaboration between you and me. I am the platform and you are the speaker, so stand on my shoulders and tell the future who you are and why you make."

"For quilters - a pattern and information book for making That Town and Country Quilt"--Publisher information.

The Irish Chain is one of the most universally known patterns dating to pre-American Revolutionary War times. While evidence is lacking that this pattern came from Ireland, it has been suggested that the Irish Chain pattern may have been inspired by a similar Irish weaving pattern. Whatever the origin, the Irish Chain is a timeless pattern that continues to delight quilters today. The original Irish Chain in a Day was first published in 1986 in a black and white format. While this book remains a best seller, Eleanor wanted to update her book and add balance to the quilt. Irish Chain in a Day contains two complete quilt patterns, The Single Irish Chain, and the Double Irish Chain. Geared toward the beginner quilter, the Single Irish Chain is easy and fun to make. It guides a novice step by step through every phase of starting and finishing the quilt. The Double Irish Chain is more complex and offers the seasoned quilter a degree of challenge. With 112 full color pages, Irish Chain in a Day provides yardage and cutting charts for six
