Ik. Herinner. Me. Alles. Alleen nu wilde ik dat dat niet zo was. Als de mist die mijn herinneringen heeft beneveld, opklaart, komt de waarheid die maanden buiten mijn bereik lag, eindelijk naar voren. Maar de verlossing die ik verwacht had te voelen, blijft uit. Ik ben nu banger dan ik was toen ik geboeid aan Kings bed wakker werd. Want de waarheid brengt duistere geheimen aan het licht. Geheimen die ik nooit had mogen ontrafelen. Als ze erachter komen dat ik me alles herinner of als ik hulp zoek bij de getatoeëerde crimineel die me met lichaam en ziel bezit, breng ik degene van wie ik het meest hou, in gevaar. Ik weet niet of ik sterk genoeg ben om de aantrekkingskracht tussen King en mij, die elke dag groter wordt, te weerstaan. Hij heeft me al eens gered, op meer dan één manier. Nu is het mijn beurt om te doen wat er nodig is om hem te redden. Zelfs als dat betekent, dat ik moet trouwen met iemand anders... \* WAARSCHUWING \* Dit boek bevat scènes met misbruik en geweld die door sommige mensen als schokkend kunnen worden ervaren.\*

Scorned, penniless, and pregnant, Alex must fight for faith, family, and love. Alexandra Fisher and Jonathan Dixon meet in a honky-tonk outside of Nashville and instantly share a mutual attraction. Raised Jewish in New England by her wealthy, controlling father who holds her in contempt, Alex learned to comply with any request to keep the peace, even agreeing to marry his ideal candidate for her husband. Georgia construction empire scion Jon accepted a long-term project in Nashville, intending to spend solitary time healing. Very much the prodigal, he realized how far he's strayed off the path of his traditional Christian upbringing, and worked to repair his relationship with God before returning home to mend fences with his family. That night, Alex decides to take control of her life while, simultaneously, a horrific news story sends Jon back into a tailspin. After instructing the waitress to keep the drinks coming, they both make bad decisions that result in permanent consequences. Back home, when Alex stands up to her father, he pulls her trust fund, closes her accounts, applies influence with her employers, and evicts her. Alone, pregnant, and cut off, she can do nothing more than journey to Atlanta, hoping Jon can help. When Alex discovers Jon is not the blue-collar construction worker she assumed, she feels betrayed. However, his family's zest for life, love for Christ, and deep respect for each other show her how much was missing from the life she knew. She soon falls in love with Jon, but doesn't think he'll believe her. Jon knows he's fallen for Alex but doesn't know how to convey the depth of his feelings. Arriving at a mutual understanding of faith while looking through very different worldviews, they cling to each other, uniting as one, and learn to connect with God. But will family strife and all their baggage destroy their marriage before it even gets off the ground? \*\*\*\*\* bridgeman, christian, christian drama, christian family drama, christian fiction, christian love story, christian mystery, christian romance, christian romantic mystery, christian romantic suspense, christian romantic thriller, christian suspense, christian thriller, contemporary, contemporary christian, contemporary christian fiction, contemporary christian romance, contemporary christian suspense, contemporary drama, contemporary inspirational fiction, contemporary inspirational romance, contemporary inspirational suspense, contemporary love story, contemporary suspense, drama, dramatic christian, dramatic christian fiction, dramatic christian romance, dramatic christian suspense, dramatic inspirational fiction, dramatic inspirational romance, dramatic inspirational suspense, dramatic love story, dramatic suspense, edgy christian fiction, edgy christian romance, edgy inspirational fiction, edgy inspirational romance, fiction, God, hailey bridgeman, haley bridgeman, halle bridgeman, hallee bridgeman, Holy Spirit, inspirational, inspirational christian fiction, inspirational fiction, inspirational romance, inspirational suspense, Jesus, love, love story, olivia kimbrell press, romance, romantic christian, romantic christian fiction, romantic christian romance, romantic christian suspense, romantic drama, romantic inspirational fiction, romantic inspirational suspense, romantic inspirational thriller, romantic love story, romantic suspense, romantic themes, suspenseful drama, traditional love story, traditional romance, triplet brother, sexy hero, handsome hero, millionaire billionaire, contractor, atlanta, georgia, billionaire, trust fund, atlanta Georgia, mental abuse, abusive father, one night stand, black sheep of the family, missionary, mission oriented, control and power, wealth, wealthy family, photographer, professional photographer, pregnancy, out of wedlock pregnancy, marriage, wedding, messianic Christians, messianic jews, Judaism, jewish princess, lies and deceit, forgiveness, salvation

DORTHY EWING never met a crossword puzzle that she couldn't solve with shocking speed. As a loving wife and mother of three children, she had an idyllic life with her home and her puzzles – until she had to see her husband off to war. Then the bombing of the Blitz began. Now her husband Tom is a POW in Occupied France, her children have been sent to the hopeful safety of her parents' home in York, and she is working at Bletchley Park as an assistant to cryptanalysts. After cracking the code on an encrypted letter from her husband, she is recruited into a special team called The Virtues. She works on the home-front, receiving and sending messages to her team in France and coordinating a secret mission with her husband via coded letters. She intercepts the transmission from TEMPERANCE alerting to her blown cover. The clock is ticking in a race to save Temperance's life.

Information has to be sent to and received from the team on the ground. Can Charity help save her, or will the constraints of time and the efficiency of the Third Reich work against them? CHARITY'S CODE is part three of eight serialized novellas entitled the Virtues and Valor series. Seven valorous women — different nationalities, ethnicities, and social backgrounds — come together as a team called the Virtues. In 1941 Great Britain a special war department assembles an experimental and exclusively female cohort of combat operatives. Four willing spies, a wireless radio operator, an ingenious code breaker, and a fearless pilot are each hand-picked, recruited, and trained to initiate a daring mission in Occupied France. As plans are laid to engineer the largest prison break of Allied POWs in history, the Nazis capture the Virtues' radio operator. It will take the cohesive teamwork of the rest of the women to save her life before Berlin breaks her and brings the force of the Third Reich to bear. Some find love, some find vengeance, and some discover the kind of strength that lives in the human heart when all they can do is rely on each other and their shared belief. Courage, faith, and valor intersect but, in the end, one pays the ultimate price. Continuing the Virtues and Valor series by Hallee Bridgeman. Eight serialized novellas, each inspired by real people and actual events, reveal the incredible story of amazing heroines facing the ultimate test of bravery. \*\*\*\*\* the virtues in valor series, virtues in valor, world war ii,

Het leven van de jonge boerenzoon Eragon verandert van de ene dag op de andere als hij op een jacht in de wouden van de onherbergzame Rug een raadselachtige blauwe steen vindt. Aanvankelijk is Eragon blij met de vondst, maar tot zijn grote teleurstelling wil geen van de handelaren die jaarlijks door de Vallei van Palencar trekken de steen van hem kopen. Dan geeft de steen zijn geheim prijs en is Eragon getuige van de geboorte van een draakenjong. Tussen Eragon en de draak, Saphira, ontstaat een hechte band. Maar de vondst van de steen is niet onopgemerkt gebleven. In Carvahall worden vreemde bezoekers gesignaleerd, onbekenden in zwarte mantels die voor niets terugdeinzen om Eragon te vinden. Dat blijkt als de boerenhoeve van Eragons pleegvader Garrow volkomen wordt vernield. Wanhopig vlucht Eragon in gezelschap van Saphira en de oude verhalenverteller Brom naar de wouden van de Rug. Zo begint de sage van Eragon, de Drakenruiter...

Robin Bartlett said, "Yes!" Will she say, "I do," when the big day arrives? From his cultured handsome looks to his vast fortune, Antonio "Tony" Viscolli is every red-blooded American girl's dream match. It doesn't hurt that he completely loves and adores Robin with all his heart and soul from practically the moment they first meet. Robin comes from a blistering past, struggling and fighting for the survival of herself and her two younger half-sisters in a cold, cruel world. By the time Tony thaws her heart, she has known hunger, poverty, violence, and want. Robin never had a chance to dream of a white wedding gown or a prince charming. Instead, her dreams were nightmares dark and clouded with fear and desperation. For months, Tony courted the blond beauty with the sapphire eyes. He teased Robin and pursued her. He showered with attention, respect, and charm. He covered her in diamonds, sapphires, and rubies. Tony satisfied every heart's desire. Finally, Robin came to understand God's love for her as imitated by the unconditional love Tony freely offered. Then, on a sunny Florida beach, Tony proposed and Robin eagerly said "Yes!" Back in bitter cold Boston, doubts about becoming a billionaire's bride begin to crowd out her hopes for happiness. Robin worked for tips until just a few months before Tony proposed on that sunny stretch of sand. In fact, she waited his table less than half a year earlier. Having no experience facing these challenges, Robin struggles to cope feeling the pressures of relocating; of unreliable transportation; of the never-ending details of the shower, the ceremony, the reception, the honeymoon; of worries that her sisters will smoothly transition along with her; of changing her name; all while dealing with her father's very serious legal problems. As the date draws inexorably near and the pressure mounts, Robin begins to grasp the scale of her fiancé's vast material wealth and holdings, the responsibilities of the virtual empire he commands. She witnesses his generosity when he takes on a young protégé straight from the tough South Boston streets. Ultimately, Robin questions whether she is truly the girl of Tony's dreams. Is she the woman God has made for him? In taking her on as a wife, would she act as helpmeet or poison apple? In truly loving Tony, would it be better to bind herself to him for all eternity or return his freedom? When her nightmares return in full force, they remind Robin of an even deeper and more terrifying prospect. Will she give in to her insecurities and cancel Boston's "Royal Wedding" for good? Or, with God's guidance, will Tony sacrifice everything to prove to his beloved Robin her true worth?

The men in Robin's life have never been anything but pushers and users. Tony's intrusion into her exhausted world both infuriates her and intrigues her. Does Tony have a chance to break through the wall of ice Robin built around her heart? To Robin Bartlett, men were nothing more than violent users. After a hair-raising childhood, Robin and her two younger half sisters battled simply to survive. Determined to give her sisters a very different life from that of their mother; to never have to rely on a man for anything, she worked two jobs and put them both through college, while accepting help from no one. Her heart had turned to ice and she had no use for men or God. Antonio "Tony" Viscolli had grown up on the streets, homeless. At seventeen, he entered a downtown church with the intent of casing it, but found himself on his knees at the altar. After being fostered by the youth minister, Tony followed God's leading and eventually became a very successful and powerful businessman. In a fallen world, he was a gem. When Tony bought the restaurant where Robin bartended, she immediately resented his intrusion into her well ordered, but exhausting, life. She suspected his offering her special attention and constant kindness was merely his way of expecting something from her in return, something she wasn't willing to give. Tony knew God had led him to Robin. Would she ever allow herself to trust him? Could she ever allow herself to trust God? Or would the winter of their tragic youth rise from the shadows of the past and freeze any chance at happiness?

Vier gelukkige kinderen verliezen hun vader bij een verkeersongeluk. Hun verwende moeder wendt zich in wanhoop tot haar ouders, die haar hebben ontferd toen zij vijftien jaar geleden wegliep om met een halfoom te trouwen. Zo verhuizen de kinderen in het holst van de nacht naar het riante landgoed van hun grootouders. Ze worden verstopt op een donkere, mufte zolder en moeten daar blijven tot de ongelooflijk rijke grootvader is gestorven. Dat is slechts een kwestie van dagen, volgens de moeder. Maar dagen worden maanden en uiteindelijk jaren en nog steeds gaat de zieke oude man niet dood. De wegwijnende kinderen worden 'verzorgd' door de grootmoeder, die hen kwelt en vernedert. De twee oudste kinderen naderen de volwassenheid, worstelen met nieuwe verlangens en begeertes. En dan ziet de oude grootmoeder haar kans schoon. Wrekend... en moordzuchtig.

LEOPOLD SCHÄFER, the only child of Major Charlene Radden and former spy, Karl Schäfer has trained his entire life for this moment in time. An American spy undercover in a Nazi uniform operating under the codename VALOR, he receives a promotion to Oberleutnant and a new duty assignment in charge of the prisoners in Occupied France's Valeurville prison. In the wake of Marie Perrin, codename Temperance's arrest, Leo must handle the situation with the utmost caution. On one hand, every instinct in his heroic mind screams to protect the beautiful wireless operator from the hands of the Nazis. On the other, he cannot risk compromising his cover. It takes quick thinking and not a small amount of prayer to shield her from the harsh interrogation tactics of the Schutzstaffel trained interrogator. While he personally sees to her health and safety, he realizes that more than his cover is at risk as his feelings for the beautiful spy grow. As her situation grows more grave, he must focus on the bigger picture and the whole mission and make the hardest decision of his life. Can he protect her without blowing his own cover, or will he place his own life in danger to keep her safe?

VALOR'S VIGIL is the exciting conclusion to the eight serialized novellas entitled the Virtues and Valor series. In 1941 Great Britain a special war department assembles an experimental and exclusively female cohort of combat operatives. Four willing spies, a wireless radio operator, an ingenious code breaker, and a fearless pilot are each hand-picked, recruited, and trained to initiate a daring mission in Occupied France. As plans are laid to engineer the largest prison break of Allied POWs in history, the Nazis capture the Virtues' radio operator. It will take the cohesive teamwork of the rest of the women to save her life before Berlin breaks her and brings the force of the Third Reich to

HELEN MULBERRY, the youngest child and only daughter of a wealthy Texas oil tycoon, has always had her every wish granted immediately. When the Germans march into France, no one denies her request to fly her plane to England and help free up a male pilot for combat. Her father's influence opens doors, and 19 year old Helen joins the Virtues team. Now under the code-name FAITH, she flies between Britain and France, transporting passengers, supplies, or performing reconnaissance. The Nazis guard their skies with vigor, and Helen learns to fly in combat, land in a field with no lights, and evade the anti-aircraft fire. She masterfully takes on each mission, despite the perceptions and chauvinistic attitudes of many of the male pilots. Shot down over France during the mission to rescue the agent code named TEMPERANCE from the clutches of the Gestapo, Helen must make her way through enemy territory with no language skills and somehow come through with a means to get her team back to Britain. Can she save them, or will they all find that they have no way out? FLIGHT OF FAITH is the seventh episode in eight serialized novellas entitled the Virtues and Valor series by Hallee Bridgeman. Vasilisa groeide op aan de rand van de Russische wildernis, waar de sneeuw zich huizenhoog ophoopte en waar er waarheid school in de sprookjes die rond het vuur werden verteld. Vasilisa's gave om te zien wat anderen niet zien trok de aandacht van Morozko – Vorst, de winterdemon uit de verhalen – en samen redden zij Vasilisa's volk van de ondergang. Maar omdat ze anders is dan de anderen, wordt ze door haar eigen mensen voor heks uitgemaakt. Na te zijn weggejaagd uit haar huis heeft Vasilisa nog maar twee opties: trouwen of het klooster in. Een onmogelijke keuze, en dus kiest ze voor het avontuur. Verkleed als jongen trekt ze eropuit op haar schitterende hengst Solovey. Als Vasilisa echter een stel bandieten te slim af is, verandert alles. De grootvorst van Moskou roemt haar heldendaden, en plots wordt Vasilisa weer herenigd met haar zus en broer, die nu deel uitmaken van de vriendenkring van de vorst. Maar als ze er aan het hof achter komen dat ze eigenlijk een meisje is, zal dat grote gevolgen voor haarzelf en haar familie hebben. Voordat ze zich kan bevrijden uit het web van Moskouse intriges – en terwijl Morozko met advies komt waarvan niet te zeggen valt of het betrouwbaar is – wordt Vasilisa geconfronteerd met een gevaar dat heel Moskou bedreigt.

To Robin Bartlett, men were nothing more than violent users. After a hair-raising childhood, Robin and her two younger half sisters battled simply to survive. Determined to give her sisters a very different life from that of their mother; to never have to rely on a man for anything, she worked two jobs and put them both through college, while accepting help from no one. Her heart had turned to ice and she had no use for men or God. Antonio "Tony" Viscolli had grown up on the streets, homeless. At seventeen, he entered a downtown church with the intent of casing it, but found himself on his knees at the altar. Lovingly fostered by the youth minister, Tony learned about God. Striking out on his own, he let God lead him to eventually become a very successful businessman. In a fallen world, Tony was a gem. When he bought the restaurant where Robin bartended, she immediately resented his intrusion into her well ordered, but exhausting, life. She suspected his special attention and constant kindness came with expectations of something from her in return, something

she wasn't willing to give. Tony knew God had led him to Robin. Would she ever allow herself to trust him? Could she ever allow herself to trust God? Or would the winter of their tragic youths rise from the shadows of the past and freeze any chance at happiness?

Stage and screen legend VIRGINIA BENOIT performs for standing room only crowds in her adopted home of France. When the Nazis roll into Paris, she flees to Casablanca, taking the heart of an enemy Colonel with her. While in there, Virginia devises a plan to use her position, talent, and influence with the high ranking Axis officer to aid the Allied cause. Virginia joins the Virtues team, assigned the code-name HOPE. Her keen mind trains in the craft of espionage. After staging a rift with the US, she returns to Paris, hiding undercover in plain sight, and spies on the enemy.
