

Second Coming Of Christ

The Second Coming of Christ is one of the foremost topics of our day. This anointed study by Dr. Bailey will help to protect us from being deceived and misled by other false doctrines, and will help the Church to be ready for the Second Coming. Some of the topics that will be covered are: A great worldwide spiritual awakening The rise of the ten kings in the restored Roman Empire The appearance of the two great witnesses The appearance of the Antichrist The Great Tribulation The Battle of Armageddon The final siege of Jerusalem The Second Coming of Christ

The being whom we call Christ once walked the earth in flesh and blood at the beginning of our era. He will never again return in a physical body, for that was a unique event and will not be repeated. But He will come again in an etheric form in the period I have mentioned. People will learn to perceive Christ by virtue of growing towards him through this etheric perception. Many contemporaries were unaware of Christ's incarnation on earth at the beginning of the modern era. And today, says Rudolf Steiner, many remain ignorant of the most important event of our time: the appearance of Christ in the etheric - or life - realm of the earth. Fundamentalist and millennial groups await a second physical incarnation, while atheists and materialists deny spirit altogether. Nevertheless, an incisive transformation is taking place in the human soul that will lead to an emerging clairvoyance. Just as Paul perceived Christ at Damascus, so may every human being experience Him today. Also available as an Audio Book

For two thousand years, every generation has wondered whether or not they would live to see the Second Coming of Christ. But never before have the players of prophecy lined up for it all to be fulfilled in one generation. BOOK ONE: THE END-TIME BIBLE PROPHECIES is a comprehensive collection of end-time Scriptures. It is a treasury of the Biblical prophecies leading up to and surrounding the Great Tribulation, the Second Coming of Jesus Christ, and beyond. It is a manual for equipping the saints. No opinions are added - God does all the talking. To those interested in Bible prophecy this will be an indispensable resource for understanding the last days and read like a favorite book! Taking into consideration that such a large portion of Scripture is either prophecy or tied to it, prophecy must be a very important part of God's message to us. Therefore, the knowledge of these Scriptures should be very important to God's people. In the end-times it will be crucial!

This book was originally published in 1896. It has eight chapters, each one written by a well-known minister of the era, except the last chapter written by an unknown with the initials J.W. Written for the layman, not the scholar, each chapter is in one way or another about the return of Christ. It is a very good book for anyone seeking to learn the basics of the second coming of Christ, called eschatology. Even though I have written four books on Bible prophecy, I plan to read this book and add it to my library. (Michael D. Fortner, publisher) AUTHORS of the chapters: 1. Harriet Beecher Stowe 2. D. L. Moody 3. J. C. Ryle 4. George Muller 5. D.W. White 6. G. C. Needham 7. Charles H. Spurgeon 8. J.W.

The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. This 1918 work outlines exactly what the Bible predicts for the end of mankind's reign on Earth, and the return of the Christian savior, with a special emphasis on who is to be saved, and why. Numerous charts and illustrations depict the "Judgment Seat of Christ," "The Stages of the Second Coming," the "Failure of Man," and more. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

Over 7,000 Scripture references confirming the truths expounded herein. A book for the classroom and the home.

'The second coming of Jesus Christ is the core of the biblical worldview, the climax of the biblical message, the cornerstone of biblical theology, and the centrepiece of authentic

biblical faith for the twenty-first century.' At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the 'centre' of the Scriptures, even though he only appears at the end. For the New Testament writers, Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world – and the climax of that work is the 'second coming' of that same Jesus Christ. Jesus himself used the language of the Scriptures to promise his 'coming again', the 'coming of the Son of Man'. Hence we need the whole of Scripture to understand what the second coming means for us today. The fact that the Bible ends with the prayer 'Come, Lord Jesus!' (Revelation 22:20) is deeply appropriate. The second coming is the 'end' of the biblical message, its 'omega point', its grand finale, the denouement when all the players in the drama of earth history, both human and angelic, are gathered in the drawing room to hear the Master unpack the plot and give the verdict. Motyer's comprehensive, stimulating study is divided into two parts. Part One, 'The biblical frame', examines three Old Testament passages and lays the foundation for Part Two, 'New Testament hopes and visions', which explores a series of key texts. He focuses on the second coming, rather than on millennialism or the 'end times', in order to provide the fundamental biblical theology that must underlie our whole sense of God's future for his world.

(Foreword by Charles C. Ryrie) This work presents a biblically based, reasoned examination of the second coming.

The purpose of doing this study is to focus on the coming of Christ, and to better prepare us for His coming. The early Christians in the first century would often talk of His coming and encourage one another by looking forward to the day when Christ would return. If that was so for centuries ago, how much more should we be anticipating His coming in the days in which we live? Now more than ever, it is important that we remember often to lift up our heads and say, "Come Lord Jesus!"

The Second Coming of Jesus Christ is close at hand. The last 2000 years has been the Tribulation. Soon in our generation, especially in my lifetime Jesus is coming back. I met Jesus on August 10th 2012. And I have a drawing that looks like Jesus that the Lord helped me to draw. It is a copy of Adolfo Simeione's work, an artist from Italy who was born in 1880 , he drew a real picture of Jesus without knowing it. Since I met Jesus, I drew a picture of Him using Adolfo Simeiones work. THE PICTURE ON THE COVER OF THIS BOOK PROVES TO THE WORLD THAT I MET JESUS AND ALL 50 OF MY BOOKS ARE ABOUT HIM- JESUS CHRIST, THE INTERGALACTIC SUPERSTAR- THE STARCHILD. When Jesus comes back, and if He looks like the picture on the cover of this book, that would prove that I met Him personally. There is no Rapture or war before the Second Coming. Isaiah chpt 22 put a curse on the visions of the Second Coming. Read this book to see the error that Theologians have made with the help of Satan in the last 500 years. Satan has been telling people when Jesus appears, that He will be the enemy. That's Satan entire defense. He does not want people to worship Jesus when He appears. Insane Theologians have been feeding the public with the wrong gospel of a preTribulation, Midtribulation, Post tribulation web of lies. Also Satan other defense against the Church is the pedophile scandal, that Jesus warned us about in Mathew chpt 18. Also the birth of Israel in 1948 proves that this is the last generation before the end where 1/3 of the human race is "Taken" to hell (psalm 110:6, Revelation chpt 9). Jesus will appear with all of His Angels and the Saints. He will at first live in The King David Hotel in Jerusalem. The Dome on the Rock will be removed and the Angels of Jesus Christ will rebuild the new Temple .. Mother Church and Jesus Christ will rule all the nations. The Star of David on the Israeli flag is really a Crown of Thorns.

Over the centuries, God has revealed to His prophets clues to the upcoming events of the end times. Such prophetic language often differs from other parts of Scripture, employing highly figurative details. God in His wisdom has imparted these clues to various prophets spanning centuries of time, civilizations and social levels, thus providing the modern-day reader a highly complex, yet complete prophetic puzzle pointing us forward to final days in earth's history. Therefore, a complete study is necessary to understanding Bible prophecy as the act of overlooking one prophet or vision will render an incomplete understanding. William Miller was a simple New York farmer when God called him to become one of the cornerstones of the great revival movement that eventually formed the foundation of the Seventh-day Adventist church. A self-proclaimed agnostic, Miller had little to do with God or the bible for much of his adult life. However, as the Holy Spirit worked on his heart, Miller began an extensive study of the Scriptures where he found Christ as his personal friend and Saviour. Evidence From Scripture and History explores into the heart of many Bible prophecies both known and ambiguous. Backing up all claims with Scripture and references, Miller takes the reader on an exhaustive study of Bible prophecy in this modern-day reprinting of an early advent study. - INTRODUCTION. Hidden in the stories of the life of Christ are prophetic clues to the year of His return. A Divine time scale recorded in Second Peter is the key that unlocks this ancient mystery. Although no man can know the day or hour, in 2030 Jesus Christ will return to rapture the Church, restore Israel and begin the thousand year Messianic age. Also revealed in the

prophetic Scripture is the year that the Tribulation will begin (2023) as well as 7 years of plenty (2016) for believers to prepare for: "The test that is about to come upon the whole world." Covered as well in "2030 Second Coming" is the Seventh Trumpet post-Tribulation Rapture, deconstructing Darby's pre-Tribulation rapture, the invisible return heresy, the meaning of the Seven Seals Scroll, the Seven Churches of the last days, the restrainer is the mystery of iniquity, and the three pentagram mark of the beast.

Belief in the second coming of Christ is indispensable to biblical Christianity. It is also crucial to a positive and relevant Christian worldview in a world that otherwise despairs of real hope. "An earthly hope without the prospect of life beyond death is illusory and shortlived," writes the author. "But a real hope of eternal life with God sets us free from anxiety about death, and frees us to work for the transformation of the world." "The courage, clarity and teaching skills of Dr. Travis in this important book are going to help a great many people." -Michael Green "As a guide to a healthy and biblical perspective in thought and life this book would take some beating ... it gloriously lives up to the solid affirmation of its title." --Church of England Newspaper Dr. Stephen H. Travis is Vice-Principal of St. John's College, Nottingham, England. His other books include Getting to Know the New Testament and The Bible in Time.

The Lord will come again; He promised us that. But is His church ready? We know neither the day nor the hour of Christ's return, but we are instructed to be ready at all times. Aimee Semple McPherson felt the urgency of this call, and she urges the church to be ready for His glorious return. Join "Sister Aimee," whom Time magazine named one of the most influential people of the twentieth century, in discovering what the second coming of Christ means to the church today. In this book, she answers questions that face many believers: Is Christ coming? How is He coming? When is He coming? For whom is He coming? The harvest is ready, and the Lord will come back to reap a bountiful, mature body of believers. Be prepared to rise up and meet Christ when He appears in the clouds of glory!

Second Coming of Christ by Ernest Johnson America in Prophecy Rapture Signs of the Times Hatred America in Prophecy America is in directly mentioned in prophecy contrary to modern Christian dogma. This is what you dont know America has the weaponry to boom boom the world back to Stone Age. The Christian Rapture will leave America powerless. America will rise, America will challenge, America will face Jehovah then America will bravely fight and die. Rapture The Rapture will leave dead bodies by the billions throughout the plain. Souls will be snatched up or caught up. This perspective is also contrary to Christian dogma (Tenets). Lets take a stroll through the sculptures and reevaluate this issue. This chapter is scripturally infested. Signs of the Times. Signs of the Times include: cold love, lawlessness, birth pangs, warring nations, Apostate Church and a demonic world, a world that is twisted, upside down and backwards. The Kingdom came and was established 2000 years ago. Now we are at the times of the end. Hatred. Hell itself has made its abode in each Soul. Hatred is second nature to us all. Hatred is Satans dying love for us monkey humans. He also twistedly believe that God also hated us. Truly Hell is vibrations or hate will spark heavens wrath and the earth will become the receptor of all hateful vibrations from hell, man and God. Faith is insane asylum of the galaxy.

What will become of those who are left behind? This is a sad question, but it is eagerly asked by many.... It may readily be supposed that the taking away of loved ones at the Rapture will cause many of those left behind to seek the Lord, but as the Holy Spirit goes back with the Church, and for the time being ceases His Office Work of Regeneration, who is to convert those who are left? -from The Second Coming of Christ The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. The information herein is based on the disciples coming to Jesus privately, saying, "Tell us, (1) when will these things be, and (2) what will be the sign of your coming, and (3) of the end of the age?" (Matthew 24:3) What will end? When will the end come? What comes after the end? Who will survive the end? These questions and far more will be answered as Andrews delves into The SECOND COMING of CHRIST. In chapters 1 and 2, we must address why Jesus is saying there would be an end to the Jewish age. In chapter 3, we will take a deep look at the signs that establish the great tribulation is closing in, and when is it time to flee. In chapter 4, we will go over the signs of the end of the Jewish age. In chapter 5, we will walk through the events leading up to the end of the Jewish age from 66 – 70 C.E., and how it applies to our Great Tribulation in these last days. In chapter 6, we will cover the second coming of Jesus where the reader will get the answers as to whether verses 3-28 of Matthew Chapter 24 apply to Christ's second coming. We will close out with chapter 7, and how we should understand the signs, and how we do not want to be led astray, just as Jesus warned even some of the chosen ones would be misled. We will also address what comes after the end.
