Moments 'til Midnight is an eight-session Bible study for teens that looks at the life and leadership of the apostle Paul.

More than two thousand years before Christ and nine generations after Shem, who was one of Noah's three sons, a man by the name of Abram appeared on the pages of the Word of God. This man became known as Abraham, the "friend of God", and we will see how he was given that great honor as our story unfolds. Abraham believed in the Lord. He lived in a city called UR in southern Babylonia. The city of UR was not only very famous for its wealth and culture, but it was also a place of much idolatry. When Abraham was seventy-five years old, the Lord called him and said to him, "Abram! Get out of your country and away from your relation and your father's household! I will make of you a great nation. Also, I will bless you and make your name great. You will be a blessing to all the families of the earth. Furthermore, I will bless those nations that bless you, and I will curse those nations who persecute your people."

The book provides all the tools you need--biblical, scientific, and practical--so that you can develop your own pathway for spiritual growth. What is unique about Victor Copan's approach to spiritual growth is that he explores recent findings of brain research as well as scientific research on habit formation and brings them into conversation with the process of spiritual formation. Research on the brain and on habit formation has uncovered significant insights about the process and dynamics of human transformation that can be fruitfully incorporated into our own pursuit of spiritual transformation. Tapping into this research allows us to

work in concert with how God designed humans to function--body, soul, and spirit.

Discover What's behind all the Hatred and Violence in the World and What We can do About it! What can explain the many 'bad deeds', happening in the world today, both major and minor, that we see or hear about almost daily, either in person or in the media? Or, why seemingly ordinary people are doing all the 'bad', even 'shocking things' that they are doing? Could it be something in the 'air', the 'water', or maybe something entirely different altogether that's behind all the bad that goes on in this world everyday. The scriptures tell us that it's something that a lot of people are not even aware of, or do not believe, as you are about to discover... This bible study guide will show you exactly what the Holy Scriptures teach about the 'Invisible Spiritual Forces', that influence the lives of people everyday, their 'base of operations', and how we are instructed to interact with the 'good' ones and 'deal' with the 'bad' ones (get rid of them). Paul is bewildered by the spiritual decline of the Galatians and so sets out to defend the gospel he delivered to Galatia as in-line with the rest of the church. He also tells them (and us) of the relationship between 'the law', faith and Christian liberty. These are still the arguments we have today! Legalism and the licence are still two extremes we need help with. Study Galatians to balance yor life. Work is core to our lives. And the gospel is core to our faith. In this Bible study, author and executive coach Stephen Graves introduces a fresh framework that explores not only how the gospel should shape our work but also how it could. Too often taking our faith into the workplace amounts to evangelism or moral responsibility. Although there is certainly nothing wrong with either practice, this study takes us further into our faith in such a way that we embody the gospel as a part of our work, office, home, or anywhere work may take us. This study employs a Four-Act Gospel: Creation, Fall, Redemption, and Renewal. Using this approach, we can be in the business of both helping individuals know Jesus and contributing to God's mission of renewing the world. Applying the Four-Act Gospel to our work is captured in the Baseline (the lowest-common-denominator application of the gospel that is relevant to all workers) and the Blue Sky (individualized applications of the gospel to each person's particular wiring and particular organizations). This framework helps us understand the reach, power, and intent of the gospel's going to work. These are revolutionary insights, even for veterans of the faith. This Bible-study experience includes free downloadable panel discussions and "The Gospel Goes to Work" podcast series. These tools allow groups to participate from practically anywhere and in any way they like, whether in a restaurant, in a coffee shop, in a classroom, or even via email or mobile technology. The Gospel Goes to Work Bible Study Book includes exercises and discussion for individuals and groups, along with links to free video downloads and additional enrichment tools. Session Topics: 1. The Gospel and Work 2. What Should We Do? Lessons from John the Baptist 3. Individual Baseline: David's Personal Calling 4. Individual Blue Sky: Take the Armor 5. Organizational Baseline: Character Within the Context of Calling 6. Organizational Blue Sky: Aligning Personal and Public Expressions of Faith Features: - Free downloadable videos with author Stephen Graves and a host of contributors from all walks of working life - Additional enrichment content and exercises available as free downloads - Short, daily readings for ongoing spiritual growth - "The Gospel Goes to Work" supplemental podcast - Six-session Bible Study Book with group- and personal-study components Benefits: - Push beyond Christian values and personal evangelism as the only ways of taking the gospel to work, and learn new ways to completely embody the gospel in your work. - Get beyond the minimum expressions of your faith at work to see more clearly the ways work itself is a service to God. - Become better acquainted with the minimal biblical expectations of all believers in the workplace. - Discover unique gospel applications for your particular organization or workplace. - Learn how the rigors of the workday keep your faith strong and vibrant. - Incorporate the power of the gospel more effectively into the details of your everyday life.

Has someone placed so many restrictions and restraints upon you that you felt like you were living in a box of someone else's making? When Paul wrote the Book of Galatians, he was imprisoned physically. His crime was refusing to worship the emperor. But Paul, a Christian and practicing believer who lived his faith, refused to worship someone other than God. In *Breaking Out of Life's Spiritual Prisons*, author Keith D. Pisani explains Paul's teachings in Galatians. It presents a balanced approach to spiritual freedoms. Geared toward use in small group Bible studies and in other study venues, it features break-out sessions that include study questions and practical exercises to help believers grow and live free in Jesus—outside of and apart from the religious comfort zones established by others. In addition to this book, Pisani has produced the companion Bible study for use in personal and group settings, *Breaking Out of Life's Spiritual Prisons: A Bible Study Guide*.

Let's begin our adventures into God's Word as we consider the words of David in Psalm 139:17, "HOW PRECIOUS ARE THY WORDS UNTO ME, O GOD; HOW GREAT IS THE SUM OF THEM" Throughout the Old Testament scriptures, people were told that One would come to pay the penalty for sin. The Lord told Adam and Eve about the eventual coming of the Savior when He spoke prophetically of that event in Genesis 3:15.

You've already been set free by Christ. When are you going to start experiencing that freedom? What does it look like when a man lives out a truly authentic, loving walk with Jesus Christ? It looks like freedom. The Apostle Paul, a man made new by the gospel of Jesus Christ, presents one of the clearest images of the godly man in action. He's committed to a life of faith, focused on the Spirit instead of the flesh, set free to love others. No longer focused on himself, he demonstrates his faith by serving others. You can be that kind of man by claiming your freedom in Christ. Being God's man means being set free to exemplify Christ's love. *Being God's Man by Claiming Your Freedom* will stimulate personal reflection and honest dialogue with God and other men. The goal is that you will strive to be God's man in every way—feeling his heart for others, and doing his will obediently and joyfully. Special Features: ·Practical studies—for individual use or group settings—facilitate personal encounters with God and other men ·Questions encourage genuine reflection and help build godly convictions ·“Real Life” case studies show how the truths you discover have worked out in other men's lives ·“Standing Strong” section gives you the opportunity to identify action steps for lasting change.

In *Every Blessing Is Yours*, Judy Nichols offers helpful insights and interesting personal stories while comparing the New Testament Beatitudes with the Old Testament wisdom of Isaiah. Highly recommended. Bill Deckard Senior Editor Crossway One of my weekly joys is reading Judy Nichols devotions. This collection is long overdue. Kevin Springer, Camarillo, CA Author of the highly acclaimed *Power Evangelism* and *Power Healing* (Harper Collins) As I read *Every Blessing Is Yours*, there was a sense of freshness brought to the study as Judy intertwined the Matthew and Luke passages with Isaiah 61. Richard L Widener Missions Director, Alliance for Renewal Churches Ms. Nichols draws from both her experience and her knowledge of the Scriptures, and the result is wonderfully enriching. Jay Shifley, M.Ed. Director of Business as Mission, Frontiers This is a book I want my family and friends to read. Judy Nichols mines the early teachings of Jesus in the Beatitudes in parallel with Isaiah 61 in ways that nourish and instruct the soul of the Christian. This gem promises riches to the reader. Ray Nethery Former Director of Asian Affairs, Campus Crusade for Christ Co-Founder and -Director of Grace Haven Ministry Center President Emeritus, Alliance for Renewal Churches There is no greater need today than for Christians to grow in Christ, to become true disciples and not mere followers. In *Every Blessing Is Yours*, I attempt to bring clarity by looking at the word pictures from Isaiah 61 and revealing how the

Beatitudes teach us how to grow in Christ and to become mature, well-formed children of God. Every Blessing Is Yours is based on the premise that it is possible not only to live a blessed life but also to increase in that blessedness throughout life. The Beatitudes tell us what the blessed life looks like; Isaiah 61 elaborates and tells us how to make them functional. Looking at each Beatitude in turn, along with its parallels in Isaiah 61, gives us a sense of what spiritual growth looks like and how to achieve it. My hope is that readers will come away with not only knowledge and insight but also real spiritual growth and emotional health.

The first great bible study book written for children and teens. A must for young children and teens to learn the fundamentals of God's word.

Today, we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well liked, and still others as being happy. How does God define success? He defines it as being spiritually mature! How do we become spiritually mature? There's only one way, and it's called discipleship. However, statistics show that discipleship is in a state of crisis today. Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity. A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church. Sadly, what discipleship meant in the time of Christ and what it means today is vastly different. Moreover, the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it. Unlike the disciples who had much of Scripture memorized, a whopping 81% of Christians today don't read their Bibles regularly. Unlike Christ's disciples who were "Fishers of Men," 61% of believers today have not shared their faith in the past six months. And sadly, unlike Christ and the Apostles who made discipleship the central focus of their ministries, 81% of pastors today have no regular discipleship programs in their churches. Discipleship is being neglected today, and the consequences are crippling many Christians and churches. This book hopes to change that! Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it's in crisis mode. Chapter 2 reveals 13 key factors contributing to the lack of discipleship today. Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry. Chapter 4 brings to light 14 essential components of the discipleship-making process that must be understood and practiced in order to attain spiritual maturity. Chapter 5 provides practical, "how-to" help for growing in Christ. It includes self-assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands-on, useful ideas for taking steps toward spiritual maturity. Discipleship is a command for all believers and is our highest calling. This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ. It's both an informative book and a "how-to" book. It deals with the barriers that are hindering discipleship, and offers practical help for overcoming these barriers and attaining spiritual maturity. So, are you ready to grow? Would you like to be pleasing to God? Would you like to fulfill the reason for which you've been created? Would you like the full blessings of God in your life? Would you like to become spiritually mature? Would you like to hear Christ's words, "Well done, good and faithful servant," when you arrive in heaven? If so, this book is for you.

How to Become like Christ - Christian Life - By Marcus Dods. I suppose there is almost no one who would deny, if it were put to him, that the greatest possible attainment a man can make in this world is likeness to The Lord Jesus Christ. Certainly no one would deny that there is nothing but character that we can carry out of life with us, and that our prospect of good in any future life will certainly vary with the resemblance of our character to that of Jesus Christ, which is to rule the whole future. We all admit that; but almost every one of us offers to himself some apology for not being like Christ, and has scarcely any clear reality of aim of becoming like Him. Why, we say to ourselves, or we say in our practice, it is really impossible in a world such as ours is to become perfectly holy. One or two men in a century may become great saints; given a certain natural disposition and given exceptionally favouring circumstances, men may become saintly; but surely the ordinary run of men, men such as we know ourselves to be, with secular disposition and with many strong, vigorous passions—surely we can really not be expected to become like Christ, or, if it is expected of us, we know that it is impossible. On the contrary, Paul says, "We all," "we all." Every Christian has that for a destiny: to be changed into the image of his Lord. And he not only says so, but in this one verse he reveals to us the mode of becoming like Christ, and a mode, as we shall find, so simple and so infallible in its working that a man cannot understand it without renewing his hope that even he may one day become like Christ. In order to understand this simplest mode of sanctification we must look back at the incident that we read in the Book of Exodus (xxxiv. 29-35.). Paul had been reading how when Moses came down from the mount where he had been speaking with God his face shone, so as to dazzle and alarm those who were near him.
