

## Squirting Female Ejaculation And The G Spot Sexy Little Guide Book 2

A Taste of Honey provides a scholarly exposition on the prominent place that sexuality and erotology enjoyed in traditional Islam. The book is divided into two parts; part one presents a critical examination of sexual ethics and part two consists of a concise treatise on the art of seduction and lovemaking. The central aim of this book argues that Islam is a sexually enlightened religion which teaches that sensuality should not be devoid of spirituality. The book also argues that the loss of sacred sensuality afflicting modern society can be reclaimed by a revival of the classical erotological tradition. Drawing upon the Qur'ān, ḥadīth and traditional erotological literature, the book follows the style and composition of classical Eastern and Afro-Arab love texts such as the Kama Sutra and Jalāl ad-Dīn Rūmī's erotic treatises. A Taste of Honey is a thought-provoking work on a highly sensitive, yet extremely important subject.

Inspired by Carlos Beyer's 50 years of pioneering research and influence on his students and colleagues, Behavioral Neuroendocrinology builds upon Beyer's fundamental discoveries and concepts as well as their widespread implications. It presents original research and reviews on mechanisms — genomic and non-genomic — of steroid and protein hormone action; the role of steroid metabolism, especially aromatization, protein phosphorylation, and neurotransmitter action in mediating reproductive behavior and sexual differentiation; and brain and spinal cord mechanisms in sexual behavior and analgesia. This book presents a rich diversity of topics — lactation, maternal behavior, pheromone action, chronobiology, allodynia, angiogenesis, prostate physiology, sexual motivation, and specific brain systems, including vomeronasal system, cerebellum, preoptic area, hypothalamus, and spinal cord. This book brings together, in one source, an international "family" of researchers whose work has evolved in diverse but related ways from a seminal set of discoveries and concepts in behavioral neuroendocrinology.

You've been thinking about her all day. Over and over in your mind you've been imagining the two of you making love tonight. You don't just want the evening to be a good experience. It needs to be a great experience for both of you. Searching your thoughts for the best wine to select or the right words to say, it dawns on you that the way to make the night memorable for you both is to ensure it ends with her having an explosive orgasm that rocks her world and shows you are an attentive and amazing lover. If that's the case, this guide is for you. Mysterious, explosive, transcendent, hot, joyous, pulsing, out-of-control release; no matter how you describe it, orgasm is a one-of-a-kind experience. Every woman is a little different in how she feels it, and how she feels about it. Yet, this unique and supremely pleasurable moment is one of the most sought-after and misunderstood in our sexual lives. "Make Her Orgasm Again and Again" takes you through the experience of female orgasm. You will know what to say to your lover to heat up her mood. You will learn foreplay tricks that put your woman on her toes and ready for what's to come next. It shows you different types of orgasms and the techniques to achieve them. You will know the real truth about female ejaculation, the G-spot and how to stimulate it, and simple techniques to give her multiple mind-blowing, squirting orgasms in the same night.

The book The modern Tantra path will take the first steps with you on a path that, if you follow it, can and will lead you to a more conscious, happier life. Specifically in Tantra - also in the book - it is about the activation of the love energies of the body in order to bring about a spiritual recovery, to dissolve the blockages of the forehead and crown chakra, of thinking. The holistic teaching also includes the act of love, the fusion as an indispensable tool.

Written by Manon, What They Don't Teach You At School is best described as faction, a blend of fact and fiction. Delivering honest facts, providing feminine guidelines, and offering sensual treasures, Manon is accompanied by Dr. David Eisenbach, Ph.D., an expert on media and politics who wrote the preface and gave Manon the title of "fourth wave feminist." The tone is friendly and conversational as this thirty-something author shares girly secrets and talks straight from the heart for all girls of all ages. The book opens with an introduction into the history of Manon Lescaut, a much-admired French woman who possessed irresistible charm, and she discusses whether the name "Manon" swayed her inherent knowledge. She then goes on to explain why she wrote the book, and why every girl over sixteen should read it, regardless of class, culture, marital status, or sexual preferences. Chapter 1, Being True is about finding out who you are as a female, and who you want to be tomorrow. It provides tools to assist in relationship decision-making, defines the good boys from the bad, explains the stages of relationships, and ends with a questionnaire. Chapter 2, Healthy Inside and Out, tells the reader how to maintain a healthy body inside and out, offers safeguard tips, warnings, and Manon's mantras. She covers the truth about STDs, gynecological issues, breast jobs, and the importance of wearing condoms, vaginal exercises, meditation, acupuncture, and the benefits of eating live food. In Chapter 3, Grooming, Manon looks at waxing, exfoliating, self-tanning, nails, makeup, hair, skin, and dress codes, and talks about perfume and pheromones, losing weight and feeling great, and offers tips on how to overcome insecurities, increase confidence, and talk like a sensual lady. Chapter 4, Intimacy, Sex Appeal, and Seduction, discusses how to get your sexy mojo back, explains the benefits of being intimate with your partner, and describes how to seduce him or her. It also covers courting, dating and flirting, styles of dating, how to find healthy boys, warns about lazy lovers, and shares Manon's personal winning formula that is guaranteed to develop inner sex appeal. Chapter 5, Tickling and Touching teaches you the art of touching your partner, and how to let go of your fears when tickling, touching, and pleasuring. Chapter 6, Fantasy defines some commonly practiced group fantasies, explains why it's beneficial to live out your fantasies, and talks about fantasy foods and locations. Finally, Chapter 7, Gushing Gals, teaches girls about their sexual anatomy and how to perform female ejaculation (gushing/squirting orgasm). "I want girls to be smart when making personal decisions about their bodies and desires, to have fun and feel self-assured while learning the wonders

of the feminine power," Manon says. What inspired her to write *What They Don't Teach You At School?* "I have wanted to give my gift of knowledge to all girls for many years," she says. "I started voice-recording into my iPhone, then started writing and couldn't stop." She had many conversations with girls all around the world about their fears and desires, and she often brought out pen and paper to draw diagrams. "I realized many girls could not find their sensual and feminine side and were desperate for what I had to say," she adds. Her book is guaranteed to retrain girls on how to be, and feel, sensual and feminine in their everyday lives.

Het wonder daaronder van de twee jonge artsen in opleiding Nina Brochmann en Ellen Stokken Dahl vertelt je alles wat je altijd al over de vagina hebt willen weten, maar (nog) nooit hebt durven vragen. Na het lezen van dit boek heeft de clitoris geen geheimen meer voor je, snap je de hormonen die de menstruatie regelen en krijg je antwoord op de vraag of er inderdaad een vaginaal orgasme bestaat. Je zult beter begrijpen hoe verschillende voorbehoedsmiddelen werken, hoe een 'normale' vulva eruitziet en waarom je sokken moet aantrekken als je je seksleven wilt verbeteren. Een vrolijk en informatief boek over de vrouwelijke anatomie, de G-spot, PMS, hygiëne en nog veel meer. Deze Noorse bestseller zou elke vrouw moeten lezen. 'Dit is meer dan zomaar een boek over geslachtsdelen - het vertelt je hoe het is om tot de andere sekse te behoren.'

Morgenbladet De auteurs van Het wonder daaronder zijn de studentes geneeskunde Nina Brochmann (29) en Ellen Stokken Dahl (25). Zij zijn bekend van <http://underlivet.blogg.no/> en zijn beiden aan het promoveren in Oslo. In Noorwegen was Het wonder daaronder (*Gleden med skjeden*) meteen een bestseller; de rechten zijn over de hele wereld verkocht.

Female orgasm is not a mystery, it is not complicated. In this ebook, very useful for all women and men of any age (and for sexual medicine experts, physicians, psychologists), there are links to free video/pdf: sexologists must teach in sex education how to stimulate the clitoris and labia minora with many illustrations and video. Many women have never looked at their vulva or are unable to identify the location of the clitoris and labia minora. Sexologists must explain that vaginal orgasm and G-spot do not exist (premature ejaculation is not a sexual dysfunction). Women can experience orgasm, multiple orgasms, orgasmic state and superorgasmic state in all ages, with effective stimulation of the female erectile organs during masturbation, cunnilingus, partner masturbation, and also during vaginal/anal intercourse simply by stimulating the clitoris/labia minora with a finger, or a sex toy. The first vaginal intercourse must always be with orgasms, without pain: males must learn to make love even in adolescence. Cunnilingus is a method to have one or more orgasms. Anal sex can give orgasms that can last also for minutes (i.e. superorgasmic state). Coitus must be one of many possibilities in a whole spectrum of possible physical relations, there are many ways of having sex. Ejaculation in the vagina does not have to be essential to define sexual intercourse as "complete"...

Sex education (sexual health) should be based on scientific knowledge, freely and easily accessible to everyone and to be comprehensive. We often underestimate the benefits of sex education (sexual health) and every individual in our society has a different or wrong belief about it. It's the utmost need for every child to have a safe childhood.

Unfortunately, even adults of our society lack basic knowledge about sex education. "Little knowledge or false knowledge is always dangerous" This book is made to answer the curious minds, who are searching for answers on the internet/digital media. This book is useful for school and college students, teachers, parents, guardians, NGOs, health professionals.

Did you know that, just as men, women compare the performance of their current sex partners with the previous ones they've had? How would it feel to know that you have the skillset that will make you the best lover she's ever had? Have you ever felt self-conscious about not always being able to make her climax? Psychobiology provides a comprehensive, yet accessible introduction to the study of psychobiology and the key concepts, topics and research that are core to understanding the brain and the biological basis of our behaviour. Assuming no prior knowledge of biology, the text emphasises the interaction of psychobiology with other core areas of psychology and disciplines. Through the use of exciting and engaging examples, the role of psychobiology in the real world is explored and emphasised to allow students to connect theory to practice in this fascinating subject.

Live Nude Elf chronicles Reverend Jen's two-year stint as sex columnist for *nerve.com*; she details her "sexperiments," ranging from harrowing (working as a live nude girl at "Wiggles") to embarrassing (fellatio school) to transcendent (reaching a mystical state through tantric sex). Along the way there is transvestitism, female ejaculation, opium smoking, and heartbreak. In the Rev's "art star" world, where a young bisexual boy named Orion has sex with a jar of mayonnaise, the more mundane acts of romance—kissing, buying dinner for a lover, and just making eye contact in the sack—become rare and subversive. The experiments, orgies, balloon fetish parties, a stint as the "lube girl" on a porn set, the "lab partners," and the late nights begin to wear on the Reverend, who craves normalcy, and the columns change their tone: Jen takes care of a friend's baby, navigates yuppie bars trying to snag a millionaire hubby, and dates a silver fox, "someone older, distinguished, wealthy, and simply grooving with the eternal now." After a decade of New York City affairs, Jen unexpectedly falls in love and must decide: Does the life required of an artist and a sex columnist preclude her from monogamous romantic love?

" Proper stimulation of the G-spot can yield incredible orgasms and the elusive and mysterious experience of female ejaculation. However, unlike the clitoris, which is easily visible, the G-spot can be tricky to locate. The Secrets of Great G-Spot Orgasms and Female Ejaculation demystifies this controversial sexual wonder spot with the latest research and techniques, positions, and toys for harnessing the power of the G-spot for incredible pleasure. Written by leading sex educator Tristan Taormino this guide presents the most up-to-date information on techniques for finding and stimulating the G-Spot solo as well as the best intercourse positions, and toy and manual techniques for maximizing G-Spot stimulation, achieving female ejaculation, and having intense, full-body orgasms"--

A Young Man's Guide to Life is a passionate, personal book that speaks frankly about the problems young men typically face and offers an alternative mindset to help deal with such issues. As well as comprehensive and honest information regarding sex, dating, career and other things young men are eager to learn about. From the perspective of someone who has just finished being a young man this book shares personal experience and philosophy and is never condescending, tongue-in-cheek or super-serious. This book is suitable for all young men regardless of race, religion etc. Or may be enjoyed by those who care for young men: such as parents or girlfriends. In the book the author identifies what guys typically go through and lets them know that it is okay, as well as stories containing practical advice on dealing with such issues. There are not too many techniques or "how to" explanations to confuse the user, just a view of life for a young man sharing personal experience and philosophy in a kind tone that is never condescending.

This edited collection examines pornography as a material practice that eroticises gender inequality and sexual violence towards women. It addresses the complex relationship between pornography and medicine (in particular, sexology and psycho-therapy) whereby medicine has historically, and currently, afforded pornography considerable legitimacy and even authority. Pornography naturalises women's submission and men's dominance as if gendered power is rooted in biology not politics. In contrast to the populist view that medicine is objective and rational, the contributors here demonstrate that medicine has been complicit with the construction of gender difference, and in that construction the relationship with pornography is not incidental but fundamental. A range of theoretical approaches critically engages with this topic in the light, firstly, of radical feminist ideas about patriarchy and the politics of gender, and, secondly, of the rapidly changing conditions of global capitalism and digital-technologies. In its broad approach, the book also engages with the ideas of Michel Foucault, particularly his refutation of the liberal hypothesis that sexuality is a deep biological and psychological human property which is repressed by traditional, patriarchal discourses and which can be freed from authoritarianism, for example by producing and consuming pornography. In taking pornography as a cultural and social phenomenon, the concepts brought to bear by the contributors critically scrutinise not only pornography and medicine, but also current media scholarship. The 21st century has witnessed a growth in (neo-)liberal academic literature which is pro-pornography. This book provides a critical counterpoint to this current academic trend, and demonstrates its lack of engagement with the politics of the multi-billion dollar pornography industry which creates the desire for the product it sells, the individualism of its arguments which analyse pornography as personal fantasy, and the paucity of theoretical analysis. In contrast, this book re-opens the feminist debate about pornography for a new generation of critical thinkers in the 21st century. Pornography matters politically and ethically. It matters in the real world as well as in fantasy; it matters to performers as well as to consumers; it matters to adults as well as to children; and it matters to men as well as to women.

Lynsey G. never imagined that she would ever work in porn, but at 24 years old, with a degree in English literature and an empty bank account, she found herself reviewing the film East Coast ASSault for an adult magazine in New York City. One interview later and it was official: she was a porn journalist. The job was supposed to be temporary—just a paycheck until she could spark her legitimate writing career—but she loved it and spent nearly a decade describing the nuances of money shots and the effectiveness of sex toys. As both a porn consumer and a porn critic, she was not quite an insider, not quite an outsider, but came to know the industry intimately. She found it so fascinating that she co-founded WHACK! Magazine. Finally, she had a platform to voice her thoughts and observations of the adult film world, as well as educate the rest of us about what really goes on behind the scenes. Eventually, Lynsey was thrust back into the "real†? world, but not before realizing that one of the most diverse and nebulous—and profitable—industries on the planet isn't so quite as different from the rest of the world as she thought. Tantalizing, eye-opening, and witty, Watching Porn is a provocative book about an average girl's foray into the porn industry and the people who make it what it is, both in front of and behind the camera.

Among the most vulnerable things that can wear out with time is intimacy. Most couples go through difficult times and commitments that take a toll on their intimacy. In most cases, when affection wears among lovers, one person is usually affected than the other. If any of the partners does not take the initiative to restore intimacy into the relationship, chances are your relationship will end up breaking as one or both of you seek intimacy from outside. It is believed that the human body is a small atomic factory where chemical elements needed in the body are continually manufactured using low quantities of energy. Besides, there is also the production of energy sufficient for extraordinary phenomena. These include higher states of consciousness, paranormal abilities, sublimation of particular energies and higher intelligence. Others are elevated levels of happiness and euphoria, to mention just a few. If you can move into lovemaking totally the ego disappears, because at the highest peak, at the highest climax of lovemaking, you are pure energy. Table of Contents 1. While preserving decency, this manual also gently guides partners to make changes that lead to a comfortable, gratifying sex life while dispelling common false assumptions—such as that size alone matters, having sex

guarantees an orgasm, and great sex has to be wild—and demystifies ordinary anxieties—including how to engage the elusive clitoris, why the average male watches porn, why women fake orgasms, and if a man's sex drive is really higher than a woman's.

Women's Gynecologic Health, Third Edition is a comprehensive text that equips students and practicing clinicians with a strong foundation in women's gynecologic health, including health promotion, maintenance, and treatment. Based on the most recent research and evidence, it provides authoritative content written from a feminist perspective to convey a holistic approach to care. Completely updated and revised, it includes clinical considerations specific to the different physical and psychosocial life stages of women, an emphasis on physiologic mechanisms in order to enhance understanding of normal and abnormal processes, and evidence-based content.

Sex has been used to sell nearly everything in our modern culture, but almost no attention has been given to the personal importance of it in all of our lives, and most of us really know very little about it. Sex can and should be a major part of life for all adults and for all seniors thorough their golden years. In early chapters, the author challenges you to use the mirror of critical examination of yourself and your partner to identify areas of relationship and sexual technique weaknesses. In chapters VII and VIII, he is shockingly candid with very detailed specifics of sexual facts and techniques including little known topics such as first encounter sexual imprinting, micro body movements, female ejaculation, A-spot, G-spot, U-spot and other erogenous zones, the magic sexual frequency of .8 Hertz, hip scooping, why erectile dysfunction doesnt matter, anatomical variations, sexual fantasies, types of orgasms, effective sexual positions, sexual aids, and specific directions about how to make yourself sexual royalty. In SEX AFTER SEVENTY the author discusses specifics about the importance of understanding ourselves to get past false information that we have been subjected to our entire lives from well-meaning and not so well-meaning influences. He urges us to think for ourselves.

Do you already understand what female ejaculation is, yet wonder how you can achieve it? Have your past attempts at squirting been unsuccessful? Then this book is for you!Squirting: It's Easier Than You Think is a quick book of useful tips and information to help any woman learn how to experience female ejaculation. It doesn't waste time with explaining what female ejaculation is, but instead focuses on providing the best, most useful tips to encourage your body to unleash its flood.The author R. Leigh began experiencing female ejaculation later in adulthood, before she even knew what it was, or her body could do it. Her sexual past included rape, molestation, a physically abusive relationship, and few sexual experiences which were enjoyable nor included a focus on her pleasure.Her first experience with female ejaculation lead to a several year journey into understanding her own sexuality, where she embraced pleasure and developed an immense amount of knowledge about the squirting orgasm and how it's accomplished. As she learned more, and became much more comfortable with her body, as well as accepted the fact she deserved pleasure, she learned more about the role a holistic view plays into sexuality.Her goal is to share knowledge of female ejaculation with others, particularly woman, to help them understand the strong connection a healthy mind, body and spirit has to pleasurable female sexuality. A healthy sex life is not only crucial to strengthening the connection with your partner, but it's also beneficial to a woman's physical and mental health.

Originally from Rwanda, east-central Africa, the kunyaza sexual practice triggers female ejaculation and multiple orgasms in women during heterosexual encounters. The kunyaza technique is also practised in Uganda and Kenya, where it is known as kachabali. Benefits of kunyaza include: \* facilitates female ejaculation and/or `squirting,' \* triggers multiple orgasms in women, \* brings women to climax in less than five minutes, \* helps men last longer in the bedroom, \* enhances female pleasure, \* stimulation of the K-Spot, and \* an effective treatment for female orgasmic disorder. Kunyaza examines the cultural impact of Rwanda's pleasure-based sensual tradition and investigates whether it empowers women. The book also explores the psychology of female desire, analyses female ejaculation and G-Spot studies, and investigates the controversial practice of labia pulling. Drawing on extensive research from Western-trained sexologists, psychologists, and ssengas (female sex educators) from Africa, the book provides an intimate and illustrated guide on how to make a woman ejaculate.

'Heerlijke reeks boeken om te lezen.' 'Kan niet wachten op het volgende deel.'

Orlando offers a guide for helping women reach powerful sexual releases.

Squirt – the theory and practice of the mostmysterious female orgasm.In this manual you will learn how the squirt differs from other types of orgasms, how to help it reach its partner, advice to women on its quick achievement. Myths and truth about the squirt, the history of observations, personal experience, etc.

The Female Orgasm is indeed the new age version of the Holy Grail, a mysterious event that seems to boggle our imagination, challenge a man's ego, and sometimes elude us in much the way as a secret cave. But wait! How about all that stuff I see in erotica books and Internet porn? Those guys make it look easy. So it should be just that easy, right? And that's why we have so many real world sex problems. Because we all sort of think, yeah orgasms should be like that. So why isn't it working just like that? Probably because studying erotica in place of education is sort of like getting your history lesson from, well, a Hentai cartoon. - Real sex is not exaggerated. - Real orgasms are not mechanical. - Really good, awesome and out of this world sex takes practice, patience and strategizing rather than just wishing it to be. It's like the old expression goes – if you build it they will come. Or in this case, if you really work at it, she will come. This book is not going to tell you how it "should" happen, or how you wish it could happen—but rather how realistically you're going to either give a woman an orgasm, if you're a man, or bring yourself to orgasm with a lover, if you're a woman. We're going to analyze the anatomy, the emotional complexity and the "social obligation" of all things orgasm over the course of 87 tips and 12 chapters. You will know what to say to your lover to get her in the mood. You will discover foreplay techniques to put your woman on her toes and ready for the big-O. You will know the truth about female ejaculation, the G-spot, the U-spot, the A-spot, the P-spot and Deep Spot, and how to stimulate them to give her multiple full-body, over-the-top, mind-blowing orgasms in one night. By the end of the book, you're going to have your PhD in Orgasmology, or at least the equivalent of it. And the proof will be in

those authentic moans of ecstasy, never more unrestrained, raw and amazing.

FEMALE EJACULATION IS REAL! Every Woman Can Do It! Give Me Just One Hour and I'll Prove It to You! You've heard about female ejaculation (or "squirting" as many call it). Now, I'm going to show you how to make it happen, again and again. My "quick and dirty" female ejaculation techniques will work on any woman. I'll show you, step-by-step, exactly what to do, and say, in order to get your lover squirting like a geyser. This isn't your typical sex ed book. I give you what works and get to the point...without all the boring, "textbook" stuff. Imagine if you could give your partner the most powerful orgasm of her life and it was as easy as following a basic, straightforward set of instructions that are guaranteed to work. GOOD NEWS: IT IS THAT EASY! In this book, you'll uncover my simple and easy female ejaculation techniques, including: - How to create a perfect atmosphere that will get her in the mood. This is essential if you're going to be successful. - Which "sex toy" is the best for female ejaculation and exactly how you should use it. - A step-by-step method to overcome any fears or skepticism she may have. - My "Make it Happen" checklist of everything you need to have on hand, and be prepared for, to ensure she will "squirt" every time...even if you only have a few minutes together. And so much more!

Squirting orgasms? Most all men fantasize about them and more and more women desire to have them. That said, female ejaculation continues to be one of the most misunderstood areas of our sexuality today. But not any more as you're about to find out. This unique book speaks with 5 different women who have squirting orgasms and asks them the questions that women, and men alike, want to know the answers to in order to begin having a deeper form of intimacy and sexual satisfaction that can only be experienced to be believed. You won't find any of the canned information that doesn't work, like "turn on a porn movie and watch her squirt". Instead, you'll find what really does work from women who actually experience this kind of mind-blowing orgasm. You'll find the answers to questions such as: - How to have a squirting orgasm and how can you have one as well? - What positions and techniques make it easy to ejaculate? - Does penis size really matter in being able to squirt? (The answers may surprise you!) - Can you squirt every time you have sex? - Can women squirt multiple times during sex or basically ?at will?? - Are there certain positions that make it easier to ejaculate? - Do you have to masturbate to squirt, or can it happen with penetration or oral sex? - What should men know in order to help their partner to ejaculate? (This is something all guys need to read or your partner may never be able to squirt)And so much more They also share their stories of the first time they squirted and what the experience was like, as well as their own funny moments when they "lost it" in various situations. You won't find any fluff or filler here. Nothing is held back as each of these women candidly, and explicitly, discuss their experiences with having squirting orgasms, how they do it, and how you can as well. So if you're ready to change your sex life and take it to a whole new level, get this book today and begin enjoying incredible squirting orgasms for yourself.

Like men, women also can ejaculate, enhancing and intensifying their sexual pleasure. In an open, positive style, Deborah Sundahl presents information about female ejaculation including scientific findings, anatomical illustrations, historical accounts, a chapter on how men can help their female partners to ejaculate, and women's and men's experiences collected during the past two decades.

The Color of Kink explores black women's representations and performances within American pornography and BDSM (bondage and discipline, domination and submission, and sadism and masochism) from the 1930s to the present, revealing the ways in which they illustrate a complex and contradictory negotiation of pain, pleasure, and power for black women. Based on personal interviews conducted with pornography performers, producers, and professional dominatrices, visual and textual analysis, and extensive archival research, Ariane Cruz reveals BDSM and pornography as critical sites from which to rethink the formative links between Black female sexuality and violence. She explores how violence becomes not just a vehicle of pleasure but also a mode of accessing and contesting power. Drawing on feminist and queer theory, critical race theory, and media studies, Cruz argues that BDSM is a productive space from which to consider the complexity and diverseness of black women's sexual practice and the mutability of black female sexuality. Illuminating the cross-pollination of black sexuality and BDSM, The Color of Kink makes a unique contribution to the growing scholarship on racialized sexuality.

This book will assist the reader by providing individually tailored, high-quality bio-psycho-social care to patients with a wide range of problems within the fields of obstetrics, gynaecology, fertility, oncology, and sexology. Each chapter addresses a particular theme, issue, or situation in a problem-oriented and case-based manner that emphasizes the differences between routine and bio-psycho-social care. Relevant facts and figures are presented, advice is provided regarding the medical, psychological, and caring process, and contextual aspects are discussed. The book offers practical tips and actions within the bio-psycho-social approach, and highlights important do's and don'ts. To avoid a strict somatic thinking pattern, the importance of

communication, multidisciplinary collaboration, and creation of a working alliance with the patient is emphasized. The book follows a consistent format, designed to meet the needs of challenged clinicians.

35 Years of Experience & Study of All Things Related to Female Ejaculation - The Full Series

Female ejaculation is the expulsion of fluid by the paraurethral ducts through and around the human female urethra during or before an orgasm. It is also known colloquially as squirting or gushing, although these are considered to be different phenomena in some research publications. The exact source and nature of the fluid continue to be a topic of debate among medical professionals, which is also related to doubts over the existence of the G-spot.

Squirting is without a doubt the most amazing pleasure that a woman can experience. But it is not the philosopher's stone for making her come. It is only one out of many ways to stimulate pleasure in a woman. This book will teach you how to stimulate the G spot, which is the base for having sex connected to the clitoris; but it is also how you stimulate the PS spot, which is connected directly to anal sex. To sum up, the PS spot is responsible for anal pleasure, and stimulating the PS spot is one way that a woman can experience the pleasure of an anal orgasm, even if women aren't open to even talking about anal sex. Obviously, after experiencing an anal orgasm, it will be impossible for a woman not to be interested in anal sex because she will have valid reasons for wanting it. This book is the most complete guide in the world on how to stimulate the PS spot.
