¡Cantemos! Ha sido creado por la pasión del canto congregacional de Keith y Kristyn Getty y ha sido formada a través de viajes, presentaciones, al escuchar , discutir, aprender y enseñar a través de todo el mundo. Al crear este material ellos tenían cinco objetivos clave: Descubrir por qué cantamos y la abrumadora dicha y el santo privilegio que proviene de cantar. Considerar que cantar impacta nuestras vidas, corazones y mentes. Cultivar una cultura de familia que canta, en nuestra vida familiar diaria. Equipar a nuestras iglesias a cantar con sinceridad al Señor y a los demás en una expresión de unidad. Para inspirarnos para ver el canto congregacional como un testigo radical para el mundo. También se han incluido “pistas adicionales” al final, con sugerencias prácticas para usarlas con grupos que están más profundamente relacionados con el canto en la iglesia. El propósito de Dios a través de esta irresistible visión de ver a Su pueblo cantando (personas que alegremente se unen a cantar, hermanos y hermanas alrededor del mundo y alrededor de Su trono) es incluirte, el quiere que tu, y que nosotros cantemos. Sing! has grown from Keith and Kristyn Getty’s passion for congregational singing; it’s been formed by their traveling and playing and listening and discussing and learning and teaching all over the world. And in writing it, they have five key aims: • to discover why we sing and the overwhelming joy and holy privilege that comes with singing • to consider how singing impacts our hearts and minds and all of our lives • to cultivate a culture of family singing in our daily home life • to equip our churches for wholeheartedly singing to the Lord and one another as an expression of unity • to inspire us to see congregational singing as a radical witness to the world They have also added a few “bonus tracks” at the end with some more practical suggestions for different groups who are more deeply

involved with church singing. God intends for this compelling vision of His people singing—a people joyfully joining together in song with brothers and sisters around the world and around his heavenly throne—to include you. He wants you, he wants us, to sing. Baudelaire was practically unknown in Spain until the last two decades of the nineteenth century when the first important criticism of his work was published by two famous critics, Juan Valera and Clarín. Valera attacked *Les Fleurs du mal* on aesthetic grounds, basing his criticism entirely on the "satanic" poems. At the same time, Clarín published a series of articles favorable to Baudelaire. Save for Clarín, Spanish critics in the first two decades of the twentieth century based their opinions of Baudelaire solely on *Les Fleurs du mal*. A notable exception was an article written around 1910 by Emilia Pardo Bazan based on the full scope of Baudelaire's work. Since the 1920s Spanish critics have come to share the high esteem which Baudelaire continues to receive throughout the world.

This book provides an overview of the current state of discussion from different perspectives. It starts with the European view.

Representatives of the CEC present the political strategies and objectives of the IV Framework Programme regarding education and training supported by technology and telematics. International experts join the discussion, specifying political, cultural, sociological, psychological and market factors which determine the success of the implementation of new learning environments. How should learning systems be developed and evaluated: this question is tackled in the following section. Specific project descriptions show how the involvement of different user groups has been achieved: home learners, small and medium-sized enterprises, large companies, secondary and tertiary education. The perspective then shifts to the different components of learning systems: the management of virtual space, the economical production of learning material, the use of simulation... A more technology-oriented section discussing questions of different technologies and standards concludes the publication.

A lo largo de su historia compartida, cine y política han mantenido una relación muy estrecha, que va de la mutua necesidad al juego de espejos. El cine ha documentado la evolución social y política de las distintas sociedades, pero también ha sido utilizado como instrumento de propaganda ideológica. Al mismo tiempo, la política se ha ido contagiando de la narrativa cinematográfica y ha emulado a los héroes de la ficción. Conocer el cine político es entender la diferencia entre denuncia y demagogia, entre posicionamiento y doctrina, y ver, a través de géneros muy dispares, que la política está presente en toda película de ayer y de hoy. En este libro se propone un recorrido por el cine y la política a través de 50 títulos, algunos muy populares y otros urgidos de una reivindicación, que ejemplifican su vínculo. Y los hay que son fundamentalmente políticos aunque no parezcan pertenecer al género.

Contando en rimas se cuenta mejor. Un pez con siete vidas, aunque ¿cción, nace de situaciones de la vida real donde un niño de cinco años, hijo de la autora, tiene por primera vez una mascota. La curiosidad natural del niño lo lleva a explorar con su pez, originando situaciones que resultarán cómicas para el lector. Escrito en rima, el cuento interesa no tan sólo entretener, sino que propicia el desarrollo de la lectura en los niños. Además, trabaja la secuencia numérica mientras se le van restando vidas al pez. Deja el ?nal abierto estimulando la creatividad del niño y es propicio para trabajar temas como la naturaleza y el cuidado de las mascotas. La autora, Mariela Cordero González, es doctora en educación y profesora universitaria pero su gran pasión es la literatura infantil. Dedicó gran parte de su tiempo a la lectura de cuentos y a promover el amor por la lectura. Un pez con siete vidas es su primera publicación. Esta obra ha sido ilustrada genialmente por una maestra de escuela elemental, madre y artista, Carmen "Nicole" Ruiz, quien logra captar con gran maestría y un extraordinario colorido los eventos que atraviesan los personajes de este cuento.
