Aku membuka surat itu sebelum dua surat lain yang berstempel pos London. Di dalamnya terdapat sehelai kertas yang ditempli kata-kata dan huruf-huruf cetak yang telah digunting dari buku. Sesaat aku menatap kata-kata itu tanpa memahaminya. Kemudian napasku tersekat... Mula-mula surat-surat kaleng yang keji itu hanya menyebabkan rasa takut. Tapi kemudian surat-surat itu menyebabkan kematian. Pertanyaannya adalah: siapa yang akan menjadi korban berikutnya...?""

This collection of new essays brings fresh perspectives to Christie scholarship with new readings and discussions of little-known aspects of her life, career and legacy. The final word is given to fans in an editorial that collates testimonies from readers, collectors and enthusiasts.

This volume contains fourteen essays by authoritative academics studying the field of mystery and detective fiction. The essays all concentrate on the first novels in established series, analyzing ways in which the opening books of the series do or do not create patterns followed in succeeding novels.

Voor veel detectivelezers is Miss Jane Marple een begrip: een bescheiden, opgewekt en vriendelijk oud dametje, dat een uitstekende kijk heeft op het menselijk karakter. Daardoor weet zij vaak de ingewikkeldste moordzaken te ontrafelen, terwijl de politie nog druk aan het zoeken is naar een oplossing. Dit boek bevat dertien voorbeelden van Miss Marples vindingrijkheid.

Now with a beautiful new series look, a classic mystery from the Queen of Crime in which the indomitable Miss Marple exposes a small town's shameful secrets. Lymstock is a town with more than its share of scandalous secrets--a town where even a sudden outbreak of anonymous hate mail causes only a minor stir. But all that changes when one of the recipients, Mrs. Symmington, commits suicide. Her final note says "I can't go on," but Miss Marple questions the coroner's verdict of suicide. Soon nobody is sure of anyone--as secrets stop being shameful and start becoming deadly.

This book will be the first systematic and comprehensive text to analyze the many and contrasting appearances of the Church of England on television. It covers a range of genres and programs including crime drama, science fiction, comedy, including the specific genre of 'ecclesiastical comedy', zombie horror and non-fiction broadcasting. Readers interested in church and political history, popular culture, television and broadcasting history, and the social history of modern Britain will find this to be a lively and timely book. Programs that year after year sit enshrined as national favourites (for example Dad's Army and Midsomer Murders) foreground the Church. From the Queen's Christmas Message to royal weddings and Coronation Street, the clergy and services of England's national church abound in television. This book offers detailed analysis of landmark examples of small screen output and raises questions relating to the storytelling strategies of program makers, the way the established Church is delineated, and the transformation over decades of congregations into audiences. When Agatha Christie, the so-called 'Queen of Crime', disappeared from her home in Sunningdale in Berkshire for eleven days on 3 December 1927, the whole nation held its breath. This work explains, in the light of scientific knowledge, her behaviour during that troubled time.

The first three full-length Miss Marple novels, set before and during the Second World War, see the world's most accomplished amateur sleuth unravelling the dark side of human nature to uncover three cases of Murder Most Foul!

Originally published in 1991, Reflecting on Miss Marple looks at the incongruous combination of violence, murder and a sweet, white-haired old lady, and examines why this makes such a potent but unlikely formula. The book is an astute and engaging account which reveals Miss Marple as a feminist heroine, triumphantly able to exploit contemporary prejudices against unmarried women in order to solve her case. The authors explore the inherent contradictions of Agatha Christie's Miss Marple novels, their social context, and their place in detective fiction as a whole.

Excerpt: A Murder is Announced is a work of detective fiction by Agatha Christie and first published in the UK by the Collins Crime Club in June 1950 and in the US by Dodd, Mead and Company in the same month. The UK edition retailed at eight shillings and sixpence (8/6) and the US edition at \$2.50. The novel features her detective Miss Marple and is considered a crime novel classic. The book was heavily promoted upon publication in 1950 as being Christie's fiftieth book, although in truth this figure could only be arrived at by counting in both UK and US short story collections. A strange notice appears in the morning paper of a perfectly ordinary small English village, Chipping Cleghorn: "A murder is announced and will take place on Friday, October 29th, at Little Paddocks, at 6:30 p.m. Friends accept this, the only intimation." This apparently comes as a great surprise to Letitia Blacklock, the owner of Little Paddocks, as she has no idea what the notice means; she didn't place it and none of her companions knows more than she. Miss Blacklock decides to take it in her stride and prepares herself to have guests that evening. Naturally, the villagers are intrigued by this notice, and several of them appear on the doorstep with awkward reasons but a definite interest. As the clock strikes 6:30, the lights go out and a door swings open, revealing a man with a blinding torch. In a heavily accented voice, the man demands they "Stick 'em up!" Most of the guests do so, believing it to be part of a game. The game ends when...

There's no place like home.

Jaar na jaar overtrof AGATHA CHRISTIE zichzelf met haar inventieve detectives die door miljoenen lezers ter wereld werden verslonden. The Queen of Crime overleed in 1976, maar Poirot leeft voort! Bestsellerauteur Sophie Hannah kruipt in de huid van Christie en levert een puntgave, nieuwe Poirot af. 1929 - Poirots rustige avondmaal in een Londens koffiehuis wordt verstoord als een opgejaagde, jonge vrouw hem toevertrouwt dat iemand op het punt staat haar te vermoorden. Ze is doodsbang, maar zegt dat het recht zal zegevieren als ze dood is, en ze smeekt Poirot geen onderzoek te verrichten in het geval van haar dood. Later die nacht worden drie mensen dood aangetroffen in een chic, Londens hotel. De moordenaar heeft drie sinistere aanwijzingen achtergelaten: een manchetknoop met initialen in de mond van elk slachtoffer. Al snel is Hercule Poirot verwickeld in de zaak en terwijl hij alles op alles zet om de bizarre stukjes van de puzzel in elkaar te zetten, maakt de moordenaar zich op om weer toe te slaan... Met De Monogram Moorden creëert bestsellerauteur SOPHIE HANNAH een voor gewone stervelingen zeer ingenieus raadsel, dat alleen kan worden opgelost door de vermaarde, Belgische detective Hercule Poirot en zijn 'kleine, grijze cellen'.

'Sophie's idee voor de plot was zo onweerstaanbaar en haar passie voor het werk van mijn grootmoeder zo groot dat we wisten dat dit het juiste moment was voor een nieuwe Christie!' A pocket full of rye: Jane Marple investigates a series of seemingly random poisonings. A murder is announced: Jane Marple investigates a murder where the murderer advertised the crime in a local paper the day before. The Murder at the Vicarage is Agatha Christie's first mystery to feature the beloved investigator Miss Marple—as a dead body in a clergyman's study proves to the indomitable sleuth that no place, holy or otherwise, is a sanctuary from homicide. Miss Marple encounters a compelling murder mystery in the sleepy little village of St. Mary Mead, where under the seemingly peaceful exterior of an English country village lurks intrigue, guilt, deception and death. Colonel Protheroe, local magistrate and overbearing land-owner is the most detested man in the village. Everyone—even in the vicar--wishes he were dead. And very soon he is--shot in the head in the vicar's own study. Faced with a surfeit of suspects, only the inscrutable Miss Marple can unravel the tangled web of clues that will lead to the unmasking of the killer.

Includes a new introduction from Sophie Hannah, bestselling author of *THE MONOGRAM MURDERS* and *HAVEN'T THEY GROWN* Agatha Christie was not only the biggest selling writer of detective stories the world has ever known, she was also a mystery in herself, giving only the rarest interviews, declining absolutely to become any sort of public figure, and a mystery too in the manner in which she achieved her astonishing success. H R F Keating, a crime novelist and respected reviewer of crime fiction, brought together a dozen distinguished writers from both sides of the Atlantic to throw light on this double mystery. Some analyse the art itself; some explain the reasons for her success, not just the books, but also in film and theatre. The approaches are penetrating, affectionate, enthusiastic, analytical, funny - even critical. Together, they give an almost unique insight into the life and work of the First Lady of Crime.
