It's the perfect way for children to expand their horizons, learning about other countries and cultures without leaving their homes. On this fascinating journey, they'll learn about:- * extraordinary wild animals * wild habitats and busy cities * famous monuments * natural wonders A wonderful gift for young readers aged 5+.

Niemand anders dan de twaalfjarige jongen Torak kan het Kwaad stoppen, maar hij is gewond en op de vlucht. Hij is een buitenstaander, net als zijn vader, en hij heeft nog nooit andere mensen ontmoet. Nu is zijn vader vermoord door een enorme beer en wordt Torak achtervolgd. Hij moet zien te overleven met als enige bondgenoot een wolfsjong en als enige wapens zijn vaardigheden als jager en verzamelaar.

A striking and informative jigsaw book, beautifully illustrated by Linda Edwards, who also created the artwork for Usborne's hugely successful Children's Picture Atlas. Each of the six jigsaws contains robust animal shapes from elephants to aardvarks and penguins to pandas, which can be slotted into clearly and colourfully illustrated maps. Provides an interactive learning experience for children as they enjoy the challenge of completing a jigsaw, while learning all about the diversity of the animal kingdom and the many different countries in the world.

An interactive journey around the world, on which children can place stickers of landmarks, animals and people in the right places, learning more about the world as they go. Fresh, modern illustrations make this a lively and inviting first atlas. The presence of geography in the National Curriculum in England and Wales means that even teachers of children in the first years of school need to consider and monitor the distinctively geographical element in their teaching. Joy Palmer here helps them to do so enjoyably, combining concise summaries of the latest research with transcripts of classroom conversation, case studies and suggestions for the development and implementation of sound geographical work in practice. A final section provides a brief guide to resources available to the teacher.

First published in 1998 , A Guide to Children's Reference Books and Multi Material provides essential information on over 250 children's reference products for parents, teachers and librarians wishing to purchase the best books and multimedia material in the late 90's.

This pack contains a 300-piece jigsaw of a beautifully illustrated map of Europe for children to assemble, as well as a 32-page picture atlas of Europe in which they can see and discover the continent in more detail with its highly visual maps. Beautifully illustrated jigsaw and richly detailed atlas makes a wonderful present.

Children can have lots of fun learning where things are in Europe as they piece together the puzzle. The Usborne Picture Atlas of Europe is full of fun facts and famous sights, and is a great way to introduce children to looking at maps and to European geography.

In *A Place for Wonder*, Georgia Heard and Jennifer McDonough discuss how to create "a landscape of wonder," a primary classroom where curiosity, creativity, and exploration are encouraged. For it is these characteristics, the authors write, that develop intelligent, inquiring, life-long learners. *A Place for Wonder* will help teachers reclaim their classrooms as a place where true learning is the norm.

- Informative and activity-packed paperbacks to inspire children aged five and over
- Picture Atlas contains a lively mix of facts, maps and flags, with information on countries that children really want to know

With a lively mix of pictures, facts and maps, this atlas is a fun way for children to learn about the world.

Prentvertelling waarin de wereld wordt voorgesteld als een dorp met honderd inwoners. Zo wordt informatie gegeven over ondermeer de verschillende nationaliteiten, talen en godsdiensten. Met paginagrote gekleurde tekeningen. Vanaf ca. 10 jaar.

Sinds 150 jaar is de klassieker van Charles Dickens een onmisbaar ingrediënt in de Britse kersttraditie. Eigenlijk is het een spookverhaal, maar met een positieve boodschap, waarin geesten proberen vat te krijgen op de harteloze vrek en geldschieter Ebenezer Scrooge. Charles Dickens was een van de grote Victoriaanse schrijvers met oog en hart voor de kwetsbaren - in het bijzonder kinderen. Hij schreef een 'kerstavontuur' nadat hij in 1843 een school bezocht voor de ondervoede en ongeletterde straatkinderen in Londen. Daarnaast heeft het betrekking op de eigen herinneringen van de auteur aan Kerstmis en aan de kersttraditie. Het verhaal heeft veel van wat we nu associëren met Kerstmis gedefiniëerd: het familiebedrijf, Kerstspelletjes, Kerstvoedsel en -dranken, vrijgevigheid en geschenken. De laatste twintig jaar van zijn leven tot 1870 had Dickens zelf groot succes in het rondreizen en voorlezen. Sindsdien is "A Christmas Adventure" niet alleen vele malen verfilmd, ook als tekenfilm, en werd het ook geproduceerd als theater, musical, ballet en opera. Op kerstavond krijgt hij bezoek van de gekwelde geest van zijn overleden zakenpartner, Jacob Marley, en vervolgens van drie geesten die kerst in het verleden, heden en toekomst vertegenwoordigen, en wordt het een harde les in vrijgevigheid en mededogen, oftewel de ware geest van Kerstmis. Charles Dickens (1812-70) is een van de grote namen in de Britse literatuur. Zijn boeken zijn sinds zijn leven voortdurend gelezen en gepubliceerd, terwijl het werk doorgaat op het gebied van film, televisie en theater. Als auteur schreef Dickens met humor over hoe de Engelse industrialisatie vaak gruwelijke menselijke gevolgen kent, en hij heeft in zijn werken een bijzonder oog voor de armen, vooral kinderen. Verschillende van zijn protagonisten zijn kinderen, zoals *Oliver Twist*, *David Copperfield* en kleine Dorrit. Naast grote, kleurrijke romans schreef hij kort proza en toneelstukken,

reisboeken en kinderboeken.

Mastering Primary Geography introduces the primary geography curriculum and helps trainees and teachers learn how to plan and teach inspiring lessons that make learning geography irresistible. Topics covered include: · Current developments in geography · Geography as an irresistible activity · Geography as a practical activity · Skills to develop in geography · Promoting curiosity · Assessing children in geography · Practical issues This guide includes examples of children's work, case studies, readings to reflect upon and reflective questions that all help to show students and teachers what is considered to be best and most innovative practice, and how they can use that knowledge in their own teaching to the greatest effect. The book draws on the experience of two leading professionals in primary geography, Anthony Barlow and Sarah Whitehouse, to provide the essential guide to teaching geography for all trainee and qualified primary teachers.

This atlas helps young people explore the world and the animals which inhabit it. It includes simple maps of all the countries of the world, with illustrations of the species which live there and details about their habitats.

'Door terug te kijken, ver terug te kijken, houdt Frankopan ons een spiegel voor, die uiteindelijk haarscherp laat zien dat we ons zullen moeten aanpassen – of we nou willen of niet.' – VPRO Tegenlicht DWDD-boekentip maart 2016 De zijderoutes is een schitterende verkenning van de elementen die de stuwende kracht waren achter de opkomst en de ondergang van wereldrijken, die de stroom van ideeën en goederen bepaalden en nu een nieuw tijdperk inluiden in de internationale politiek. Het gebied ten oosten van de Middellandse en de Zwarte Zee tot aan de Himalaya, dwars door Centraal-Azië tot diep in China en India, was duizenden jaren het middelpunt van de aarde. Het is de bakermat van onze beschaving, waar meer dan 2500 jaar v.Chr. metropolen ontstonden als Harappa en Mohenjodaro met een bevolking die in de tienduizenden liep en met straten die waren aangesloten op een geavanceerd rioleringsstelsel. Het is ook het gebied van de zijderoutes – handelsroutes maar ook verbindingswegen waarlangs opvattingen, religies, ideeën, cultuur én ziektes zich konden verspreiden. Hier begint Peter Frankopan zijn nieuwe wereldgeschiedenis. Na de eerste zijderoutes ontstonden er andere: de slavenroute, de goudroute, de route naar het zwarte goud. Maar in onze eenentwintigste eeuw zijn nieuwe routes aan het ontstaan die een grote gelijkenis vertonen met die allereerste, die Centraal-Azië doorkruisten. De zijderoutes komen terug! 'Briljante verhaallijnen (...) Een wereldgeschiedenis die het middelpunt van die wereld naar het oosten verplaatst.' – The Economist 'Veel boeken beweren "een nieuwe geschiedenis van de wereld" te zijn; dit boek heeft die benaming met recht.' – The Times

The Practical Guidance in the Early Years Foundation Stage series will assist practitioners in the smooth and successful implementation of the Early Years Foundation Stage. Each book gives clear and detailed explanations of each aspect of Learning and Development and encourages readers to consider each area within its broadest context to expand and develop their own knowledge and good practice. Practical ideas and activities for all age groups are offered along with a wealth of expertise of how elements from the practice guidance can be implemented within all
