Cómo tocar el piano le enseñará que tocar y conocer este bello instrumento no es tan difícil y complicado como nos han hecho creer, y que, por el contrario, es una labor gratificante. Roger Evans, gracias a su experiencia como profesor de música e instrumentos, le enseñará a hacerlo mediante un método práctico, didáctico y entretenido. Evitando en lo posible el uso excesivo de palabras técnicas, abre la posibilidad al lector con o sin conocimientos previos de interpretar música sencilla con este instrumento, merced a las detalladas instrucciones y útiles consejos para progresar en su aprendizaje posterior. Piezas musicales, melodías conocidas y clásicos populares se alternan con artículos sobre el piano y el modo de tocarlo, junto con explicaciones de cada nueva técnica. Los dibujos, que representan las manos sobre el teclado, ilustran las posiciones correctas... Un libro que, bajo la supervisión técnica de prestigiosos profesores de piano, será de gran valor para los que empiezan a estudiar en la escuela, o en clases privadas, así como para los que han decidido aprenderlo por sí mismos

The Oxford Guide to the Romance Languages is the most exhaustive treatment of the Romance languages available today. Leading international scholars adopt a variety of theoretical frameworks and approaches to offer a detailed structural examination of all the individual Romance varieties and Romance-speaking areas, including standard, non-standard, dialectal, and regional varieties of the Old and New Worlds. The book also offers a comprehensive comparative account of major topics, issues, and case studies across different areas of the grammar of the Romance languages. The volume is organized into 10 thematic parts: Parts 1 and 2 deal with the making of the Romance languages and their typology and classification, respectively; Part 3 is devoted to individual structural overviews of Romance languages, dialects, and linguistic areas, while Part 4 provides comparative overviews of Romance phonology, morphology, syntax, semantics and pragmatics, and sociolinguistics. Chapters in Parts 5-9 examine issues in Romance phonology, morphology, syntax, syntax and semantics, and pragmatics and discourse, respectively, while the final part contains case studies of topics in the nominal group, verbal group, and the clause. The book will be an essential resource for both Romance specialists and everyone with an interest in Indo-European and comparative linguistics. Children of all ages will be inspired to try out a new instrument and make music themselves.

This book brings together twelve essays that attest to the continuing viability of intertextuality, a widely recognized by-product of a cosmic readjustment in thinking about the nature and boundaries of texts. All the contributors to this collection are well versed in the theoretical implications of intertextuality. Their essays give repeated evidence that intertextuality is itself dynamically intertextual and that it is as endlessly fruitful as its myriad applications. The essays further demonstrate that, whether theoretically in fashion or out of it, whether seen as rhetorical exercises, ideological statements, or philosophical meditations, intertextual pursuits remain the paramount adventure in the literary-critical enterprise.

This volume consists of a well-integrated collection of original research articles and theoretical/overview papers on second language (L2) input processing. The primary contributors are former students of Bill VanPatten from the past three decades, and the collection of articles is intended as a tribute to his career and contribution of bringing processing issues to the center stage of research in second language acquisition (SLA) and instructed SLA. The research and theorizing presented in this volume are the most recent in the field and represent innovations in approaches to L2 processing research, including the use of online methodologies (self-paced reading and eye tracking) in the experimental papers. In addition, the editors are recognized authors and researchers who have published on sentence processing, input processing, and processing instruction, and all three editors are either on editorial boards or are associate editors of major L2 journals.

Renata studies piano because her mother wants her to be a great artist. She also participates in many other activities, so many activities she doesn't have any time to play with her friends.

According to the author, Something to Read is, precisely, "Something to read in the toilet", in those moments of silent reflection and free time which the loo allows. It is not, however, an entirely broad-minded text. It has got much of that typical British humour --which causes a silent smile rather than raucous laughter. Furthermore, it has elements of a travelogue, and much of British popular lore. In its pages, readers will find themselves faced with a collection of anecdotes which can be taken as a legacy for generations to come. As in a cocktail, these ingredients are mixed to obtain a refreshing and unique flavour. A decir de su autor, Algo para leer es, precisamente, "Algo para leer en el baño",

en esos momentos de silenciosa reflexión y tiempo muerto que el toilette permite. Hay mucho del característico humor inglés –ese que produce una sonrisa “interna” más que una estentórea carcajada. Hay, también, elementos de un travelogue (diario de viajes), y bastante del saber popular inglés. En sus páginas el lector se hallará frente a un anecdotario que puede tomarse como legado para generaciones futuras. Como en un cóctel, estos ingredientes se mezclan para lograr un sabor único y refrescante.

"Experiencias offers carefully sequenced activities, pre-tested in the authors' own classes, that focus on personal interaction and real communication. All face-to-face activities are easily adaptable for digital environments and writing assignments. Recycling Throughout both volumes, Experiencias incorporates activities that recycle previously learned material but with new topics, which allows students to continue mastering vocabulary and structures encountered earlier in the program"--

Una edición omnibus con los volúmenes de la trilogía «Nube Blanca»: En el país de la nube blanca, La canción de los maoríes y El grito de la tierra. Una epopeya fascinante, recomendada por la crítica y los libreros, sobre dos familias cuyo destino está unido para siempre, en el exótico marco de Nueva Zelanda. En el país de la nube blanca Londres, 1852: dos chicas emprenden la travesía en barco hacia Nueva Zelanda. Para ellas significa el comienzo de una nueva vida como futuras esposas de unos hombres a quienes no conocen. Gwyneira, de origen noble, está prometida al hijo de un magnate de la lana, mientras que Helen, institutriz de profesión, ha respondido a la solicitud de matrimonio de un granjero. Ambas deberán seguir su destino en una tierra a la que se compara con el paraíso. Pero ¿hallarán el amor y la felicidad en el extremo opuesto del mundo? La canción de los maoríes Nueva Zelanda, 1893. Elaine es la atractiva nieta de Gwyneira, quien un día viajó desde el extremo opuesto del mundo para casarse con un desconocido. De su abuela ha heredado la melena pelirroja y el espíritu libre... hasta que William, un misterioso irlandés, irrumpe en su vida y ella cae rendida a sus encantos. Pero entonces, la llegada de su prima Kura, con su sensualidad maorí, cambia el destino de Elaine, y ambas tendrán que enfrentarse a sus propias decisiones y a los vaivenes de una tierra comparada con el paraíso. El grito de la tierra Nueva Zelanda, 1907. La infancia de Gloria, bisnieta de Gwyneira, termina abruptamente cuando es enviada junto a su prima Lilian a un colegio en Gran Bretaña. Una vez allí, Lilian encaja en las costumbres que impone en Viejo Mundo, pero Gloria quiere volver a toda costa a la tierra que la vio nacer, en el extremo opuesto del mundo. Y es ese profundo sentimiento el que la empuja a coger las riendas de su vida e idear un atrevido plan que marcará su destino para siempre.

The volumes Romance Languages and Linguistic Theory: Selected papers from 'Going Romance' contain the selected papers of the Going Romance conferences, a major European annual discussion forum for theoretically relevant research on Romance languages. This volume assembles a significant number of selected papers that were presented at the 21st edition of Going Romance, which was organized by the Chair of Romance Linguistics of the University of Amsterdam in December 2007. The range of languages (both standard and non-standard varieties) analyzed in this volume is quite significant: Catalan, French, Italian, European and Brazilian Portuguese, Romanian and Spanish. The volume is quite representative of the spread of the variety of research carried out nowadays on Romance languages within theoretical linguistics and shows the vitality of this research.
