Entrepreneur Press has partnered with Zester Media and its network of experienced journalists and authors to deliver an in-depth review of the craft brew industry, paired with telling facts and statistics for those considering starting, running, and growing a successful craft brewery or distillery. Readers are guided by real stories from craftspeople who share the details, secret ingredients, and special equipment that create a formula for success. They learn how to: analyze the industry with market research and identify a niche; calculate startup costs, secure funding, find the right equipment, and develop a solid business plan that promotes growth; abide by industry standards while complying with state and federal legislation, laws, and taxes; determine overhead fees, payroll, and price points, as well as business, personal, and consumption taxes; find, hire, and keep the perfect team; develop invaluable relationships with distributors, retailers, and restaurants; use low-cost online and offline marketing tactics; create promotions and gain a following through social media. The 20+ companies profiled include: Greenstar Brewery in Chicago, Rolling Meadows in rural Illinois, Leopold Brothers Distillery in Denver, Anchor Brewing in San Francisco, and Widow Jane and Cacao Prieto Distillery in Red Hook, NY.

Turn your hobbies and talents into profit with this step-by-step guide for home-working creatives.

Current date of publication from iPage.IngramContent.com. If you are thinking about turning your handmade hobby into a business it is important to know where to start. Some people jump straight in like I did, and learn along the way. Wouldn't it be better though to learn from someone else's mistakes? I've put together this 9 step workbook I wish I had before I even started. You can take it with you and jot down your ideas or answers anywhere you go. Especially if you started selling at craft fairs, this might help you to use your time wisely when it's not busy which hopefully won't happen often. From knowing what where I want to go and setting up goals to feeling confident at networking meetings. I had a big vision I wanted to achieve in a very short period of time which put too much pressure on me. Not only I had to learn as I went along, I realized that even a craft business is a business. Some get the Masters in Business and only then decide what business they want to run. It's important to be prepared or have at least some ideas about day to day running of a business. Any business. And craft business is no difference.

Discover the Money-Spinning Secrets to Turning Your Handmade Arts and Crafts into a Thriving Business with this Definitive Guide to Selling on Etsy Have you ever thought about starting a craft business on the side, but don't know how to start?
